CONSTITUTION LIFE SYRUP

AREVOLUTION IN MEDICINE.

What may seem almost incredible, is, that many diseases hitherto considered hopelessly incurable are frequently cured in a few days or weeks, and we cheerfully invite the investigations of the liberal minded and scientific to cures which have no parallel at the present day. Our medicine is peculiar; by it the seat of any disease is directly reached, and the equilibrium restored.

Those who have suitered long from painful and obstinate diseases, those who have vainly sought relief from advertised medicines, those who cannot be cured by other physicians physicians— ARE INVITED TO USE CONTTITUTION LIFE SYRUP. During the past five years we have contended with ob-stacles and overcome opposition as herculcan as were ever encountered by any Reformers. RAPIDITY OF CURE.

Some say, "Your cures are too quick," while others doubt their permanence, and think that disease can only be cured by the "slow recuperative process of Nature."

This is our reply:

be cured by the stort receptant.

This is our reply:
In health, the body, like a well-balanced scale, is in a state of Equilibrium. But when from any cause down goes one side of the scale, we have the effects of disease.

What is requisite is, to restore the normal balance of the -CONSTITUTION LIFE SYRUP, A positive and specific remedy for all diseases originating from an IMPURE STATE OF THE BLOOD, and for all (hereditary) DISEASES transmitted from PARENT TO CHILD.

TAKE PARTICULAR NOTICE.

These are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and timbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, symptoms of consumption, &c.

Mentally.—The fearful effects on the mind are much to be dreaded—loss of memory, confusion of ideas, depression of spirits, evil forebodings aversion to society, self distrust, love of solitude, timidity, &c., are some of the evils produced.

YOUNG MEN Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when salesp, and if not cured renders marriage mossible, and destroys both mind and body, should be proposed in modiately.

MARRIAGE, MALKIACHS.

Reflect that a sound mind and body are the most necessary requisites to promotecommibial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE. When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, too often happens that an illimed sense of shame or the dread of discovery deters him from applying to those who from education and respectability, can alone befriend him. He falls into the hands of ignorant and designing pretenders, who, incapable of curing flich his pecuniary substance, keep him trifling month after month, or as long as the emails of each to be obtained, and in desmri lies we have him. the smallest fee can be obtained, and in despair leave him with rained health to sigh over his galling disappointment, or, by the use of the deadly poison.
