NARROW ESCAPE. - During a heavy thunder storm, a few days ago, a boy named Sullivan, of Sullivan county, took shelter under a hemlock tree. The lightning struck the tree, and passing to the ground, tore the boy's boots off his feet, but he escaped injury.

THE STATE TOURNAMENT OF Wisconsin Firemen is to be held at Fond du Lac on the 24th and 25th days of August next. It is understood that a large number of companies will be present to compete for the prizes. Chief Engineer Harris, of Chicago, Illinois, has signified his intention to be present, accompanied by the splendid new steamer Frank Sherman. It will probably be one of the largest tournaments ever held in the West.

DURING the recent battles, as our troops lay behind their fortifications on James river, and the continuous crack of the enemy's rifles was heard on our front, a soldier began the patriotic song, "Rally round the flag, boys," and almost instantly thousands joined, and as "The Union forever, hurrah, boys, hurrah, Down with the traitors and up with the stars,' rang out upon the night air, the wildest enthusiam was excited all along the line.

SUNDAY FISHING .- Fishing on the Sabbath has been carried on to such an extent along the creek and canal that the attention of our constables has been drawn in that direction Yesterday a party of boys narrowly escaped drowning. Officer D. F. Hoffman has determined to arrest every individual that he may find engaged in violating the Sabbath by fishing, and says that he will not be a "respector of persons," and will favor no one .-Sunday fishermen will do well to abandon their lawless violation of the Sabbath.

HERR'S HOTEL-Change of Name and Proprietors .- The sale of Herr's Hotel may be regarded as one of the most important transters of real estate lately made in this county. The purchaser, Mr. [Harry Thomas, is a man of wealth, taste and enterprise, and is deterchanged from the Herr to the THOMAS HOUSE. Without any reflection upon the old name, we man who by his energy, integrity and enterdue to Hours m hand a second

and disorderly, were fined. The two men arrested last week, on a charge

of conspiracy to defraud Capt. Reichenbach, were before the Mayor, this morning. The Mayor demanded; \$2,000 bail from one and one \$1,000 from the other, in default of which

they will be committed for court. Maria Dorsey, (colored,) for disorderly conduct went to prison for 48 hours.

Franz Hoffman, a professional rag-picker and vagrant, was discharged, on condition that he leave the city.

John M'Lean, drunk and disorderly, was ined and discharged.

John Coleman, an incorrigible youth of 11 years old, was handed over to the city authorities by his mother, who requested them to send him to the house of refuge. His father, however, appeared, and the boy was given into his care.

Augustus Raber, for beating his horse, was bound over for Court.

Oscar, Beatty, a suspicious character; was discharged, and ordered to leave the city.

DESERTION 'AND ROBBERY .-- On Monday of last week, Mr. G. W. Hilton, of Carlisle, hired to several soldiers from Carlisle Barfacks, a span af horses and a barouche to come to Harrisburg. A mulatto driver was sent with them. On arriving here, the party stopped at Peters' hotel, where they remained until Tuesday morning, after which time nothing was heard of them, until to-day, when the driver, with one soldier (a drummer, boy) and the team arrived here. It appears that the soldiers paid the driver one hundred and

forty dollars for the use of the team, and presented him a suit of new clothes for his services. They traveled eastward as far as Reading, and then returned towards this city.-Last night, when this side of Hummelstown, the mulatto was badly beaten; robbed of all mined to put the immense edifice in thorough | the money in his possession, and then left at repair, stock it with elegant furniture, and the side of the road. The soldiers then drove then place the establishment in the hands of to this city, hitched the team on one of the competent persons. When this is done, the streets, and all but one left, probably on one house will become, as in days of yore, one of of the early trains this morning. The rethe most popular hotels in Pennsylvania. We maining soldier (the drummer) then took understand also, that the friends of Mr. T. charge of the horses and carriage, drove to insist that the name of the hotel shall be where the wounded driver had been left, and brought him here. Mr. Hilton recovered his team here to-day, and the young soldier is approve of this change, as being due to a probably, ere this, at Carlisle. Three soldiers who hired the team are yet at large, and are prise, has risen to substantial wealth and considered deserters. Should they be caprespectable position. Such a monument is itured, no doubt they will' receive the punish-
