## MEDICAL.

GLAD NEWS FOR THE UNFORTUNATE!  
THE LONG-SOUGHT-FOR  
DISCOVERED AT LAST.

### Cherokee Remedy,

AND  
CHEROKEE INJECTION!  
COMPOUNDED FROM ROOTS, BARKS AND LEAVES.  
CHEROKEE REMEDY, the great Indian, Symplocos, cures all diseases of the urinary organs, such as Inflammation of the Urine, Inflammation of the Bladder, Inflammation of the Kidneys, Stricture, Gravel, Gleet, Gonorrhoea, and is especially recommended in those cases of Fluor Albus (or Whites in Females) where all the old remedies have failed.

It is prepared in a highly concentrated form, the dose being from one to two teaspoonfuls three times per day.

It is diuretic and alterative in its action, purifying and cleansing the blood, causing it to flow in all its original purity and vigor; thus removing from the system all poisonous causes which have induced disease.

CHEROKEE INJECTION is intended as an ally or assistant to the CHEROKEE REMEDY, and should be used in conjunction with that medicine in all cases of Gonorrhoea, Gleet, Fluor Albus or Whites. Its effects are heating, soothing and stimulant; removing all scalding, heat, chordee, and pain; instead of the burning and almost unendurable pain that is experienced with nearly all the cheap quack injections.

It is the use of the CHEROKEE REMEDY and CHEROKEE INJECTION - the two medicines at the same time - all improper discharges are removed, and the weak organs are speedily restored to full vigor and strength.

For full particulars, get our pamphlet from any drug store in the country, or write us, and we will mail free, to any address, a full treatise.

Price CHEROKEE REMEDY, \$2 per bottle, or three bottles for \$5.

CHEROKEE CURE.  
THE GREAT  
INDIAN MEDICINE.

COMPOUNDED FROM  
ROOTS, BARKS AND LEAVES.  
An unfailing cure for Syphilis, Seminal Weakness, Nocturnal Emissions, and all diseases caused by self-pollution, such as Loss of Memory, Urinary Lassitude, Pains in the Back, Dimness of Vision, Premature Old Age, Weak Nerves, Difficulty of Breathing, Trembling, Watery Discharges from the Face, Pale Countenance, Insanity, Consumption, and all the direful complaints caused by departing from the path of nature.

This medicine is a simple vegetable extract, and one in which all can rely, as it has been used in our practice for many years, and with the most successful results. It has not failed in a single instance. Its curative powers have been sufficient to gain victory over the most stubborn cases.

It is the use of the CHEROKEE CURE, and the OREGON CURE, will restore you to health and vigor, and after all quack doctors have failed!

For full particulars, get a Circular from any Drug Store in the country, or write the Proprietor, who will mail free to any one desiring the same, a full treatise in pamphlet form.

Price \$2 per bottle, or three bottles for \$5, and forwarded by express to all parts of the world.  
Sent by all respectable druggists everywhere.

## LATER FROM GENERAL GRANT.

Fitz Hugh Lee Defeated.  
A SEVERE CAVALRY FIGHT.  
Sheridan in Possession of the Field.

A Number of Prisoners Captured.  
Gen. Wilson Engaged near Hanover Court House.

The Rebels Routed and Many Captured.  
BURNSIDE NEAR MECHANICSVILLE.

Washington, June 2.  
To Maj. Gen. Grant, Headquarters of the Army of the Potomac, June 1st, 1864.

It states that about 5 P. M. yesterday, Sheridan, perceiving a force of rebel cavalry at Coal Harbor, which proved to be Fitz Hugh Lee's division, attacked it, and after a sharp fight, routed it, together with General Lee's brigade of infantry, which came to Lee's support.

Sheridan remained in possession of the field. He reported that he had considerable number of prisoners, and that there were many rebel dead and wounded on the field. He was ordered to hold the position, and at ten P. M. the Sixth corps set out to occupy it. We have not yet heard from Wright or Sheridan this morning, and do not know whether the former has got his troops to their destination. Gen. Smith must be close upon Wright's column.

This morning the enemy were also moving a heavy column in the same direction. The order has just gone to Warren to fall upon their flank.

Wilson had a fight last evening near Hanover Court House with Young's brigade of cavalry, and routed it, killing and capturing many men; but there has been a good deal of artillery firing in that direction this morning.

Warren reported last night that in his fight of Monday afternoon, near Bethesda Church, Colonel Terrill, of the 13th Virginia, and Col. Wills, commanding Egan's brigade, were killed. Colonel Christian, of the 49th Pennsylvania, was wounded and captured, so was the Adjutant-General of Egan's brigade. His name is not reported. Several other commissioned officers were captured, and seventy prisoners. Sixty rebels were buried on the field.

On our side, Burnside reports his advanced line being this morning within a mile and a half of Mechanicsville. No other military intelligence has been received by this department since yesterday.

(Signed) EDWARD M. STANTON,  
Secretary of War.

WASHINGTON, June 2.  
The steamer "Atica" arrived this morning from the White House. She reports all quiet down there.

WASHINGTON, June 2.  
The friends of the Government are jubilant over the late news from General Grant. Troops were still being landed at Fort Royal, as late as Sunday and Monday last. These troops will do much toward Grant's support there.

No Government stores or property remaining at that point. There are but six male white citizens at Port Royal.

The steamer "New York" has been converted into a floating hospital, and will proceed to White House to be used for that purpose. She has accommodations for two thousand patients.

Much to the dismay of the Tories hereabouts, Baldy Smith has succeeded in joining Grant. They had been hoping that Lee would intercept him and gobble up his force.

There were a few contrabands arrived here to day by boat from the White House.

Operations of the Rebels at Fredericksburg.

WASHINGTON, June 2.  
It has been officially announced to the State Department that in consequence of the suspension of hostilities, the Government will not provide this time a grand public blessing, and especially if large additional means can be obtained for the suppression of the rebellion. The language of Gen. Grant, we must "fight the battle on this line if it takes all summer." He had no idea the war would be protracted by the South, and no moment after the rebel army shall have been annihilated, hostilities must be prosecuted until this takes place.

The primary object of this bill is to increase the revenue and at the same time nurture our domestic products from within. We will draw a larger amount of internal revenue. He explained at length the changes in the various rates now proposed, comparing them with those in the act which is a decisive victory, whenever it may come, will prove a sharp remedy for preventing the depreciation of the currency, but perhaps the most effective remedy would be to create the issues of legal tenders, and rely upon loans on United States stocks.

The Committee of Ways and Means, in proposing the present bill, did not see it to recommend prohibiting rates, for the most urgent reason that the Government needs revenue. The bill is a wise measure, and as such he believed the country would give to it their approval. Let us do right and justice to all the interests of the country and oppress none.
