MUSTER-OUT BOLLS made out by Sullivan S. Child, Claim Agent. je7-5t

YESTERDAY we noticed the wounding of Col. Zinn, of this city. It should have read Major

PENSIONS and bounties collected by Sullivan S. Child, Claim Agent. Office in DAILY TELje7-5t EGRAPH Building, Third street.

THE barn of Jacob Rife, of Monroe township, Cumberland county, was struck by lightning, on Monday, and, with its contents, entirely consumed.

Mr. John Buxton, who was for many years a baggage master on the Cumberland Valley Railroad, and well known here, was killed in the recent fight in the Wilderness. He belonged to the 7th Maryland volunteers.

OFFICERS' BACK PAY due them from the State of Pennsylvania promptly collected by S. 18. Child, Claim Agent, for FIVE PER CENT. 17-5t

FOUND. -A diary, containing a number of photographs, paper, &c., and supposed to belong to John Ferguson, Battery B, 1st Pa., Artillery. It can be had by calling at this office, and paying for this advertisement

Wounded.-Among those recently wounded in the army, we notice the name of Col. W. H. Boyd, of the 21st Peunsylvania cavalry; also, Capt. Ritter, of the 184th Pennsylvania regiment. Both of these gentlemen are well

day morning, at Bride's Curve, a few miles and a part of the track torn up. No person was injured.

Who is CAPT. BOWSTEDER?—We observe that the above Captain acted as the delegate from Dauphin county at the bogus Cleveland Convention. The oldest inhabitants of the county have never heard of the individual. He may be a very good man, and Captain besides, but nobody seems to know the fact:

George M. Lauman acted as the delegate from Berks county; but we understand he left with a hig fles in his ear.

ALL non-commissioned officers and private of the Penn'a Reserve Corps can have the back pay due them from the State of Pennsylvania promptly collected by Sullivan S. Child rent Office in Dates Treesal Building, Third street.

WE hear considerable complaint in certain quarters, that whenever the fire-plugs are used to supply the sprinkler, the hydrant water becomes cloudy, and in some instances-muddy, greatly to the annoyance of housekeepers. There must certainly be something wrong with the pipes, as the use of the plugs in the street should not cause the water to become unfit for use for several hours thereafter.

DANGEROUS PRACTICE.—A few evenings ago we noticed a number of boys climbing up on the stone wall at this end of the Harrisburg bridge, for the purpose of entering the bridge (we presume) without being observed by the gate keeper. This is a very dangerous practice, as the slightest mistake would cause the boys to fall to the ground below-a distance sufficient to produce serious injury.

THE patriotic ladies of Franklin county intend holding a fair in Chambersburg, commencing on Monday next and continuing throughout the week, for the benefit of the United States Christian Commission. On Friday and Saturday evenings "old folks" concerts will be given. Extensive arrangements have been made to render the fair the best ever held in the place. Mrs. Gen. Couch is President of the board of managers.

A TREAT. - In the midst of the perplexities and troubles attendant upon the breaking of our fast press, last night, the persons connected with the press-room were made the happy recipients of a very abundant supply of delicious ice-cream, to which all hands present did full justice. For this kind and substantial token of remembrance, they are under obligations to Mr. George Dress, of Third street. They take this method of tendering days, in default of bail. thanks for the same, and would advise all who want good ice-cream to give Mr. Dress a call,

LOOK OUT FOR THEM. -We caution our readers to be on their guard against an emission of spurious fifty-cent, notes (the new plate,) which have just been put in circulation hereabouts. They can be readily detected by obeighth of an inch shorter than the genuine; the words "fifty cents" which surmount the head of Washington are very pale and indistinct in the counterfeit, while the letters are very black and distinct in the genuine. The bronze circle around the head in the counter. feit can hardly be seen, while the genuine is a deep color. The spurious, though indistinct in all its outlines, is darker than the good."

Grand pictaic to be given at Haehnlen's Woods, on Saturday, June 11th 1864. This picinic will be given by the same gentlemen who managed the one at Hoffman's Grove on Friday and Saturday last, which was acknowledged to be the gayest of the season. The managers will use their best endeavors to eclipse their former efforts, and make this the pic-nic! A general invitation is extended, and we promise all to have a day of pleasant recreation and enjoyment. Come one! come all! Soldiers and civilians. je9-2t

WASHINGTON HOSPITALS.—Medical Inspecto Hamlin says that the statistics of the hospitals of the Washington Department for the last year show remarkable results. The ratio of mortality is less than four per cent., while the splendid hospitals of London exhibit a mor-tality of more than nine per cent, and those of Paris more than ten per cent. In the hospitals of Bosphorus, during the Crimean war the death rate was twenty per cent, and in those on the Crimea the rate was over four-

teen per centa- and it was. It appears from the petibelow York. Several cars were badly broken, stion sworn to by General BUTLER, that the property only amounts to \$200,000, and not \$2,000,000, as some papers, in their anxiety to injure General Burner, by slandering his dead brother, have stated.

Among the Banquets given yesterday by the people of Harrisburg to the Reserve Corps, we are led to refer to the entertainment given by Ex-Mayor Kepner to the remnant of the "Kepner Fencibles." We do this not to make invidious distinctions, but to refer to the melancholy fact that of the hundred stalwart and brave men who loft this city three years ago, only twelve were present to grace the board and enjoy the hospitality of the man from whom their company derives its name. These twelve war-worn, bronzed and wounded veterans were entertained by the ex-mayor in a most princely style. His entire family vied with each other to do honor to their heroic guests. His good lady could not do enough o put them at ease, and make them all feel welcome. The ex-mayor himself was in his element; truly at home with his friends, the veterans. Those who are left of the Kepner Fencibles will long remember this banquet. Its memory will serve as the evidence of the gratitude in which all true men regard the
