Another brilliant match for the championship has been arranged between Gplutnwait and Kavanagh, to take place during the fall. The Sportsmen's convention met last even ng and appointed the usual committees. Mr. O. R. Gerald, of Niagara Falls, was elected President; Sol. Bowles and John L. Jewett, Vice Presidents. The enert of the news of the passage of the gold bill was to send gold down to 1951.

A rumor of the capture of Fort Darling also assisted in the fall. The stock market was firmer at the last board, on Erie, Hudson River and Mariposa, but the balance of the list was dull and slightly off in some respects. It is understood that a large number of bids for the lean, were sent forward to day, ranging from 105 to 1061. Gold closed at 196, after being down to

The steamship Ocean Queen sailed hence on the loth inst for Aspinwell, having on board 217 sailors, mostly transferred from the army to the navy, and 500 passengers. HOUSE OF REPRESENTATIVES. Mr. Alley, (Massachusetts,) from the Committee on Post Offices, and Post Roads, reported a joint resolution empowering the Postmaster General, in his discretion, to extend the mail contract with the present contractor, commonly known as the Overland Mail Company, for one year from the 1st of July at any pany, for one year from the 1st of July at existing rates.

sting rates.

Mr. Alley said it was considered best for the interests of all parties that the contract should be extended one year, as in the present state of the currency it was impossible to determine what the service may be worth. The Postmaster-General had advertised for bids, and the time expires to morrow; hence the importance of prompt action on the resolutions.

Mr. Stevens (Pa.) desired its postponement in order that it might be ascertained what the

Mr. Shannon (Cal.) said, while the mail service from Salt Lake to California is well performed, the service on this side of Salt Lake is a notorious failure and outrage. There ought to be more efficiency and respon-

Mr. Alley (Mass.) replied that what the gentleman last stated had nothing to do with the pending proposition which is provided for continuing the contract only one year, whereas, if the contract under bidding was awarded for four years, the contractor-might obtain a much larger sum.

The passage of the resolution would save hundreds of thousands if not millions of dolars to the Government. The resolution was read twice, but as objec-tion was made to the third reading because it had not been engrossed, it went to the Speak-

er's table.

The House reconsidered the yofe by which recently the Senate gold bill, was laid upon Mr. Fernando Wood (N. Y.) asked the unanimous consent of the House to speak for ten minutes upon the subject, but Mr. Spauld-
