DYSPEPSIA,

AND

DISEASES RESULTING FROM

DISORDERS OF THE LIVER

AND DIGESTIVE ORGANS,

ARE CURED BY

HOOFLAND'S

GERMAN BITTERS,

THE GREAT STRENGTHENING TONIC.

THESE Bitters have performed more cures; have and do give better satisfaction; have more testimony; have more respectable people to vouch for them than any other article in the market.

We defy any one to contradict this assertion, and will pay $1,000 to any one that will produce a certificate published by us that is not genuine. Hoofland's German Bitters, will cure every case of Chronic or Nervous Debility, Diseases of the Kidneys, and diseases arising from a disordered stomach. Observe the following symptoms, resulting from the disorders of the digestive organs: Constipation, Inward Piles, Fullness of Blood to the head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or weight in the Stomach, Sour Eructations, Sinking or fluttering at the pit of the stomach, Swimming of the head, Hurried and difficult breathing, Fluttering at the heart, Choking or suffocating sensations when in a lying posture, Dimness of vision, Dots or webs before the sight, Fever and dull pain in the head, Deficiency of perspiration, Yellowness of the skin and eyes, Pain in the side, back, chest, limbs, &c., Sudden flushes of heat, Burning in the flesh, Constant imaginations of evil, and great depression of spirits.

Remember that this Bitters is not alcoholic, contains no rum or whisky, and can't make drunkards, but is the best Tonic in the world.

READ WHO SAYS SO:

From the Rev. Levi G. Beck, Pastor of the Baptist Church, Pemberton, N. J., formerly of the North Baptist Church, Philadelphia.

* * * * * * * * * * * *

I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is "not a rum drink." Yours truly.

LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge and Christian Chronicle, Philadelphia.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN, Philada.

From Rev. Warren Randolph, Pastor of Baptist Church, Germantown, Penn.

Dr. C. M. Jackson:—Dear Sir:—Personal experience enables me to say that I regard the German Bitters, prepared by you, as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefitted by the use of the Bitters, and doubt not they will produce similar effects on others.

Yours truly WARREN RANDOLPH,
Germantown, Pa.

From Rev. J. H. Turner, Pastor of Hedding M. E Church, Philadelphia.

Dr. C. M. Jackson:—Dear Sir:—Having used your German Bitters in my family frequently I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of which I have any knowledge.

Yours, respectfully J. H. TURNER,
No. 726 N. Nineteenth street.

From the Rev. J. M. Lyons, formerly Pastor of the Columbus (N. J.) and Millestown (Pa.) Baptist Churches.

NEW ROCHELLE, N. Y.

Dr. C. M. Jackson:—Dear Sir:—I feel it a pleasure thus of my own accord, to bear testimony to the excellence of the German Bitters. Some years since being much afflicted with Dyspepsia, I used them with very beneficial results. I have often recommended them to persons enfeebled by that tormenting disease, and have heard from them the most flattering testimonials as to their great value. In cases of general debility, I believe it to be a tonic that cannot be surpassed. J. M. LYONS.

From the Rev Thomas Winter, Pastor of Roxborough Baptist Church.

Dr. Jackson:—Dear Sir:—I felt it due to your excellent preparation, Hoofland German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters; did so, and have experienced great and unexpected relief; my health has been very materially benefitted. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects.

Respectfully yours,
T. WINTER, Roxborough, Pa.

From Rev. J. S. Herman, of the German Reformed Church, Kutztown, Berks county, Pa.

Dr. C. M. Jackson:—Respected Sir:—I have been troubled with Dyspepsia nearly twenty years, and have never used any medicine that did me as much good as Hoofland's Bitters. I am very much improved in health, after having taken five bottles.

Yours with respect, J. S. HERMAN.

EVENING EDITION.

The Old School General Assembly.

Correspondence of the Telegraph.]

NEWARK, NEW JERSEY, May 24, 1864.

EDITOR TELEGRAPH:—The Old School Presbyterian Assembly convened in this beautiful city on Thursday morning last. Rev. Dr. W. L. Breckenridge, of Kentucky, preached the opening sermon, and Rev. Dr. Wood, of Indiana, was chosen Moderator. The total number of ministers and elders in attendence is about two hundred and fifty. There being but one Old School church in Newark, the hospitality of its members would have been severely taxed to entertain so large a body, but through the kindness of the New School brethren, who have a number of churches here, and also of some of the Methodist brethren, whose houses were thrown open, all have been provided for. Courtesy like this beautifully illustrates the unity of spirit and kindness of feeling which prevails among the various branches of the church of Christ, notwithstanding the diversity of outward organization. There is much business of an important character before the Assembly, and its time is fully occupied.

On Saturday afternoon about half of the members visited old Princeton, to witness the ceremonies incident to the laying of the corner-stone of a new hall connected with the Seminary. The excursion was a delightful one, and the party returned to Newark at an early hour in the evening.

A letter was yesterday read to the Assembly, from a prominent gentleman in New York, inviting them to visit that city on Thursday afternoon next. He has provided conveyances which will receive the members at the ferry, from which they will be driven to Central Park, and other places of interest, returning in time for the evening train. Assembly voted to accept the invitation.

