

cannot think of holding, for it lies directly under our guns.

JAMESTOWN, Va., June 16.

I came down from the Pontoon above Powhatan with dispatches for Secretary Stanton. Just as I left Capt. Pilkin reported to me that Petersburg was in our hands.

Nothing of recent date has been heard from Sheridan, but the Richmond *Whig* of the 15th, contains a dispatch from General Lee stating that Sheridan had been routed in an engagement with Fitz Lee Hampton, losing 500 prisoners and leaving his dead and wounded on the field.

A dispatch from General Sherman, dated last night at 9 o'clock, has been received. It only states the relative situation of the forces. No serious engagement has yet occurred.

Secretary of War.

Terrific Explosion at the U. S. Arsenal.

SEVENTEEN FEMALES BURNED TO DEATH.

WASHINGTON, June 17.

A terrific explosion occurred at the arsenal ten minutes before twelve to-day. Seventeen females, engaged in the laboratory, in the preparation of signal rockets, were horribly burned, and their charred remains it will be impossible to separate or recognize.

The building in which the fire originated was a wooden tenement, and was occupied altogether by females, two hundred and fifty of whom were employed at the time of the occurrence.

The firemen are now engaged in the ruins, and it is expected that they will find entombed under a huge tin roof which has not yet been removed. Ten females are known to be missing. It exceeds in horror the Jackson calamity.

The day is exceedingly hot and sultry, and several of those having relations in the arsenal have been overcome by the heat and the excitement.

The origin of the explosion is not known.

(Signed) C. H. GRAFFEN.

Reported Raid in Indiana.

MADISON, Ind., June 16.

It is reported that a rebel force of 300 men under Jenkins, crossed the Kentucky river into Trible county, 8 miles from Carrollton, last night, coming west.

TOWN AND COUNTRY.

LOCAL BOUNTY FOR CREDITS paid at Herr's Hotel.

A SPECIAL meeting of the Citizen Fire Company will be held this evening, to perfect arrangements for the picnic to be held by the company.

Now is the time to sow turnip seed. The agricultural journals say that any time from the 10th to the 30th of June will answer the purpose.

Lost—On the 17th inst., a dark-colored CANARY BIRD. A liberal reward will be paid for it if left at this office, or for information that will lead to its recovery.

In McKean county they had a frost last Friday night, which destroyed all kinds of vegetables, fruit and grass. On a summit ice was formed a half inch thick. That must be a splendid farming country.

Reference to our police report it will be seen that a number of pickpockets have been arrested. It is hoped that they may meet their just deserts if there is the slightest evidence on which they can be held.

CATERPILLAR nests can be permanently and easily destroyed by firing a gun, charged with loose powder, and not wadded, into them. The muzzle should be held two or three feet from the worms' nest. No injury is done the trees, and the effect is complete.

ANOTHER PICNIC will be given at Haehlen's woods to-morrow (Saturday). Weber's String Band will be in attendance, and the management promises all to have a day of pleasant recreation and enjoyment. Omnibuses will run during the day from Third and Market streets.

THE Pennsylvania State Medical Society held its annual meeting in Philadelphia this week. The reports of the county societies show a very healthy condition in nearly every county in this State, and that during the past year scarlet fever had been unusually fatal, and prevailed to a large extent.

THERE was a tremendous gathering at Hoffman's woods, yesterday, the occasion of the Hope Fire Company's picnic. The best of order prevailed, and all present enjoyed the fun, and passed the day pleasantly. In fact it is said that the Hitters had the picnic of the season. No doubt the treasury of the company was handsomely replenished.

SERENADE.—We are indebted to the members of the Beethoven Club, under the direction of Prof. W. F. Weber, for a delightful serenade, last night. These gentlemen are proficient in music, and have won for themselves a reputation that is not confined to Harrisburg. The music of last night was charming, and such as can only proceed from instruments in the hands of such skilled performers as compose the Beethoven Club. We would recommend them to parties, picnics, &c., where good music is desired.

THE Pittsburg Sanitary Fair will close on Saturday of this week.

Our citizens can save five per cent. on their taxes by paying the same on or before the 20th inst., to the city treasurer.

THE Directors of the Paxton Fire Company are requested to meet, at the usual place of meeting, this evening, at 7 1/2 o'clock.

By order of C. F. VOLLMEYER, Chief Eng.

PARSON BROWNLOW is expected to pass through here to-morrow morning, en route for Pittsburg, where he will deliver an address in the evening.

