PRIZE BEEF-Mammolh Steer.-That well known stock-raiser, John Noble, Esq., of Oarlisle, has sold to Mr. John Baulus, of this city, a mammoth steer, weighing three thousand pounds, for the handsome sum of three hundred and fifty dollars. The animal was fed three years by Mr. Noble, and is but one of numerous specimens of cattle fed by that gentleman. The thanks of our citizens are due to Mr. Baulus for his efforts to suply them with a superior quality of meat, and we have no doubt that when this prize beef is displayed at market there will be a great demand for it. Mr. Baulus will exhibit the mammoth steer at his place of business in this city during the next ten days or two weeks, and invites the public to call and see him. At the end of that period the animal will be slaughtered, and the beef offered for sale at Mr. Baulus' stand in market. je18-d4tw1t

POLICE AFFAIRS.-Last night the police, in a body, made a descent upon a notorious den of iniquity kept by Lizzie Jones, and captured Lavina Wilson, Catharine Rhodes, Anna Wilson, Anna Allen, Jennie Barnitz, Mary Webb and Mary Johnson, besides several men, citizens and strangers. Lavina Wilson and the men arrested, were held in bail, to appear as witnesses, and the balance of the party were bound over for appearance at court. The gay Lizzie was "not at home," and escaped arrest. The public will rejoice to learn that one of the officers of the law will continue to pounce left within the limits of our city, the reputacount of the numerous houses of ill-fame that have been permitted to exist here.

Two drunks and disorderlies, were discharged upon payment of fine and costs.

Harriet Harris, (colored,) found in company with a white man, in the suburbs of the city, was sent to Fort Simmons for ten days, Ellen Jones, colored, arrested for disorderly

They recommend that the best plan for all to pursue is to purchase only one-half a hole into the mine, where it run down a their usual quantity of meat, and make up for man's back and tore a heel off one of his it by eating other food, quite as nourishing and less expensive. The family physician in many instances has been called upon for an opinion, and decided that animal lood of this season of the year was more injurious to the human system than the farinaceous and vegetable food that may be obtained at cheaper

rates. A SAD ACCIDENT occurred on the Lebanon

Valley railroad on Wednesday evening of last week. A deaf and dumb girl, 8 years of age, daughter of Mr. John Hinnershitz, of Spring township, was struck upon the head by the bumper of the engine attached to the Harrisburg Accommodation train, on the Lebanon Valley Branch, about 11, miles west of the Schuylkill bridge, and instantly killed. The fireman noticed her upon the track, and gave warning to the engineer, who endeavored to stop the train, but unsuccessfully, as there is a heavy down grade at that point, and the poor child could not hear the sound of the whistle. She was picked up and carried home by her father, who was in an adjoining field at the time.