Wednesday afternoon next has been set apart for special praise and prayer on behalf of the country. The New School Assembly, in session at Dayton, Ohio, was notified by telegraph, and this morning a dispatch was received, stating that they had unanimously resolved to unite in the services.

A highly important paper upon the Slavery question was reported this morning from a committee, and has been made the special order for Wednesday evening. It will no doubt elicit an animated discussion. There are other important questions yet to be considered by the Assembly, which will require them to work with a great deal of industry, so as to adjourn at the usual time. They are now holding three sessions a day, though heretofore the evenings have been devoted to preaching. It is probable that the final adjournment will take place about Tuesday of next week. G.

ASSOCIATED PRESS REPORT.

ON TO RICHMOND!

The Retreat of Gen. Lee.

Jeff. Davis and Cabinet Gone from Richmond.

Arrival of Contrabands.

Affairs at Fredericksburg.

WASHINGTON, May 25.

The *Republican* has an extra out which contains the following:

It gives us pleasure to be able to announce that intelligence has reached the city that General Lee, after falling back from the North Anna, (as mentioned by Gen Grant,) commenced a hasty retreat, and that he had reached a point beyond the South Anna river, pursued with great vigor by the corps under Gen. Grant.

The latter is in the saddle all the time, day and night, directing the general movements in person.

Grant is evidently embarrassing Lee. The latter thinks the former unmilitary in his tactics in not stopping his pursuit.

Unless Lee stops to fight to-day, we shall next hear of the grand conflict for the city of Richmond, before or in the works of that capital.

The advices say that Jeff. Davis and his cabinet left Richmond some days ago, fearing that in the approaching anaconda embrace of Grant they might be gobbled up.

There is little doubt that Richmond by this time is pretty well cleared out of its inhabitants. It is nothing less than a fortress.

Some of the trophies of Grant's new advance on Richmond have arrived here.

The steamer Wamasset, which arrived here last night, brought up about 100 contrabands consisting of men, women and children.—These contrabands are from the vicinity of Bowling Green and Guiney's Station, and brought with them a large quantity of bedclothing and other housekeeping articles.

There are still a number of sick and wounded at Fredericksburg, and as soon as they are removed that place will also lose its importance quite as suddenly as Belle Plain has.

Skirmishing with guerrillas occurs daily, but it always results in our favor.

From Havana—Arrival of Hon. Thomas Corwin.

NEW YORK, May 25.

The steamer Eagle, from Havana on the 21st, has arrived.

The Hon. Thomas Corwin, U. S. Minister to Mexico, is a passenger.

Vessels in the Danish Possessions.

NEW YORK, May 25.

The Government of the Danish West India possessions has issued a proclamation that until further notice, merchant vessels sailing under colors hitherto acknowledged by the Danish Government—even those states at war with Denmark—may enter and depart from the Danish West India Islands unmolested.

Veterans Going Forward.

NEW YORK, May 25.

The 8th Vermont regiment has embarked for New Orleans on the transport M'Clellan, its forlough having expired. The steamer Albany, from New Orleans on the 5th inst., has arrived.

Capture of Blockade Runners

Delegates Appointed to Baltimore Convention.

FIRING ON FORTS SUMTER AND MOULTRIE

NEW YORK, May 25.

The steamer Arago, from Hilton Head on the 22d inst., has arrived.

The expedition from Jacksonville, Florida, had explored the whole country on the east side of the St. John's river for 150 miles.

Two blockade runners were captured at Smyrna with 200 bales of cotton on board.—Some four or five thousand cattle were also captured. A great many loyal Floridians were enabled to escape from the swamps.

The Convention at Beaufort had chosen delegates to the Baltimore Convention, headed by Gen. Saxton.

The monitor Montauk, one of the vessels which recently attacked Fort Sumter, had arrived at Port Royal for repairs. The action lasted through the thirteenth and fourteenth inst.

Two casemates of Sumter were opened and a large portion of the new parapet tumbled into the water. The south portion of the face of Fort Moultrie was also knocked down. Our batteries on Morris Island were somewhat injured by the rebel fire.

The attack was still going on at the latest dates, and it was expected the effectiveness of Sumter would be entirely destroyed.

An expedition sent to James Island had captured several rebel pickets.

XXXVIIIth Congress---First Session.

HOUSE OF REPRESENTATIVES.

WASHINGTON, May 25.

The House rejected the report by a vote of 25 yeas to 121 nays, and ask another committee of conference.

The Speaker laid before the House the reply of the President to the resolution adopted yesterday, enclosing correspondence between Secretary Seward and Mr. Dayton, relative to the House resolution against the French invasion of Mexico.

Secretary Seward says it is pratically an executive question, and not belonging to Congress to take action in the premises, and that while the President receives the unanimous declaration of the House with the profound respect to which it is entitled, he directs Mr. Dayton to inform the French Government that he does not intend to depart from our heretofore enunciated policy concerning the French occupation of Mexico.

It appears that the French Government was much exercised by the resolution, but Mr. Dayton's explanations quieted the excitement.

On motion of Mr. Davis, (Md.,) the correspondendence was referred to the Committee on Foreign Affairs and ordered to be printed.