HON. JOHN COVODE has been confined to his house for some time by a painful injury to one of his limbs, received by being thrown from his horse.

YESTERDAY was one of the warmest of the season—the mercury reaching 92 deg. A thermometrical table will be found at the head of our local department daily.

THE Philadelphia and Reading railroad company will issue excursion tickets to Philadelphia at reduced rates during the continuance of the Great Central Fair. The tickets will be good for four days.

A SMALL colored boy was drowned in the basin near the furnace, on State street, on Wednesday night. He was not identified. An inquest was held, and a verdict of "accidental drowning" rendered.

THE Susquehanna is very low, again. The rafting season has been brought to a close. There is nothing on the river to attract attention, except a few boats used by fishermen, and the ferry to Independence Island.

Now, when our markets are so abundantly supplied with vegetables and the early fruits, our citizens should guard against too free use of them. A little abstinence in regard to food, may prevent the payment of numerous doctor bills.

ACCIDENT.—A few nights ago a flagman named John Olyver, on the Pennsylvania railroad, was so severely injured at Derry Station, near Pittsburg, that he died in a few hours after the accident. He was caught between two cars, and had his back broken.

THE picnic of the Vine Street M. E. Sunday School will not be held on next Thursday, as advertised, as it is impossible to obtain cars to convey the party to Derry on that day. It will, however, take place the following week, on a day to be announced hereafter.

CITIZEN FIRE COMPANY, ATTENTION!—There will be a special meeting of the Citizen Fire Engine and Hose company this (Friday) evening at 7 1/2 o'clock, to make final arrangements for the picnic on Wednesday next. Punctual attendance of members is requested.

WHERE ARE THE HENSLEY'S?—If there are any refugees named Hensley in Harrisburg, or vicinity—they are informed that their families are in a destitute condition, in Greencastle, Franklin county, and are anxious to hear from them.

THE hay-making season is at hand. Our farmers are about commencing to cut down the heavy crops of grass that adorn the meadows and fields. It is said that there will be an abundance of hay made this season—a fact that must be very gratifying to farmers.

THE Reading Times says Sanford has been drawing crowded houses there, and that his troupe is the best now traveling, and deserves to be patronized. True.

Sanford's troupe will appear at the Opera House to-morrow evening, for one night only. Go and see them.

THE Great Central Fair at Philadelphia will be continued during next week, and perhaps longer. We would advise everybody to visit it if they desire to witness the grandest exhibition ever gotten up in the United States. No idea of its magnitude can be framed by those who do not visit it.

GOSE HOPE.—Nearly all the Reserves have departed for their homes—having received their pay, and their discharge papers. No doubt these braves would receive a hearty welcome at the hands of their families and friends. Their heroic deeds on the field of battle will never be forgotten, and the account of their achievements will form one of the most interesting departments in the history of our country.

POLICE AFFAIRS.—Before the Mayor.—Abijah Wilson, John Steese, John Chugg, and Sarah E. Hart were arrested at the depot, by Officer Campbell and others, as suspicious characters. They were escorted to the lock-up, where they remained until this morning. There is no doubt that this party is composed of professional pickpockets. During the night they managed to throw out of the lock-up a bunch of keys of all shapes and sizes, such as would be a valuable acquisition to the implement of any pickpocket or burglar in opening carpet-bags, trunks, &c. These keys were found by the police, and handed over to the Mayor, and may be the means of confirming the suspicions that are entertained against the party. All of the individuals above named, except Hamill, were re-committed for a further hearing.

Ellen Johnson, a female found in company with the above crowd, and engaged in conversation with them, was also arrested, and although she persisted in denying all knowledge of them, the Mayor considered her a fit subject for further hearing, and she was re-committed.

Charles Fields and Thomas Rowe, another party of suspected pickpockets, had a hearing this morning, and were re-committed to the toils for further hearing.

OFFICERS' back pay collected by A. C. Smith, Attorney at Law. Office, Walnut street, next door to the prison. j15-3t

THE prospects for an abundant peach crop are said to be very encouraging. Who will not rejoice to learn the fact?

THE Armstrong Democrat, the old Democratic organ in that county, has hoisted the ticket of Lincoln and Johnson.

THE Pennsylvania Railroad Company will continue to issue excursion tickets to Philadelphia during next week. Those going to the Fair should make a note of this.

DAN RICE'S High School, in which the pupils are all trained animals, will exhibit in Harrisburg, on Tuesday, June 28, afternoon and evening.

