READ WHO SAYS SO:

LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Relizious Knowledge and Christian Chronicle, Philahelphia.

Although not disposed to favor or recommend Patent Mehicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not jestify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city because I was prejudiced against them for many years, under the impression that they were chiefly a contributed.

man Bitters, prepared by Dr. C. M. Jackson, of this city because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indetited to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental rigor which I had not for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

S. NEWTON BROWN, Philada.

From Rev. Warren Randelph, Pastor of Baptist Church, Germantown, Penn.

Dr. C. M. Jackson:—Dear Sir:—Personal experience enables me to say that I regard the Gorman Bitters, prepared by you, as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefitted by the use of the Bitters, and doubt not they will produce similar effects on others.

From Rev. J. H. Turner, Paster of Hedding M. E. Church, Philadelphia.

Dr. C. M. Jackson: Dear Sir: —Having used your German Bitters in myn family frequently I am; prepared to saythat it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of, which I have any knowledge.

Yours, respectfully.

From the Rev. J. M. Lyons, formerly Pastor of the Columbus (N. J.) and Milestown (Pa.) Baptist Churches.

New Rochells, N. Y.

Dr. C. M. Jackson:—Dear Sir:—I feel it a pleasure thus, of my own accord, to bear testimony to the excellence of the German Bitters. Some years since being much afflicted with Dyspepsia, I used them with yery beneficial results. I have often recommended them to persons enfeebled by that tormenting disease, and have heard from them the most flattering testimonials as to their great value. In cases of general debility, I believe it to be a tonic that cannot be surpassed.

J. M. LYONS.

From the Roy Thomas Winter, Pastor of Roxborough Baptist Church.

Dr. Jackson:—Dear Sir:—I felt it due to your excellent preparation, Hoofland German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters; did so, and have experienced great and unexpected relief; my health has been very materially benefitted. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good offects.

Respectfully yours.

T. WINTER, Roxborough, Pa.

From Rev. J. S. Herman, of the German Reformed Church, Kutztown, Berks county, Pa.

Dr. C. M. Jackson:—Respected Sir:—I have been troubled with Dyspensia nearly twenty years, and have never used any medicine that did me as much good as Hoofland's Bitters. I am very much improved in health, after having taken five bottles.

Yours with respect,

J. S. HERMAN. 3. From the Roy Thomas Winter, Paster of Roxborough

DISPATCH FROM SECRETARY STANTON Later from General Sherman.

Operations of Gen. Banks.

General Butler Still Confronting the Rebels.

Complimentary Address of Gen.

Meade to His Troops. Washington, May 21. To Major-General Dix. - Dispatches from General Sherman state that our forces found

in Rome a good deal of provisions and seven fine iron works and machinery. We have secured two good bridges and an excellent ford across the Etowah. The cars are now arriving at Kingston with stores and two days would be given to replenish and fit up.

A dispatch just received from Gen. Banks, dated at Alexandria the 8th of May, states that

the dam will be completed to morrow. May 9th, and the gunboats relieved.

He would then move immediately for the Mississippi. Gen Canby was at the mouth of the Red river on the 14th of May, collecting forces to assist Banks if necessary.

Dispatches from Gen. Butler dated at 10 o'clock last night, report that he had been fighting all day, the enemy endeavoring to close in on our lines; we shall hold on. We have captured the rebel General Walker

of the Texas troops.
(Signed) EDWIN M. STANTON. (Signed) EDWIN M. STANTON.
Washington, May 21.—General Meade has issued an order complimenting General Tyler's division and General Kitchen's brigade for their gallantry on Thursday.

There was no fighting on Friday.

Funeral of Gen. Wadsworth.

ROCHESTER, N. Y., May 21. The Evening Express has the following special dispatch: GENNESSEE, May 21.—The funeral of the late deeply lamented and gallant General Wadsworth is now taking place in this village, which shows, by every outward sign, evidence of the great affliction which has fallen upon it. Every place of business is closed, funeral wreaths are hung upon doors, balconies and windows, and the people fill the streets, doorsteps and every stand point from which

the long solemn procession can be reviewed as it passes on its way to the humble village church and to the modest rural cemetery. The obsequies are as unpretending as they are solemn. The remnant of the brave 21st regiment who served under Gen. Wadsworth in many battles, have come here from Buffalo with their regimental colors and band, and

form the escort.
Washington, May 22.—Six hostages, arrested in Fredericksburg, arrived in the city to-day and were committed to the Old Capital Prison. They are lield for the return of our wounded men who were sent to Richmond by the citizens of Fredericsburg after the first battle of the Wilderness.

FROM NORTH CAROLINA

Rebel Iron Clad North Carolina Destroyed. NEW YORK, May 22. The supply steamer Newberne, from the

blockading squadron off the coast of North Carolina, has arrived with a large number of blockade running prisoners.

The rebeliron clad North Carolina, which recently came a short distance over Wilmington bar leaked so badly as to be compelled to run ashore, when the tide fell she broke in twain amidship. Her consort, the Raleigh, is nearly completed.

Later from Europe. Suspension of Hostilities for One Month

NEW YORK, May 22. The steamer America from Southampton on the 11th, arrived this morning. The following items of news were not covered by the Bermuda's news.

In the House of Lords, Earl Russell stated that the Conference had agreed to a suspen-

sion of hostilities for one month, from the 12th of May, on condition that the blockade of the German ports should be raised.

Parliament will adjourn from the 13th to the 19th of May.

The Bank of France has raised the rate of discount to 8 per cent. In the recent naval engagement the Austrians were badly beaten, one of their frigates being in flames. The Danes anchored be-hind Sand Island. Fifteen Swedish and Nor-

wegian vessels of war will assemble on the 15th off Gottenburg, under Prince Oscar. Garibaldi arrived at Caproa on the 9th. The Danish naval success and the suspension of hostilities were received in London with animation. Consuls advanced to 913 and 914. The Austrians have pillaged Horsens, Venders and other places in Jutland.
