GLAD NEWS FOR THE UNFORTUNATE
THE LONG-SOUGHT-FOR
DISCOVERED AT LAST.

Cherokee Remedy,

AND
CHEROKEE INJECTION!

COMPOUNDED FROM ROOTS, BARKS AND LEAVES.
CHEROKEE REMEDY, the great Indian Diuretic, cures all diseases of the urinary organs, such as Inflammation of the Urine, Inflammation of the Bladder, Inflammation of the Kidneys, Stone in the Bladder, Stricture, Gravel, Gleet, Gonorrhea, and is especially recommended in those cases of Fluor Albus (or Whites in females) where all the old nauseous medicines have failed.

It is prepared in a highly concentrated form, the dose only being from one to two teaspoonfuls three times per day.

It is diuretic and alterative in its action; purifying and cleansing the blood, causing it to flow in all of its original purity and vigor; thus removing from the system all poisonous causes which have induced disease.
CHEROKEE INJECTION is intended as an ally or assistant to the CHEROKEE REMEDY, and should be used in conjunction with that medicine in all cases of Gonorrhea, Gleet, Fluor Albus or Whites. Its effects are healing, soothing and demulcent; removing all scalding, heat, chordee and pain, and the burning and almost unendurable pain that is experienced with nearly all the cheap quack injections.

By the use of the CHEROKEE REMEDY and CHEROKEE INJECTION—the two medicines at the same time—all improper discharges are removed, and the weak and diseased organs are speedily restored to full vigor and strength.

For full particulars, get our pamphlet from any drug store in the country, or write us, and we will mail free, to you, a full treatise.

Price, CHEROKEE REMEDY, \$2 per bottle, or three bottles for \$5.

READ WHO SAYS SO:

From the Rev. Levi G. Beck, Pastor of the Baptist Church, Pemberton, N. J., formerly of the North Baptist Church, Philadelphia.
I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family and have been so pleased with their effects that I was induced to recommend them to my patients, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming the efficacy of this medicine, and calling the attention of those afflicted with the diseases for which they are recommended to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is "not a run drink." Yours truly,
LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge and Christian Cyclopedia, Philadelphia.
Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.
I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of New York, as I have received from its use, in my own case, the most beneficial results, and I am induced to testify to its efficacy, and for encouragement to try them when suffering from great and long continued debility. The use of these Bitters, prepared by Dr. C. M. Jackson, at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

From Rev. Warren Randolph, Pastor of Baptist Church, Germantown, Penn.
Dr. C. M. Jackson.—Dear Sir:—Personal experience enables me to say that I regard the German Bitters, prepared by you, as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefited by the use of the Bitters, and doubt not they will produce similar effects on others.
Yours truly
WARREN RANDOLPH,
Germantown, Pa.

From Rev. J. H. Turner, Pastor of Hedding M. E. Church, Philadelphia.
Dr. C. M. Jackson.—Dear Sir:—Having used your German Bitters in my family for many years, I am prepared to say that it has been of great service. I believe that it is one of the most valuable remedies of which I have any knowledge.

Dr. C. M. Jackson.—Dear Sir:—I feel it a pleasure thus, of my own accord, to bear testimony to the excellence of the German Bitters. Some years since being much afflicted with Dyspepsia, I used them, with very beneficial results. I have often recommended them to persons afflicted with that tormenting disease, and have heard from them that they had obtained relief, and as to their great value, in cases of general debility, I believe it to be a tonic that cannot be surpassed.
J. M. LYONS.

From Rev. J. S. Herndon, of the German Reformed Church, Kutztown, Berks county, Pa.
Dr. C. M. Jackson.—Respected Sir:—I have been troubled with Dyspepsia nearly twenty years, and have never used any medicine that has done me as much good as Hoofland's Bitters. I am very much improved in health, after having taken five bottles.
Yours with respect,
J. S. HERNDON.

From the Rev. Thomas Wister, Pastor of Roxborough Baptist Church.
Dr. Jackson.—Dear Sir:—I felt it due to your excellent preparation, Hoofland German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters; and so, and have experienced great and unexpected relief; my health has been very materially benefited. I cordially recommend them to all who are afflicted with any of their kind of troubles.
Respectfully yours,
T. WISTER, Roxborough, Pa.

