RAPIDITY OF CURE

Some say, "Your cures are too quick," while others doubt their permanence, and think that disease can only be cured by the "slow recuperative process of Natura."

This is our reply:

In health, the body, like a well-balanced scale, is in a state of Equilibrium. But when from any cause down goes one side of the scale, we have the effects of disease. What is requisite is, to restore the normal balance of the scale. The principal agent they employ in the treatment of disease, namely, Eloctricity, is an agent wonderful in its phenomena and powerful in its effects for good or til. It is an ever present, all-perviding principle; governing all things, from rolling worlds down to the invisible particles of gasseonis matter. We see thin the lightning's flash and hear the manifestations: of its power in the multering thunder, by its the cause of all decomposition, recomposition and transformation. It excites all motion. It is the exciting cause of life, growth, decay and death? It causes secretion, excretion, digestion. It lays hold of the crude field in the stomach, converts it into a state of fluidity, transmutes it into arterial blood, and sends it on its important office of supplying nutriment according to the present agent through which the mind acts upon the bodys it is the cause of all causes except the first great cause. They render the Gums hard and healthy; neutralize the acid secretions of the mouth, (thereby removing the prime cause of decay). By their detersive proporties they presorve the natural color of the Teeth, without in the least degree injuring the enamel, while they impart to the breath a fragrance peculiarly aromatic and pleasant.—In fact they are THE BEST ARTICLES in tax for the purposes named, as a fair trial will fully demonstrate, and as has been abundantly proved by their extensive sale in this community during the last 14 years; and which will be readily testified to by many who have repeatedly urged the Proprietor to still further extend their sale and usefulness. They are warranted to be free from these destructive acids which so frequently contaminate many of the preparations of the present day. A REVOLUTION IN MEDICINE.

What may seem almost incredible, is, that many diseases hitherto considered hopelessiy incurable are frequently cured in a few days or weeks, and we cheerfully invite the investigations of the liberal minded, and scientifie to cures which have no parallel at the present day. Our medicine is peculiar; by it this said of any disease is directly reached, and the equilibrium restored.

Those who have suffered long from painful and obstinate diseases, those who have vainly sought refer from advertised medicines, those who cannot be carefully wither hysticians.

physicians— ARE INVITED TO USE CONTRITUTION LIFE SYRUP. During the past five years we have contended with do stacles and overcome opposition as herculcan as were even encountered by any Réformers. **Rats comSold by all Druggists everywhere

ELECTRICITY. RS. WYETH and CREAMER, Eclectic

PRS. WYETH and CREAMER, Eclectic and Electropathic physicians, respectfully offer their professional services in all the various branches of the profession, for the treatment of all acute and chronic forms of disease.

The remedial means they employ in the treatment of disease consist of Magnetism, Galvanism, Electro Magnetism, the Swidish method of Localized movement cure, a few Eclectic medicines when deemed necessary, and in fact all the natural curative agents that may successfully be brought to bear upon the disease.

They do not wish to be understood as arrogating to themselves any superiority of professional skill, but they before the remedies they employ in the treatment of disease far superior to those generally employed by physicians, from the fact that they confine human system. To this, and the fact that they confine themselves to no particular sality, or system, they attribute their success?
