TOWN AND COUNTRY.

The business places of Lebanon will be closed on the 4th of July.

Capt. Samuel R. M'Kesson, recently of the 77th Penn'a regiment, died, in Chambersburg, a few days ago.

At Hand.—Hay making is here once more. Owing to the high price of hay, it will be gathered very cleanly.

By reference to the head of our local department it will be observed that this has been one of the warmest days of the season.

Local affairs are extremely dull—nothing worthy of note is transpiring. The excessive heat has driven our people into their houses.

We learn that some of the Sunday schools of this city will celebrate the 4th of July, by picnic-ing. They will doubtless have a pleasant time.

We notice that some boys make it a practice to tear down bills posted throughout the town. There is a pretty heavy fine for doing this, and boys should "keep hands off."

The Chambersburg *Repository* says:

Sanford, with his inimitable Troupe, gave two concerts in Franklin Hall, on Monday and Tuesday evenings last, to crowded audiences.

The man who don't take the papers was in town last week, and said he "larned that Lee had taken Richmond, and that eleven thousand out of one regiment had been blowed up." He expressed great fears that Grant would yet capture Washington.

Fatal Accident.—Mr. Michael Null, an aged citizen of East Hanover, this county, died last evening, (Wednesday,) from the effects of injuries received by falling from a load of hay. His sufferings were most intense, and he survived but two or three hours after the accident occurred.

Check at Sight.—On Saturday afternoon a fellow, in passing three soldiers on the street, said: "There goes three of Lincoln's hirelings who work for $13 per month." Upon hearing this, one of the soldiers turned around, and without saying a word, knocked the copperhead down, and then passed on.

A countryman hailing from Williamsport, Pa., and named Benjamin F. Wheelan, was arrested on a charge of passing a counterfeit $50 treasury note, in Philadelphia, on Tuesday. Wheelan said he did not know it was a counterfeit note; he received it from a man in Williamsport in payment of wheat. The prisoner was held in $1,000 bail for a further hearing this afternoon.

Wheelan had a subsequent hearing and was honorably discharged.

Police Affairs—*Before the Mayor.*—The following cases were disposed of this morning:

Samuel Jones and John Vanderworker, arrested for drunkenness, were sent out of the city. They had no money with which to pay their fines. Samuel and John were found in a car at the railroad, and were beastly intoxicated.

Augustus Raber and wife were arrested on a charge of keeping a house of assignation on East State street They gave bail for their appearance at court.

The Citizen Fire Company had *the* pic-nic of the season yesterday. It was largely attended, and is said to have been the most orderly and respectable gathering of the kind held this summer. There was no drunkenness, no fighting, no rioting. Improper characters did not mar the pleasure of respectable people. The Citizen boys deserve great praise for their efforts to maintain order, and will doubtless have no cause to regret the stand they have taken in regard to the admission of visitors to the ground.

Another Brave Soldier Gone.—The Huntingdon *Globe* says: "On Monday we received a telegram from the Chaplain of Seminary Hospital, at Alexandria, Va., that John B. M'Ilroy, of Jackson township, member of the 45th Regiment P. V., in General Burnside's Corps, wounded on the 3d of this month, was dead, and his body would be embalmed and sent home. Mr. M'Ilroy was one of the best citizens of the township, a truly loyal man, and felt it his duty to volunteer. He leaves a wife and many relatives and friends to mourn his death."

Apologetical.—We are about to make some changes in the mechanical department of the *Patriot and Union*, which will require a considerable amount of extra labor. If our local columns contain less than the usual quantity and variety of items for a day or two, our readers will know why.—*Organ of Yesterday*

The *Organ* appeared this morning, considerably *reduced in size*—its columns narrow and shorter than formerly. Of course "readers will know why" it contains less reading than formerly. We cannot see where the "extra labor" comes in. We have heard of journals where the printing was done upon blotting paper, and applebutter was used for ink, but think they would appear respectable if compared with the *Organ* of this morning. One side cannot be read at all, and the other is a regular daub. Like its party, the *Organ* is "growing smaller by degrees," and as ugly as sin.

Death of Patrick Campbell.—We learn that Patrick Compbell, of Company G, 55th Penna. regiment, is dead. Deceased belonged to this city, and was a brother of Mr. Barnard Campbell, chief of police.

Mrs. J. Hibbs. No. 8, Market Square, is disposing of her stock of Summer Straw and Millinery goods below cost. The ladies of Harrisburg would do well to call early to get bargains. je23-3t

Another Accident.—Mr. Adam Taney, Jr., residing in Fairfield, Adams county, met with a serious accident a few days ago, whilst attempting to open a shell, found in one of the fields. The shell exploded while working with it, and some of the fragments struck him in the feet, which may cripple him for life.

