CONSTITUTION LIFE SYRUP CONSTITUTION LIFE SYRUP

HAS PRODUCED

A REVOLUTION IN MEDICINE.

What may seem almost incredible, is, that many diseases hitherto considered hopelessly incurable are frequently cured in a few days or weeks, and we cheerfully invite the investigations of the liberal minded and scientific to cures which have no parallel at the present day. Our medicine is peculiar; by it the seat of any discass is directly reached, and the equilibrium restored. Those who have suffered long from painful and obstinate diseases, those who have vainly sought relief from advertised medicines, those who cannot be cured by ether physicians—

physicians— ARE INVITED TO USE CONTTITUTION LIFE SYRUP. During the past five years we have contended with ob-stacles and overcome opposition as herculean as were ever encountered by any Reformers.

encountered by any Reformers.

RAPIDITY OF CURE

Some say, "Your cures are too quick," while others doubt their permanence, and think that disease can only be cured by the "slow recuperative process of Nature."

In health, the body, like a well-balanced scale, is in a state of Equilibrium. But whon from any cause down goes one side of the scale, we have the effects of disease. What is requisite is, to restore the normal balance of the scale.
