CONSTITUTION LIFE SYBUP

A REVOLUTION IN MEDICINE.

A REFOLUTION IN MEDICINE. What may seem almost incredible, is, that many dis-cases hitherto considered hopelessly incurable are fro-quently cured in a few days or weeks, and we cheerfully invite the investigations of the liberal minded and scien-tific to cures which have no parallel at the present day. Our medicine is peculiar; by it the seat of any discase is directly reached, and the equilibrium restored. Those who have suffered long from painful and obsti-nate discases, those who have vainly sought relief from advertised medicines, these who caunot be cured by other physicians-

ARE INVITED TO USE CONTTITUTION LIFE SYRUP. During the past five years we have contended with ob-stacles and overcome opposition as heroulean as were ever encountered by any Reformers.

Ancountered by any Reformers. RAPIDITY OF CURE-Some say, "Your cures are too quick," while others doubt their permanence, and think that discuse can only be cured by the "slow recuperative process of Nature." This is our really:

This is our reply: In health, the body, like a well-balanced scale, is in a state of Equilibrium. But when from any cause down goes one side of the scale, we have the effects of disease. What is requisite is, to restore the normal balance of the scale.

As Kunkol's Bitter Wine of Iron is the only sure and effectual remedy in the known world for the permanent cure of Dyspersia and Debitty, and as there are a number of imitations offered to the public, we would caution the community to purchase none but the genuine article, manufactured by S. A. KUNKEL & BRO., and has their stamp on the top of the cork of every bottle. The very fact that others are attempting to imitate this valuable remedy, proves its worth and speaks volumes in its favor.

The Bitter Wine of Iron is put up in 75 cent and \$1 00 bottles, and sold by all respectable druggists throughout the country. Be particular that every bottle bears the ac simile of the proprietor's signature.

This Wine includes the most agreeable and efficient Salt of Iron we possess; Citrate of Magnetic Oxide com-bined, with the most energetic of regetable tonics, Yellow Peruvian bark. The effect in many cases of debility, loss of appetite, and general prostration, of an efficient Salt of Iron, combined with our valuable Nerve Tonic, is most happy. It augments the appetite, raises the pulse, takes of musculor flabbiness, removes the pallor of debility, and gives a florid vigor to the countenance.
