TOWN AND COUNTRY.
State of the Thermometer To-day.

ATTENTION, CITY ZOUAVES!—There will be a meeting of the company, at headquarters, Second St., near Barr's auction room, at 7 1/2 o'clock this evening. Every member is requested to be present.

RALLY ROUND THE FLAG, BOYS.—Captain Drem is raising a battalion of 100 days' men. We would recommend him to all who wish to enlist, as he has been in Virginia, under Uncle Sam, for the last three years. Headquarters Camp Curtin and White Hall Hotel, Harrisburg. jyl-11w

A MAN named A. V. Savage, had his pocket relieved of some \$60 in cash, at the meeting in Market Square, last evening. Savage hails from Juniata county.

The Mayor of Lancaster has directed all business to be suspended in that city, until further notice, for the purpose of aiding in raising the county's quota of hundred day men.

A NUMBER of persons complain that whole grapes are falling off, sometimes whole bunches. We are informed that they are cut off by worms, like those infesting the currant bushes, which have been entirely stripped of foliage, in many gardens.

An impression appears to prevail among a portion of our business men that they are expected to close their stores and shops from three o'clock in the afternoon. This is a misunderstanding. The resolution adopted by the citizens, requested a suspension of business for three whole days, or until a regiment is raised in the county. No doubt the business men will cheerfully comply with the request, as it is their duty to do so.

THE TOWN MEETING.—There was a very large attendance at the meeting held in Market Square last evening. All parties and classes were represented, and listened attentively to the earnest appeals of the speakers in behalf of the country. The patriotism of the people was aroused, and no doubt much good was accomplished. A committee was appointed to wait upon the commissioners and induce them to pay a bounty of fifty dollars to each recruit raised in the county in response to the call for men for the one hundred days' service. A resolution was unanimously adopted, requesting our business men to close their business places for three days, or until a regiment is raised. Great enthusiasm was manifested by those present. Recruiting is now going on briskly, and it is expected that a regiment will be raised in the county within a few days.

SMASH UP ON THE RAILROAD.—On Saturday morning two trains on the Lebanon Valley Railroad ran into each other, breaking up one of the engines, a number of cars, and killing three persons, one dying as he was carried into the station at Lebanon. The accident occurred at Prescott Station, a short distance below Lebanon. The Auburn was going down the road with her tank in front and the Wissahickon, which was coming up, struck the tank, smashing it completely. Mr. Lowe, the Engineer of the Wissahickon, was severely but not dangerously hurt; the fireman of the Auburn was also hurt, having jumped on the tank. There are others hurt, but how many or how seriously we have not yet learned. The accident occurred in consequence of a light engine running up the road (it is said) without displaying the red flag signifying that another train was following; which induced the train at Lebanon to go out on the main track.

THE PEOPLE MOVING.—Several companies of One Hundred Days' Men are being rapidly recruited here.

The First City Zouaves have their rendezvous on Second street, near Barr's auction room. Some twenty names were on the list last evening. The Zouaves are to be commanded by Captain John Bell.

The Curtin Fencibles have their headquarters at the "Tent," in Market Square. The company is rapidly filling up. The commanding officers are Captain Mitchell, and Lieutenants Kimball and Sayford.

Captain Edward B. Sanno is organizing an independent cavalry company for one hundred days. His headquarters are at the Park House.

Rolls for a company have been opened for signatures at the office of J. M. Wiestling, Esq., on Walnut street, near Third, by R. C. Cable.

Capt. Orem and Lieut. Nagle, whose headquarters are at White Hall Hotel, have been recruiting for several days past, and will soon have a full company. \$50 bounty will be paid to all recruits.

Quite a number of names have been received by each of the above companies, and all will probably be full in a day or two. Now is the time for our young men to "shoulder arms," and march forth to their country's defense. With a local bounty of fifty dollars, \$16 per month Government pay, besides rations and clothing, young men will find the present one of the best opportunities ever presented for a brief term of service. Call at the headquarters of either of the companies organizing, and enroll your names without delay. Your country calls! Do not delay!

The heat has been uncomfortable to-day. The mercury went up into the nineties.