Eighty First Anniversary of Dickinson College.—The anniversary exercises of this honored institution will commence on Sunday next, (the 26th,) and will no doubt be deeply interesting. The following is the programme of this anniversary:

Baccalaureate address, Sunday, June 26, 12 o'clock, M, President H M Johnson, D D. Sermon before the Society of Religious Inquiry, Sunday, June 26, 8 o'clock, P M, Rev Jesse T Peck, D D. Junior Prize Contest, Monday, June 27, 8 o'clock, P M. Oration before the B L and U P Societies, Rev J Walker Jackson. Poem before the B L and U P Societies, Albert H Slape, Esq. Tuesday, June 28, 8 o'clock, P M. Alumni Address, Wednesday, June 29, 8 o'clock, P M, Rev Wm A Snively, A M, Class of 1852. Commencement, Thursday, June 30, 10 o'clock, A. M.

The citizens of Gettysburg, at a public meeting held with reference to the celebration of the 4th of July, adopted the following resolution:

Resolved, That invitations be extended through the papers of the country to the charitable, benevolent and industrial associations, and the public generally, to join the celebration of the Anniversary of the battle of Gettysburg, on the Fourth of July, and that a special invitation be extended to his Excellency, Andrew G. Curtin, Governor of Pennsylvania, to be present and preside.

The Gettysburg *Sentinel* says Governor Curtin has accepted the invitation, and will be present at the celebration.

The Duties of the Extra Police.—We have been requested to inquire whether the extra policemen lately ordered by Council, and paid for by the people, are to constitute a body-guard to hover around the doors of the Mayor's office, squirting tobacco juice over the side-walk, and indulging in profanity, or whether it was not clearly understood that these policemen should remain in the wards for which they were appointed, and there earn the money by actual service in assisting to maintain the public peace and order? In some of the upper wards a policeman never shows his face, except when they go to their meals or to their lodgings. The tax-payers have a right to the services of all these officers, and our good-looking and always affable Mayor needs no such ornaments about his office. We trust, therefore, that Mayor Roumfort will insist that each officer remains on duty in their respective wards, and that henceforth we will hear of no more robberies, knock-downs, riots and other disturbances in the outer wards of the city.

Are we governed by the rule of an Austrian, or the simple ordinances of the city council? This plain question was asked by a great many plain people this morning, after they had read the order of His Worship, the Mayor. It has been the practice of the organs of the Democratic party to berate the national authorities and State Government, for whatever vigor they displayed to crush traitors. The war has been denounced as a bloody crusade on the people of the South, and the suspension of the writ of habeas corpus to prevent traitors from carrying out their designs on the Government, characterized as a despotism unalleled in the history of the country. Yet, in the face of all these facts, the Democratic Mayor of a Democratic city arrogates to himself a power which tyrants pause before they assume. He has fixed the hour for people to go to bed, and will doubtless next decide how often a man shall kiss his wife, or hug his sweetheart, and fix the mode of spanking refractory children and controlling independent servants. Verily, these Democratic great men, when in power, are wonderful fellows. Like the beadles of old, the Mayor of Harrisburg grows in weight and importance with the increase of his years and the exercise of his power.

Grand Council of Royal Super-Excellent and Select Masters.—The eighteenth annual assembly of this grand body held its session in Carlisle on the 14th and 15th of June, 1864, eighteen councils being represented.

The annual election of officers was held, and resulted in the selection of the following persons:

M P Alfred Creigh, G M, of Washington.
Ill. Comp. C T Knapp, D G M, of Bloomsburg.
" " Isaac Whittier, T I G M, of Pittsburg.
" " Wm Chatland, G P C of W, of Brownsville.
" " H Stanley Goodwin, G Treas, of Harrisburg.
" " H C I Crecelius, G Rec, of Reading.
" " Robert Pitcairn, G Lecturer, of Altoona.
" " Rev H M Johnson, G Prelate, of Carlisle.
" " M Richards Muckle, G M, of Philadelphia.
" " C C Mason, G Sentinel, of Altoona.

Two new charters were granted—one for a council at Lancaster city and another at Easton.

This grand body also incorporated the Super Excellent Master as a constitutional degree.

This was one of the most important and interesting meetings ever held.

