MEDICAL.

DR. WISHART'S PINE TREE TAR CORDIAL

IS THE VITAL PRINCIPLE OF THE PINE TREE,

Obtained by a peculiar process in the distillation of the tar, by which its highest medical properties are retained.

Have you a Cough? Have you Sore Throat? Have you any of the premonitory symptoms of that most fatal disease, Consumption?

Those who should be warned by these symptoms generally think lightly of them until it is too late. From this fact, perhaps more than any other, arises the sad prevalence and fatality of disease which sweeps to the grave at least "one-sixth" of death's victims.

Consumption has destroyed more of the human family than any other disease, and the best physicians for many years have despaired of a cure, or a remedy that would heal the lungs, but for more than two hundred years the whole medical world has been impressed that there was a mysterious power and efficiency in the Pine Tree Tar to heal the lungs; therefore they have recommended the use of Tar Water, which in many cases had a good effect; but how to combine the medical properties so as to heal the lungs, has ever been a mystery until it was discovered by Dr. L. Q. C. WISHART, of Philadelphia, Pa., the proprietor of "Wishart's Pine Tree Tar Cordial."

Many, not only of the people, but physicians of every school and practice, are daily asking me, "What is the principle or cause of your success in the treatment of *Pulmonary Consumption?*" My answer is this:

The *invigoration* of the digestive organs—the *strengthening* of the debilitated system—the *purification* and *enrichment* of the blood, must expel from the system the corruption which scrofula breeds. While this is effected by the powerful alterative (changing from disease to health) properties of the Tar Cordial, its healing and renovating principle is also acting upon the irritated surfaces of the lungs and throat, penetrating to each diseased part, relieving pain, subduing inflammation, and restoring a healthful tendency. Let this two-fold power, the healing and the strengthening, continue to act in conjunction with Nature's constant recuperative tendency, and the patient is saved, if he has not too long delayed a resort to the means of cure.

I ask all to read the following certificates. They are from men and women of unquestionable worth and reputation:

DR. WISHART—*Dear Sir:*—I had a very dreadful cough and sore throat for one year, and my whole system was fast giving way, and I was prostrated on my bed with but little hope of recovering. My disease baffled the power of all medicines, and in a short time I must have gone to my grave, but thank God, my daughter-in-law would not rest until she went to your store, No. 10 N. Second street, and related my case to you, purchased one bottle of your Pine Tree Tar Cordial and I commenced to use it, and in one week I was much better, and after using three bottles I am perfectly well, and a wonder to all my friends, for they all pronounced me past cure. Publish my case if you think proper.

REBECCA HAMILTON,
No. 1321 Wylie street, Philadelphia.

Dr. Wishart's Pine Tree Tar Cordial is an infalliable cure for Bronchitis, Bleeding of the Lungs, Sore Throat and Breast, Inflammation of the Lungs.

Mr. WARD says:

DR. WISHART—*Sir:*—I had Bronchitis, Inflammation of the Lungs, Shortness of Breath, and Palpitation of the Heart in their worst forms; I had been treated by several of the most eminent physicians in Philadelphia, but they could not stop the rapid course of my disease, and I had despaired of ever being restored to health. I was truly on the verge of the grave. Your Pine Tree Tar Cordial was highly recommended to me by a friend; I tried it, and am thankful to say that, after using four large, and one small, bottles, I was restored to perfect health. You can give reference to my house, No. 968 N. Second street, or at my office of Receiver of Taxes, from 9 A. M. to 2 P. M., corner of Chestnut and Sixth streets. JOHN WARD.

Read the following from Utica:

DR. WISHART—*Dear Sir:*—I take pleasure in informing you through this source that your *Pine Tree Tar Cordial*, which was recommended for my daughter by Dr. J. A. Hall, of this city, has cured her of a cough of more than five months' standing. I had thought her beyond cure, and had employed the best of medical aid without any benefit. I can cheerfully recommend it to the public as a *safe and sure* remedy for those similarly afflicted, as I know of many other cases besides that of my daughter that it has entirely cured of long standing coughs. Yours respectfully,

JOHN V. PARKER, Daguerrean Artist.
126 Genessee street, Utica, N. Y.

