A SOUTHERN paper advertises for "Hole makers on military coats." We think our soldiers are "answering the advertisement!"

BREATH TAINTED WITH ONIONS. Leaves of parsely, caten with vinegar, will prevent any disagreeable consequences of eating onions.

AT a meeting held on Monday evening last the Friendship Fire Company determined to hold a grand pic-nic on Thursday, the 11th day of August next. Don't fail to remember the Friendship boys on that occasion.

MULITARY RELIEF FUND.—The regular monthly payment to soldiers' families will be made on Friday, July 1st, at the Sheriff's o Downers, See'y. office, between the hours of four and six.

ALL persons entitled to pension, or bounty and back-pary, due deceased soldiers, can have any information in regard to it gratis, by calling on Sullivan S. Child, Claim Agent, Harrisburg, Pa. Office in Daily Telegraph Building, Third street. ie30-d1w

ACCIDENT.-Mr. David Hollar, residing near Orrstown, Franklin county, had one of his feet entirely cut off by a reaper, on Monday, of this week. Amputation was rendered necessary, and was successfully performed, a short distance above the place where the foot was severed from the ankle.

Our citizens should not forget that the Paxton Fire Company will celebrate the 4th of July in Haehnlen's woods, where a grand independence pic-nic will be given. Encourage the noble firemen in their laudable undertaking, as the object is to raise funds to aid in the completion of their new engine house. Lend the boys a helping hand, by purchasing George J. Phillips. From the Schuylkill to a ticket to the Fourth of July pic-nic. See the Monongahela river, he was known by advertisement.

DESTRUCTION OF BAGGAGE.—It is annoying to persons traveling by railroad to witness the rough handling of trunks, etc., received by baggage masters and other employees about the depots. We have seen new and expensive trunks "pitched in," thrown about and piled up as though they cost nothing, and very frequently damaged to the amount of several dollars. If you object to your baggage being thus roughly handled, you will be very likely to have to take the impudence of such fellows also. If there was a way to reach such scamps, it would be well for the traveling public to make one or two of them pay for their care-

A STATED meeting of the Washington Hose Company, will be held at the Hose House, on Friday evening, at 8 o'clock. Punctual attendance is required.

GLORIOUS NEWS!-Rain commenced falling this forenoon and continued several hours.-From present indications we are led to believe that there is "more of the same sort" to come It is badly needed--let it come!

Our farmers have had splendid weather the past week for making hay. The grass was very heavy and the hay is of a particularly excellent quality. We have not heard much complaint of want of hands, although help is scarce. The many improvements in farm machinery, the past few years, enable farmers to get through with their work with much fewer hands than formerly.

The wheat is ripening very fast, and will be fit to cut in a few days. The heads are well filled, and the yield in this region will, we think, be above the average of other years.

Union Pic-nic Postponed .- Owing to the inclement state of the weather, the pic-nic announced to take place to-day, in Hoffman's Woods, has been postponed until Saturday next, when it will positively take placeweather permitting. The arrangements are such as to warrant this pic-nic the best of the season, and all who desire to have a day's healthful recreation should make it a point to attend. A large crowd had assembled in the grove this morning, but the pleasure anticipated was postponed by the rain. Mr. Young, the clever Superintendent of the Pennsylvania Railroad, has kindly agreed to furnish cars to carry visitors to the pic-nic on Saturday, without any extra charge. Do not forget the Union pic-nic on Saturday.

Notice!-At a meeting of the friends of the Sunday School cause, held in the Presbyterian church, (Market Square,) June 28th, The undersigned were appointed a committee to make arrangements for the meeting of the State Sunday School Convention, to be held in this city the last Tuesday in September:

A RICH SCENE AT A SCHOOL EXAMINATION. -A correspondent writing to us from Mechanicsburg, gives a long description of the graduation ceremonies in the young ladies' Seminary, in that village. We are sorry that we cannot publish the entire letter, but we have only room for a reference to a rich scene which occurred during the proceedings. It appears that among the scholars there, was a young sel" had conceived a terrible loathing for that abolition rag, the Stars and Stripes, declaring the platform delivering her composition she would trample it beneath her dainty feet. As dience presented her with a beautiful boquet, sented, and breathlessly awaited the result, But the blooming, saucy little tory, filled as she was with verdigris and secession impurity, blushed with conscious guilt as she gazed on the flag of her bleeding country, and hesitated even to frown on its brilliant folds and gorgeous colors. May she repent of her foolish declaration to trample on a flag which is the security of all she can hold dear as an American maiden, and live to become the mother of a squad of patriots and sturdy defenders of that flag and this country!

DEATH OF A FAITHFUL RAILROAD EMPLOYEE. -Those who have been frequenters of the passenger depot of the Pennsylvania Railroad at Philadelphia as travelers, have often had occasion to acknowledge the carefulness and the courtesy of the local baggage agent, Mr. travelers on the Pennsylvania Railroad as one of the most faithful men in the employ of that gigantic corporation. He seemed to understand but one thing during his business hours, and that was his duty-and in all his intercourse with the great traveling public, it is confidently asserted by those who associated with Mr. Phillips he never exchanged an angry word with man or woman, nor failed to treat all who came in contact with him, either socially or in a business way, as a gentleman and a lady. Now for the saddest portion of our task in preparing this paragraph. A few nights since, while Mr. Phillips was leaving the Philadelphia depot on the express train, and as he was in the act of jumping from the car in the neighborhood of his home, he fell, and was seriously injured by a wheel passing over several days, suffering with a serious wound, fully at rest in his grave; far away from the received while in charge of a railroad during | land of his birth, but still among friends who Lieut. THE FOURTH OF JULY.—A large number of young and beautiful ladies dressed in holiday attire, with love, joy and veneration expressed in every movement and representation, had assembled, long years ago, on our Capitol Hill-to celebrate that glorious day in our country's history that gave to down-trodden man liberty and protection in the pursuit of happiness. Is our obligation of gratitude less binding to-day, and why is it that our voluntary love of country has not given expression in some preparation for celebrating the coming birth day of American liberty? Read the following testimonials from some

of our eminent clergymen: Harrisburg, Feb. 8th, 1864. C. A. Bannvart—Dear Sir: I have used Brown's Bronchial Troches, Wistar's Lozenges and other preparations for hoarseness and throat troubles, and in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in time of need, most effectually.
