Rally, Freemen, for 100 Days A meeting of young men favorable to the organization of a first class company for 100 days' service, under Gov. Curtin's call. will meet in the (late) Mount Vernon Hook and

Ladder House, in Locust street, next door MANY YOUNG MEN. this evening. SUBSTITUTE WANTED. -- \$600 will be paid for

EMANUEL HORE, of York, was severely kicked by Dan Rice's blind horse, on Monday of last week, and is lying in a critical condition.

Council has passed an ordinance for the construction of a sewer on Walnut street, from High to Fourth.

Our citizens are requested to use the water sparingly, as the engines of the water house, which have been undergoing repairs, were not completed yesterday.

INFORMATION WANTED. -- Any person knowng the whereabouts of a young man who did carry on Upholstering in Chestnut street, in this city, will call at this office. - LOUNGE.

"GREENIES."-Green apples, fresh from the trees, were offered in market this morning, at the low price of forty cents per half peck. From their appearance we would suppose they would set a pig's teeth on edge.

To ARMS. YE BRAVES!—A fine opportunity is now offered to all persons who desire to serve their country for the brief period of a hundred days The Governor calls for twelve thousand men, to do guard duty. Let there be an immediate response.

THE PEOPLE MOVING. -The people are already responding to the Governor's call for one-hundred-day men. Arrangements are being made for the organization of companies, and we may expect to soon see the "Guards" arriving. The second second

YORK COUNTY ITEMS. -- Mrs. Darome, residing in Conewago township, died from the effects of sun-stroke, on Tuesday morning.-On Thursday evening 25 shares of York Bank stock were sold for \$33 15 per share: 30 for \$33 05, and 5 at \$32 20 per share. At the same time, 20 shares of York County Bank stock were also sold, 10 selling at \$33 00 and the balance at \$32 50 per share. --- Franklin Spotts and Henry Fensel, two young men, were drowned while bathing in a dam in Conewago township, on Saturday evening.

DELEGATES TO THE COLORED NATIONAL CON-VENTION.—The colored people of this city will from which each views it." meet this evening, in the Wesleyan church, on South street, to hear the call for a National knowledgment of manhood in whomsoever the image of God is recognized, have stimulated the leading spirits of our colored population to plead the cause of their race before the bar of the American people.

Some two or three weeks ago we urged the enforcement of the city ordinance requiring dogs to be muzzled, but from some cause no action was taken in that direction, until yesterday, when a child was bitten by a rabid "canine." It is highly necessary that the ordinance should be strictly enforced during the summer months. As the city authorities have determined to enforce it now, we would caution our citizens against permitting their dogs to run at large without the head-gearing required by law. The provisions of the ordinance should be strictly carried into effect, without respect to persons. Let every unmuzzled dog found running at large be killed, if its owner cannot be found. Read the Mayor's proclamation in another column.

RETURN OF A GALLANT SOLDIER.-We had the pleasure, this morning, of a grasp of the friends and fellow-citizens, who left Harrisburg in a blue blouse as a private soldier, and motion by the influence of hard knocks and ment P. STRIKE ON THE BRADING RAILBOAD .- The Philadelphia papers state that there is a strike for higher wages among the employees of the Reading Railroad, and that no coal arrived in that city yesterday, by said route, in consequence of the strike.

THE PRICE OF COAL .- It is due to the retail dealers in coal, in this city, to state that when the price of that article was increased seventy-five cents per ton, at the mines, in Lylsens Valley, the increase at the coal yards in this city was only fifty cents per ton.

THE STREET SPRINKLER. -- Mr. Shaeffer. the proprietor of the street sprinkler, desires us to state that the sprinkling of the streets has been suspended for a few days, on account of the scarcity of water. The repairs at the water works will be completed in the course of to-day, when his operations will again commence.

A DEPLORABLE accident occurred at the Gap, in Lancaster county, on the 4th. Rev. Mr. Gamble, formerly of that neighborhood, came out from Philadelphia, where he is now stationed, accompanied by his wife and a son below the Methodist church, at 71 o'clock | five years old, to spend the summer vacation in the family of Mr. Himes. Shortly after their arrival, the boy, it seems, was amusing himself by mauling or playing with a large an acceptable Substitute, who is not liable to dog belonging to Mr. Himes, when the dog draft. Apply to Sullivan S. Child, TELEGRAPH flew at him and bit his nose entirely off, dropping it on the floor. The boy was at once taken to Philadelphia for medical attention.

> POLICE AFFAIRS-Before the Mayor .-- The following cases have been disposed of since our last report:

Drunks-Ferdinand Close, James Brayton, James Carter, John Dunlee and Thomas Caufman, were each fined and discharged.

Vagrancy-Alvin Ramsey, a boy who hails from Lewistown, and who has been lying around loose in our city for somie time past, was before his Honor on a charges of vagrancy. He was recommitted to the lock up, until the case is further investigated.