COLORS FOR ONE HUNDRED DAYS.—It will be seen by reference to the following circular, that colored troops will be accepted for one hundred days' service. Here is a splendid chance offered to the colored men of the State to enter the service:

HEADQUARTERS DEPARTMENT OF THE SUSQUEHANNA, Harrisburg, Pa., July 12, 1864.

CIRCULAR.
Colored troops will be accepted by companies under the late calls of the Governor of Pennsylvania for one hundred days' men, and will be organized into regiments when a sufficient number are got together.

By command of Major General Couch.
JNO. S. SCHULTZ,
Assistant Adjutant General.

Our city is quiet to-day. Business was partially suspended, but there has been no excitement. The people are discussing the question of going into their country's service, but there seems to be little doing. The various recruiting officers are at work, filling up their companies, but not a single drum is to be heard on the streets. The people must be thoroughly aroused to a sense of the danger that threatens the Government, or the work of raising a regiment will be a tedious business. Let the drums beat, and the flags be unfurled; let business be entirely suspended, and the citizens continue to meet and adopt such measures as may be necessary to effect the object desired. The meeting of last evening did not complete its work. Further efforts are necessary to carry into effect the object for which the meeting was called, viz: the raising of a regiment in this county.

THE CIRCUS AND MENAGERIE.—On Friday, and Saturday, July 22 and 23, the citizens of this place and vicinity will have an opportunity of visiting an exhibition of rare attractive powers, formed by the combination of Thayer & Noyes' Circus and Van Amburgh & Co.'s Menagerie, both of which companies are to exhibit under the pavilion for a single price of admission. The expenses attendant upon such an enterprise must be enormous, especially in these times of prevailing high prices, but the immense throngs, which such an unusual combination cannot fail of attracting, will doubtless render the enterprise remunerative to its projectors. The collection of living beasts and birds, as will be seen by the advertisement, comprises a great variety of rare and interesting specimens from the most remote parts of the globe, among which will be found some that are very seldom seen in similar collections, and includes the monster elephant "Hannibal," who is a show of himself. Mr. Davis, who performs in the den of lions and tigers, is the favorite pupil of Van Amburgh and has been brought up among beasts of prey. When only five years of age he was taken into a den of wild beasts, together with a lamb, by Mr. Van Amburgh in New York, thus verifying the prediction that "the lion and the lamb shall lie down together and a little child shall lead them." He is said to have a wonderful control over the fiercest of the brute creation. The circus troupe is composed of some of the most celebrated riders, vaulters, acrobats, equilibrist, clowns and volentiers in the country, while the stud of performing horses, ponies and mules, it is said, cannot be equalled on this side of the Atlantic. Dr. Thayer, the famous humorist, will doctor his audience with powerful doses of fun, and, taken altogether, the exhibition promises to afford unlimited gratification to all who may attend.

Letter from York.
York, July 11, 1864.

Messrs. Editors of TELEGRAPH:—Our town has been in a continual uproar for the last two or three weeks, on account of our citizens being disturbed by the nightly visits of burglars. During the sitting of the commissioners in our court house to examine the drafted citizens of the county, our town was full of burglars, and the inhabitants suspected these to be the burglars; but suppose that they were? Where were our brave police at that time? That is a question to be answered by citizens who were up every night, and who never saw the police after they put out the lights at ten o'clock.

Our town was never under such a contemptible administration as at the present time. Our Mayor has got the lowest and meanest set of men under him that he can find—men who have not the least principle about them. Two of them were formerly the bullies of the Laurel fire company, and headed them in many a fight, and many a night did they spend in lock-ups. A third keeps an indecent house, which goes by the name of the Female Institute. It is a disgrace to our community to think that we must be ruled over by such demagogues and vagrants.

Our town was never so disgraced during my forty years residence in the place, as at the present time, under this copperhead rule. I am surprised that our town council does not oust these vagabonds and put men in their places who have some principle about themselves. When you want them, the only place that you can find them is in "lager beer saloons bordering on the lock up."

A CITIZEN.

PEOPLE IN COUNCIL.

Fifty Dollars Bounty Appropriated.