Go to Henry Gilbert's Hardware store, opposite the Court House, and see the new Barometer; they foretell the weather accurately from 12 to 48 hours in advance. Every person should have one. je16-2w

Prize Beef—*Mammoth Steer.*—That well-known stock-raiser, John Noble, Esq., of Carlisle, has sold to Mr. John Baulus, of this city, a mammoth steer, weighing three thousand pounds, for the handsome sum of three hundred and fifty dollars. The animal was fed three years by Mr. Noble, and is but one of numerous specimens of cattle fed by that gentleman. The thanks of our citizens are due to Mr. Baulus for his efforts to supply them with a superior quality of meat, and we have no doubt that when this prize beef is displayed at market there will be a great demand for it. Mr. Baulus will exhibit the mammoth steer at his place of business in this city during the next ten days or two weeks, and invites the public to call and see him. At the end of that period the animal will be slaughtered, and the beef offered for sale at Mr. Baulus' stand in market. je18-d4twlt

Go to Bowman's.—The attention of purchasers is respectfully invited to C. L. Bowman's stock of dry goods, at the corner of Front and Market streets.

SPECIAL NOTICES.

Bannvart's Troches.

For the cure of Hoarseness, Throat Diseases, &c., are specially recommended to ministers, singers and persons whose vocation calls them to speak in public. Manufactured only by C. A. Bannvart & Co., Harrisburg, Pa., to whom all orders should be addressed. Sold by druggist every where.

Read the following testimonials from some of our eminent clergymen:

Harrisburg, Feb. 8th, 1864.

C. A. Bannvart—*Dear Sir:* I have used Brown's Bronchial Troches, Wistar's Lozenges and other preparations for hoarseness and throat troubles, and in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in time of need, most effectually.

Yours truly, T. H. ROBINSON,
Pastor of N. S. Presbyterian Church.

☞I agree with Mr. Robinson as to the value of Bannvart's Troches.

W. C. CATTELL,
Late Pastor of O. S. Presbyterian Church.

Harrisburg, Jan., 1, 64.

To C. A. Bannvart—*Dear Sir:* In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that want has been supplied in your excellent Troches.

I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public addresses. Yours, &c.,

JNO. WALKER JACKSON.
Pastor of the Locust St. Methodist Church.

To C. A. Bannvart—*Dear Sir:* Having used your Troches, I am free to say they are the best I have ever tried and take great pleasure in recommending them to all persons afflicted with sore throat or huskiness of voice arising from public speaking or singing.

Yours, &c., G. G. RAKESTRAW,
Pastor of Ridge Avenue Methodist Church.

District Attorney's Office,
Harrisburg, Feb. 29, 1864.

To C. A. Bannvart—*Dear Sir:*—I have found your Troches to be invaluable in relieving hoarseness and in strengthening the muscles of the throat. They impart clearness to the voice, and are certainly of great benefit to all public speakers. A. J. HERR

EXTRAORDINARY DISCOVERY.

ORIENTAL HYGRO BAROMETER,

OR

Natural Weather Indicator,

WITH A BEAUTIFUL THERMOMETER ATTACHED.

THIS simple and useful instrument is now offered for sale for the first time in the State of Pa., the undersigned having secured the right of sale in and for the following counties: Dauphin, Cumberland, Adams, Franklin, York and Perry, of Frisbee, Cook & Co., agents for the State, and are now prepared to sell the instrument at wholesale and retail. The instrument will tell with unfailing accuracy the hygrometical condition of the atmosphere, thus foretelling the changes of the weather from 12 to 48 hours in advance. The acting moving principle is the pistule of a flower, found in Syria, near Damascus, and is so *highly sensitive* that it is acted upon by the least change of the atmosphere. Persons familiar with natural science know that it cannot rain until the air is filled with aqueous vapor, which must condense to cause rain to fall; this moisture must exist in the atmosphere several hours in advance of the coming storm. No other Barometer manufactured will foretell with accuracy the approach of rain. But this NATURAL HOROSCOPE, the work of NATURE'S OWN HAND, fills up the void which man could not accomplish, and points its unerring finger to all changes of the weather, and has never been known to fail.

It is valuable to the Farmer, the Physician, the Clergyman, the Navigator, the Traveler, the Merchant, and everybody.

It is very simple to understand, and never requires any repairing. They are cheap, durable and reliable.

For sale only by agents, and at Knoche's Music store, No. 93 Market street. Price $3 75.

One of the instruments will be sent by express, on receipt of $3 75

LIQUID RENNET.

LIQUID RENNET yields with milk the most luscious of all deserts for the table; the lightest and most grateful diet for invalids and children. Milk contains every element of the bodily constitution; when coagulated with rennet it is always light and easy of digestion, and supports the system with the least possible excitement. When still greater nutritive power is desired, cream and sugar may be added. A teaspoonful converts a quart of milk into a firm curd. Prepared and sold, wholesale and retail by S. A. KUNKEL,