MEDICAL.

DR. WISHART'S

PINE TREE

TAR CORDIAL

IS THE VITAL PRINCIPLE OF THE PINE TREE.
Obtained by a peculiar process in the distillation of the tar, by which its highest medicinal properties are retained.

Have you a Cough? Have you Sore Throat? Have you any of the premonitory symptoms of that most fatal disease, Consumption?

Those who should be warned by these symptoms generally think lightly of them until it is too late. From this fact, perhaps more than any other, arises the sad prevalence and fatality of disease which sweeps to the grave at least "one-sixth" of death's victims.

Consumption has destroyed more of the human family than any other disease, and the best physicians for many years have despaired of a cure, or a remedy that would heal the lungs, but for more than two hundred years the whole medical world has been impressed that there was a mysterious power and efficacy in the Pine Tree Tar to heal the lungs; there was this was recommended the use of Tar Water, which in many cases had a good effect, but how to combine the medicinal properties so as to heal the lungs, has ever been a mystery, until it was discovered by Dr. L. Q. C. WISHART, of Philadelphia, Pa., the proprietor of Dr. Wishart's Pine Tree Tar Cordial.

Many, not only of the people, but physicians of every school and practice, are daily asking me, "What is the principle or cause of your success in the treatment of Pulmonary Consumption?" My answer is this:

"The invigoration of the digestive organs—the strengthening of the debilitated system—the purification and enrichment of the blood, must expel from the system the corruption which scrofula breeds. While this is effected by the powerful alterative (changing) from disease to health) properties of the Tar Cordial, its healing and renovating principle is also acting upon the irritated surfaces of the lungs and throat, penetrating to each diseased part, relieving pain, subduing inflammation, and restoring a healthful tendency. Let this two-fold power, the healing and the strengthening, continue to act in conjunction with Nature's constant recuperative tendency, and the patient is saved, if he has not too long delayed to use it, the means of cure."

I ask all to read the following certificates. They are from men and women of unquestionable worth and reputation.

Dr. WISHART.—Dear Sir:—I had a very dreadful cough and sore throat for one year, and my whole system was fast giving way, and I was prostrated on my bed with but little hope of recovering. My disease baffled the power of all medicines, and in a short time I must have gone to my grave, but thank God, my daughter-in-law would not rest until she went to your store, No. 30 N. Second street, and related my case to you, purchased one bottle of your Pine Tree Tar Cordial and I commenced to use it, and in one week I was much better, and after using three bottles I am perfectly well, and a wonder to all my friends, for they all pronounced me past cure. Publish my case if you think proper.

REBECCA HAMILTON,
No. 1321 Wylie street, Philadelphia.

Dr. Wishart's Pine Tree Tar Cordial is an infallible cure for Bronchitis, Bleeding of the Lungs, Sore Throat and Breast, Inflammation of the Lungs.

Mr. WARD says:
Dr. WISHART.—Sir:—I had Bronchitis, Inflammation of the Lungs, Shortness of Breath, and Palpitation of the Heart in their worst forms; I had been treated by several of the most eminent physicians in Philadelphia, but they could not stop the rapid course of my disease, and I had despaired of ever being restored to health. I was truly on the verge of the grave. Your Pine Tree Tar Cordial was highly recommended to me by a friend; I tried it, and am thankful to say that, after using four large, and one small, bottle, I was restored to perfect health. You can give reference to my house, No. 968 N. Second street, or at my office of Receiver of Taxes, from 9 A. M. to 2 P. M., corner of Chestnut and Sixth streets.

JOHN WARD.
Read the following from Utica:
Dr. WISHART.—Dear Sir:—I take pleasure in informing you through this source that your Pine Tree Tar Cordial, which was recommended for my daughter by Dr. J. A. Hall, of this city, has cured her of a cough of more than five months' standing. I had thought her beyond cure, and had employed the best of medical aid without any benefit. I can cheerfully recommend it to any person as a safe and sure remedy for those similarly afflicted, as I know of many other cases besides that of my daughter that it has entirely cured of long standing coughs.