Regiment to be Raised for One Hundred Days.

Business to be Suspended for Three Days.

Speeches by General Cameron, Governor Curtin and Others.

Pursuant to notice issued on yesterday afternoon, the citizens assembled in mass meeting in Market Square at seven o'clock last evening. At an early hour the citizens commenced gathering at the place appointed, and by the hour named there was an immense assemblage present.

After the meeting was called to order, Gen. CAMERON moved that a committee of three be appointed to wait upon Governor Curtin, and request him to preside.

Messrs. Geo. BERGER, JAMES W. WEIR and Wm. BOSTICK were appointed said committee, and waited upon the Governor, who accompanied them to the place of meeting.

During the absence of the committee, Gen. CAMERON was called upon to address the vast concourse of citizens present, which he did, urging immediate action upon the part of the people to repel the rebels from the border. The Gen. pledged his aid and support to any efforts made in defence of the Union, and his remarks created great enthusiasm among those present.

The General was followed by Hon. D. FLEMING and Wm. T. BISHOP, Esq., in brief but intensely patriotic speeches, in behalf of the country and in favor of immediate action on the part of the people.

When Governor CURTIN arrived he addressed the large assemblage in a very able and patriotic manner.

He appealed to the people to respond to the call of their country in her hour of peril, and to lay aside all differences of opinion and unite as one man in the defence of the Government and repel the rebel invaders who threatened our Government. The Governor's remarks were listened to with the most earnest attention, and were loudly applauded.

They stirred up the patriotism of our citizens, many of whom decided at once to respond to the urgent appeals of their patriotic Governor.

At the conclusion of the Governor's address, Wm. T. BISHOP, Esq., offered the following resolution:

Resolved. That the County Commissioners be respectfully requested to appropriate the sum of fifty dollars to each recruit that may be mustered into the United States service for the period of one hundred days, and that the money be paid to such recruit as soon as he presents a muster-in certificate.

The resolution was unanimously adopted, amid loud applause from those present.

Mr. SULLIVAN S. CHILDS offered the following resolution:

Resolved. That our merchants and business men be requested to close their places of business, and go to work in assisting to raise troops in response to the Governor's proclamation.

Gen. CAMERON moved to amend the resolution so as to read, that the business men close their respective places of business for three days, or until a full regiment is raised in Dauphin county. The amendment was unanimously agreed to.

Mr. BERGER moved that a committee of five be appointed to wait upon the County Commissioners, to induce them to agree to pay the sum of fifty dollars to each recruit who enters the one hundred days' service, from Dauphin county.

The motion was unanimously agreed to, and Gen. SIMEON CAMERON, GEORGE BERGER, JOHN L. SPEER, J. D. BOAS and Wm. H. KERR, were appointed said committee.

After a few remarks by Dr. HOWZ, on motion of J. C. BOMBERGER, the meeting adjourned, amid great enthusiasm and cheers for the Union.

The ringing of the Court House bell at any time during the present "emergency," will be the signal for a meeting of our citizens. Don't forget this.

THE CURTIN FENCIBLES.—This company will meet to-morrow morning at 9 o'clock, at headquarters, Market Square, to report for duty. By order of the Captain.

Y. M. C. A.—A meeting of the Young Men's Christian Association will be held in their reading room this evening at 8 o'clock. A cordial invitation is extended unto all the members of the association, and punctual attendance is requested.

MOUNTED MEN FOR SPECIAL SERVICE.—Capt. E. B. Sanno has received authority to raise a company of mounted men for special service. This is a fine opportunity for young men to enter the service under experienced officers. See advertisement in another column.

Tax Commissioners of Lancaster county offer for \$50 bounty for recruits, and pay \$100 for the recruiting expenses of each company. They will also pay for the subsistence of the recruits, for a period of two days, at an expense not exceeding fifty cents per day for each man.

SOMETHING TO WEAR.—The high prices of all kinds of dry goods have become a serious consideration, and it is natural and important for every one to seek the best avenues through which they can be obtained at reasonable prices. It is not strange then that the new store of Brandt & Bowman, corner of Second and Walnut streets, (in the room lately occupied by Joseph Kahnweiler), should attract the attention of those in want of dry goods. The entire stock of goods was bought of Mr. Kahnweiler at very low prices, and those in want of dry goods can depend upon purchasing of them at less than the present wholesale rates. Their desire is to close out the stock soon.

