A CORRESPONDENT requests us to insert the following: "William H. Gerbrick, of Dayton, Montgomery county, Ohio, is desirous of finding his parents, Jacob and Mary Gerbrick, whom he has not seen or heard from since 1846. Then they were living in Pittsburg, Pennsylvania. They had lived in Somerset and York counties, Pennsylvania. Any paper copying this notice will confer a great favor on a discharged soldier of the 15th Iowa Volunteer Infantry."

THE SECOND PRESENTERIAN CHURCH COM menced a series of meetings last evening, in the Masonic Hall, in Tanner's Alley, which will continue every evening during the week.

These meetings are preparatory to the communion, on next Sabbath, and will be found interesting to all who will attend them. The Sabbath school teachers and scholars, with others, are cordially invited.

The Rev. Wm. D. Johnson is here from the Ashmun Institute, who will assist in these meetings. Preaching may be expected every evening at eight o'clock.

Union Pic-nic.—A grand Union pic-nie will be held in Hoffman's Woods, to-morrow, (Thursday.) Extensive arrangements have been made to render it attractive, and there will doubtless be a large attendance. Returning, the train will leave the vicinity of the woods at half-past seven in the evening. Persons desiring to pass a day pleasantly in the country, should attend the Union pic-nic. Railroad fare for the round trip, twenty-five cents. No improper characters need expect to gain admittance to the ground.

THE SPORTING WORLD. - A match at pigeons came off on Saturday last, for a very fine rifle, between the gentlemen named below. The match resulted in a victory for Mr. Yerkinson, who killed five birds in five successive shots. The following are the figures:

"JULIA STONER'S PUMP."-Everybody in Harrisburg who esteems a glass of pure, cold water as the healthiest of beverages, will rejoice to learn that Mr. John Donner has placed a new pump in lieu of the old stock occupying the well on Walnut street, between Third and Fourth. Mr. Donner has done this at his own expense, and intends to keep the pump and well in constant repair, for the gratuitous use of his friends and fellow-citizens. One such act as this is sufficient to win for any man the gratitude of an entire city, and more than one thirsty travellen will going well through the army, and all in good.

THERE was a large attendance at Dan Rice's show, yesterday, and in the evening the mammoth pavilion was densely crowded. Dan has good show.

Coat. - Pennsylvania is at present producing nearly 15,000,000 tens of coal annually, and, at the present price of coal, must be exacting an enormous annual sum.

THERE will be three elections this year; the first, for or against the Constitutional amendments, on the 2d day of August; the general election on the second Tuesday in October and the Presidential election in November.

YORK ITEMS .-- A stranger was knocked down, and robbed, on Wednesday night-the robbers leaving him for dead. --- On Monday morning, about 5 o' clock, John Schwemly, aged about 13 years, was drowned in the pond known as Smalls' quarry, not far from the York Classical and Normal Institute. Schwemly went into the water with some other small boys for the purpose of bathing, and not being able to swim, got upon a log which turned with him, when he rolled into the water which at that place is about twelve feet deep. No suitable persons were near at the time to render any assistance. Attempts to rob citizens are quite frequent in York. The thieves enter dwellings, and appear quite bold in their operations.

FROM THE 187TH REGIMENT. -The following is a correct report of the killed, wounded and missing of the 187th Regiment Pennsylvania Volunteers, in the engagement on Saturday, the 18th of June, before the city of Petersburg, Va. The information is derived from a private letter, of which the following is a brief extract: "The regiment went into the fight 800 strong, and came out with 583 men. 'The 1st Division of the 5th Corps, to which the 187th is attached, charged the rebel fort and rifle pits on the left wing. The charge was a brilliant one. The 187th reached to within eighty yards of the rebel works. We fought bravely, as the number of killed and wounded will show; but not being supported as we should have been, we could not get any further, but held our advanced line until morning, when we were relieved. The men, green as most of them were, rushed forward with a shout along side the old soldier. It is a glo-An order having been issued prohibiting the rious thought to us that, though the regiment was green, she stood up nobly for our country. I think the State may feel proud of the 187th. She felt proud of the 130th, and the 187th is another of the same kind, ever ready to bleed and die for the Union. Col. Joseph Ramsey and Major Merrick are both wounded. The number killed and wounded is 152; missing, 115. Total in the regiment, 267."

> IMPROVEMENT OF THE NORTHERN CENTRAL RAILWAY. The Baltimore American of yes terday says: "In order to a more expeditions and satisfactory transaction of the business of this railway, which for some time past has been very considerably increased, the Board of Diectors, with the President, unanimously resolved upon the laying of a double track the entire length of the road. A survey was made. and the contract for the work entered into with Mr. Cambreling. With but little delay the contractor made the necessary arrangements and such was the progress made that he was confident of reaching as far as Cockeysville by the 4th of July, and he would have done so but for the fact that, on last Thursday nearly all the hands suddenly suspended work, and declared they would not resume it until their wages were increased. This was necessarily refused, and they are still holding out, some of them, no doubt, for the reason that harvest time has arrived, and some, dur ing a few days or weeks, may make a little more money by change of employment. The friends of the Company indulge in the hope that such arrangements will be made as will soon result in the steady progress of the improvement. On several other divisions of the oad much has been accomplished in exca vating, filling and preparing the bed for the track, whilst large quantities of cross-ties and iron rails have been placed at convenient points ready for use."

HARRISBURGERS CAPTURED AND NOW IN RICH-MOND-We have been permitted to publish the following letter, containing a list of the names of Harrisburgers recently taken prisoners and now in Richmond, by the gentleman to whom it is addressed. It is of an importance which requires no further comment, and will inter est the reader who knew the soldiers to whom it-refers:

NEAR PETERSBURG, VA., June 25, 1864. MR. JONAS J. RUDY DEAR STR: -It is with deep regret that I have to communicate the intelligence of the fate of your sen, Edward Rudy. THE 79TH PENNA. VOLS.—By a letter dated June 15th, we learn that the 79th joined the army in the front on the 8th inst., and has been in line of battle ever since. The regiment is at Ackworth, Georgia. Colonel Hambright is still sick in the hospital. No casualties have occurred in the regiment since its arrival in the front.

THE 184TH PA. REGIMENT. - Various rumors have been afloat in regard to the recent casualities in the 184th Pa. regiment, we deem it necessary to state that there were but 230 men and officers in the regiment when sur prised by the rebels, and that 130 of that number escaped capture or injury, including three line officers, Capts. Jenkins, Bell and Brown. One hundred men and officers were captured by the enemy. Maj. Kleckner was sick, and not with the regiment, consequently is safe. The 184th has seen hard times since it left for the front.

BOUNTY JUMPERS ATTEMPT TO DESERT-One of Them Killed. - This forenoon, as the Northern Central Accommodation train was going southward, and when near Rockton, it passed through what is known as "Long Siding," in order to get around an obstruction that was on the main track. While the train was running slowly, two deserters, or bounty jumpers in charge of a guard of U.S. soldiers, leaped through the windows of the car and made off. They were challenged to halt, and paid no attention to the order. The guard fired, killing one man instantly—the other escaped, taking to the woods. The man killed was from Canada—a British subject—and had over \$200 on his person. He was put in a rough box and sent to Baltimore.

Another sad warning to bounty jumpers!