Nuisance-The owner of one of the brew eries in this city, had a hearing upon a charge of allowing refuse liquor to run into an alley, to the great annoyance of the people of the vicinity. The case was settled upon payment of fine and costs, and a provise on the part of the owner of the brewers to construct a sewer, by which the liquor would be carried from the establishment.

TRUTH AND UNION. - The immortal "J. N." will lecture in front of the Court House on

the evening of the 15th inst. All are invited. "Martyr" like, he still main tains his bold position on the war, viewing it from the basis which each reasons, thus assuring all the prejudices, both politically, and North and South. He wishes it distinctly understood that if the pressure is too heavy on his friends that sympathize with him, and the press which recognize his truths, he will martyr himself in the darkest dungeon of any prison. He is no partisan, but views hel reviews the war metaphysically whilst the North and South are divided politically and constitutionally. He says, "I deal with principles of reason, and if I am correct in may views, sconer or later the press of the entire world as sentinels. will be compelled to recognize it. THE DEATH OF SURGEON WILSON, - Our citizens were pained to learn, yesterday, of the death of Dr. J. P. Wilson, which soccurred at the Brady House. We have been enabled to gather the following particulars of the sad affair, and the causes which led to the demise of one who has done a good work in alleviating the sufferings of those who were placed under his care. Dr. Wilson was well known here, as he for a considerabile period had charge of the medical affairs, connected with our hospitals.

When the 184th regiment of P ennsylvania Volunteers was sent to the field , Dr. W. accompanied it as its surgeon-in-chie of, and when a large number of that command fell on the battle-field, the Doctor devoted his whole time and attention to ministering to the s wounded. Constant labor and exposure eve, ntually rehand from one of the bravest of our young sulted in an attack of fever, an d compelled Surgeon Wilson to retire from the field. On Friday last he reached Washing ton, en route who returns a captain, having won his pro- for home, and telegraphed one of his friends here to meet him at the train which would courageous fighting. His visits three days at Petersburg, having left the army were continued up to eight colock, yesterday just twelve days since. Found-A furlough given to Luther S. Brown, of the 14th New York Heavy Artillery, which the owner can have by applying to Provost Marshal Opdycke.

A BATCH of deserters and bounty jumpers arrived here from Carlisle Barracks to-day. They were taken to Camp Curtin, and will probably remain there until forwarded to their respective regiments.

THE Sixty-second regiment, P. V., arrived here this afternoon, direct from the front. They are en route for Pittsburg to be mustered out of service. The regiment numbers 261 men, who are under command of Col.

REBELS IN Town. - Three rebel cavalrymer, major, lieutenant and private, were brought here by the Cumberland Valley train to-day. They were captured in Hagerstown yesterday. They were well dressed in grey, the uniform of rebeldom. Among other things they report that the rebel force at the Potomec is forty thousand strong. This is, of course, untrue. Brag is a game in vogue among all the rebels.

LUTHERAN PIC-NIC .-- A pic-nic will be given at Derry on Tuesday next, 12th inst., under the auspices of the young men connected with the Sabbath school of the Fourth-ttreet Lutheran Church. An invitation has been extended to the members of that congregation. as well as those of the Second English and the German Lutheran Churches, to attend, with their children, and participate in the festivities of the occasion. It is not intended that this shall be a Sabbath school pic-nic; although the scholars are invited, they will be in charge of their parents. All Lutherans in the community are cordially invited to be present. Excursion tickets will be issued at fifty cents for adults, and twenty-five cents for children under fifteen years of age.

REBEL DASH INTO HAGERSTOWN AND CAPTURE or Prisoners.—Some fifteen rebel cavalry made a dash into Hagerstown yesterday afternoon, and met with a sharp reception by our troops. They captured three of them and some five or six were wounded.

The captured rebels were brought down this norning, and had their names registered in the Provost Marshal's office as follows:

Geo. M. Shewrer, 1st Lt. Md. cavalry. This scoundrel is a Northern man, having been raised in and about Mechanicaburg. He led the rebels into the Cumb rland valley before and was made a prisoner at that time. We hope that the Governor will not deal so leniently with him now. Thomas B. Hendon, and John F. M'Daniel, both priva es of the 1st Md. cavalry, are the other two on the list, and were placed in the guard house.

WAR! WAR!! WAR!!!-- How much suffering, death and destruction follows in the train of war. Even the excitement attendant upon the supposed rebel raid has kept the minds of our citizens much exercised for several days past. Notwithstanding all the different rugreat impending danger, the terror of which has caused the farmers in the immediate locality of Williamsport, Md., to remove their horses and cattle to places of more safety.-Amid all this disturbance and fear the cheap dry goods house of C. L. Bowman, No. 1 corthe North intends subjugating them, and the ner of Front and Market streets, is doing its very best to sell goods at lower prices than