SPECIAL NOTICES.

Bannvart's Troches.

For the cure of Hoarseness, Throat Diseases, &c., are specially recommended to ministers, singers and persons whose vocation calls them to speak in public. Manufactured only by C. A. Bannvart & Co., Harrisburg, Pa., to whom all orders should be addressed. Sold by druggists every where.

Read the following testimonials from some of our eminent clergymen:

HARRISBURG, Feb. 8th, 1864.
C. A. BANNVART—Dear Sir: I have used Brown's Bronchial Troches, Wistar's Lozenges and other preparations for hoarseness and throat troubles, and in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in time of need, most effectually.

Yours truly,
T. H. ROBINSON,
Pastor of N. S. Presbyterian Church.

I agree with Mr. Robinson as to the value of Bannvart's Troches.

W. C. CATTELL,
Late Pastor of O. S. Presbyterian Church.

HARRISBURG, Jan. 1st, 1864.
To C. A. BANNVART—Dear Sir: In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that want has been supplied in your excellent Troches.

I consider them very far superior to any Lozenges that I have ever used, in removing speedily that hoarseness of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public addresses. Yours, &c.,

JNO. WALKER JACKSON,
Pastor of the Locust St. Methodist Church.

To C. A. BANNVART—Dear Sir: Having used your Troches, I am free to say they are the best I have ever tried and take great pleasure in recommending them to all persons afflicted with sore throat or hoarseness of voice arising from public speaking or singing.

Yours, &c.,
G. G. BAKERSTRAW,
Pastor of Ridge Avenue Methodist Church.

DISTRICT ATTORNEY'S OFFICE,
HARRISBURG, Feb. 29, 1864.

To C. A. BANNVART—Dear Sir: I have found your Troches to be invaluable in relieving hoarseness and in strengthening the muscles of the throat. They impart clearness to the voice, and are certainly of great benefit to all public speakers.

Address of Gov. Curtin.

The following address to the people of Pennsylvania, by Gov. Curtin, was read by the different pastors in their respective churches yesterday evening. We commend its patriotic sentiments to every lover of his country. Read it carefully and act accordingly.

PENNSYLVANIA EXECUTIVE CHAMBER,
HARRISBURG, Pa., July 10, 1864.

ADDRESS TO THE PEOPLE OF PENNSYLVANIA.

I refer to my recent Proclamation calling for troops on the requisition of the President. You are not responding freely. The enemies of our Government are active in deterring you, and efforts have been made to dissuade you from the belief that any considerable force is in your vicinity, and many of our most loyal and patriotic citizens have been thus deceived.

Similar efforts were too successfully made last year, at the moment when Lee's army was actually on your border.

Dispatches have been this morning received establishing the fact that Gen. Wallace, with 10,000 men was yesterday compelled to fall back from Frederick; he is believed to be in retreat towards Baltimore.

The communication between this point and Baltimore was cut this morning by the rebels, below Coopersville. The authorities of the United States at Washington are so impressed with the necessity of immediate effort, that they have this morning, by telegraph, authorized men to be mustered in by companies, which they had yesterday peremptorily refused.

It is my duty to state to you the fact that your country requires your immediate service, and the safety of your own soil and of our good neighbors in Maryland, may depend on your promptness.

Recollect that the mode of enlisting men is at the discretion of the Government and it is the duty of all to obey its requisitions. It would be disgraceful to you to waste time in objecting to matters of form and detail, or to profess that you would go if called in some distant way.

Those who want an excuse for skulking may do so, but to all who desire to do their duty to their country will soon such excuses be turned, therefore, a deaf ear to all mischievous suggestions from any quarter. Do not lend yourselves to a betrayal of your country. Come forward, like men, to aid her.

The rebel force will be easily defeated and driven away, if you do your duty; and I pray God so to enlighten you that the honor of the Commonwealth may be maintained.

A. G. CURTIN.