THE Provost Marshal, Commissioner and Surgeon composing the Board of Enrollment in this district, are in session at Sunbury, hearing the reports of the drafted men of Northumberland county.

NEW ICE CREAM SALOON.—Mrs. David Brindle, has opened an Ice Cream and cake saloon, at her residence, corner of Raspberry alley and Chestnut street, where the best cream and cakes of all descriptions are constantly kept on hand. Give her a call.

Go to Henry Gilbert's Hardware store, opposite the Court House, and see the new Barometer; they foretell the weather accurately from 12 to 48 hours in advance. Every person should have one. j15-2w

LOST OR STOLEN, on Monday evening, 13th inst., a gold ring encircled with a band of dark burn hair, chased edges, and on the plate is engraved "Susie." A reward of \$10 will be paid to any person leaving the same with the proprietor of the Franklin House, and no questions asked. j15-2t

DRY GOODS.—I will, this day, commence to sell off my entire stock of summer dress goods, such as lawns, delaines, challies, alpaca, mozaibiques, poil de chevre, poplins, and also a large lot of romants—they will be sold at and below cost. Call soon.

SOL BROWNOLD, Corner Second and Market, opposite Jones House. j17-1w

At a meeting held by the Paxton Fire Company, No. 6, the following resolution was unanimously adopted:

Resolved, That the thanks of this company are hereby tendered to the Pennsylvania railroad company, and especially to W. H. Wilson, Esq., their efficient Chief Engineer, for the donation of a lot of fine stone for sills, &c., for our new Hall. B. J. SHOOP, Secretary.

In another part of this paper will be found a lengthy but intensely interesting article, from the pen of Rev. T. H. Robinson, of this city, who but recently returned from the army. These notes from the battlefield give a description of what the Rev. gentleman witnessed during his visit to the front, where he earnestly labored for the welfare of the wounded and dying soldiers.

COL. DICK COULTER.—The Greenburg Herald says that this brave and worthy officer, who arrived at home some two weeks ago, is still suffering from the severe wound he received in one of the fights in the vicinity of Spotsylvania. It was from a minie ball which struck in the left breast below the nipple, and glancing upon the rib lodged in the fleshy part some distance back. The surgeon extracted it; but he had to be operated on two weeks afterwards for an abscess forming between the two orifices.

DISCHARGED.—John Wade, John Kelly, John Wilson, Robert Cully, A. Thompson, G. E. House and Edward Carney, who were arrested as suspicious characters a few days ago, were discharged this morning, on condition that they would leave the neighborhood. It is supposed that they were professional bounty-jumpers. They appeared to be in charge of a ringleader, who stated that he had brought them from Baltimore to enlist in the army. But it seems singular that they would leave a city which pays \$400 bounty to come here where no such sum can be realized.

ARREST OF A NOTORIOUS PICKPOCKET.—Last evening Officer Campbell arrested, among others, a notorious pickpocket, whose real name is Charles Strafford, but gave the name of George Hamill on this occasion. He has since been identified as the individual who robbed Mr. W. W. Boyer, of this city, near a year ago, and who was arrested for the crime and subsequently released upon giving bail to the amount of several hundred dollars. An honest citizen of this city was induced to become his security. The thief, (who then gave the name of Charles Moran,) failing to appear, a prosecution was about to be instituted for the amount of the bail money, but as Strafford is again in the hands of the officers of the law, the gentleman who became his security has escaped the payment of the money, much to his gratification. The pickpocket has been committed for court, and will doubtless receive the punishment he richly deserves.

MASONIC.—The Grand Commandery of Knights Templar of Pennsylvania, held their eleventh annual convocation at Carlisle, when the following officers were elected:

R. E. Sir H. Stanley Goodwin, Grand Commander; V. E. Sir Wm H. Strickland, Deputy Grand Commander; E. Sir Robert Pittman, Grand General; E. Sir Chas A. Bannart, Grand Captain General; E. Sir Chas M. Howell, Grand Prelate; E. Sir E. Cornman, Grand S. V.; E. Sir John Wallerchamp, J. W.; E. Sir J. G. Whitler, Grand Treasurer; E. Sir Alfred Creigh, Grand Recorder; E. Sir G. E. Fox, Grand St. B.; E. Sir E. Knapp, Grand S. W. B.; E. Sir Z. P. Birer, Grand Warder; E. Sir C. O. Mason, Grand Sentinel.

The next convocation will meet at Altoona, on the second Tuesday of June, 1865.