* * * * ;—I have used Dr. Wishart's Pine Tree Tar Cordial in my family, and can cordially recommend it as a valuable and safe medicine for colds, coughs and to those predisposed to consumption.

Dr. G. A. FOSTER, 160 Genessee street,
Utica, New York.

The above are a few among the thousands which this great remedy has saved from an untimely grave.

We have thousands of letters from physicians and druggists who have prescribed and sold the Tar Cordial, saying that they have never used or sold a medicine which gave such universal satisfaction.

The Tar Cordial, when taken in connection with Dr. Wishart's Dyspepsia Pills, is an infallible cure for Dyspepsia.

The PINE TREE TAR CORDIAL, will cure Coughs, Sore Throat and Breast, Bronchitis, Asthma, Whooping Cough, Diptheria, and is also an excellent remedy for diseases of the kidneys and female complaints.

EVENING EDITION.

Correspondence from Mechanicsburg, Pa.

Mr. EDITOR:—Yesterday our citizens were aroused, almost to madness, by the action of two of our County Commissioners in refusing to grant a bounty of $50 to all who would enter the service for one hundred days.

The Borough Council immediately assembled, and by a unanimous vote, called a town meeting for the evening, and if agreeable to the citizens, thus and there assembled, they would appropriate from the funds of the borough a bounty of $50 to every man who would respond to the late call of the Governor.

At the appointed hour last evening, our public square was crowded with the citizens of our town, and it has never been my pleasure to be present at a more spirited and enthusiastic assemblage.

After the meeting was organized a committee was appointed to wait upon the Rev. J. C. Clarke and request him to address the meeting. In a few moments Mr. Clarke appeared upon the stand, amidst a deafening shout of applause. He has been in our midst but a short time, but his patriotic and manly course on all the great questions of the day, his readiness to respond to the call of our citizens, and the power of his eloquence when he addresses the people, either in the pulpit or on the rostrum, has gained for him a host of friends.

His address, last night, fired up the hearts of the people and kindled anew a love of country, and after addressing us for a short time, in a most touching and forcible manner, the town council was directed, by a unanimous vote, to pay a bounty of $50, and immediately after the vote was announced, our quota for the borough of Mechanicsburg was nearly made up by the patriotic and self-sacrificing young men of our borough.

Col. Wiley, of Wooster, Ohio, who has been in the service of his country since the outbreak of the present rebellion, and for a year or more chief in command of the 41st Ohio regiment, and who has recently resigned his commission owing to the loss of his right leg in a gallant attack at the head of his regiment on Missionary Ridge, and who is now on a visit to his friends in this place, was then waited upon to address the meeting, and in the course of his stirring address, he did not forget those *rscreant* and *narrow-hearted* Commissioners who dared refuse to respond to the call of the citizens of a neighboring town.

Before the meeting closed, three hearty cheers were given for Mitchell M'Clelland, Esq., one of the Commissioners who voted manfully in favor of the bounty. Kast and M'Coy the two Commissionesr who refused to grant the bounty, were not torgotten.

As an expression of our heart felt indignation towards the action of these *contemptible* and *narrow hearted officials* we gave them three awful groans with a hearty good will. It gives me pleasure, however, to say, that notwithstanding all the efforts of the *wise* and *intelligent* Commissioners, Kast and M'Coy, we have enough of the "Needful," in our little town, to raise our quota of men.

Let the actions of these officials "be known and read of all men." Loyal editors pass their names around, so that when they are dead and gone, we may have their records in print, that future generations may blush when they hear of the names of Michael Kast and John McCoy. UNION.

MEMPHIS, July 13.

The steamer Sultana has arrived with Vicksburg advices of the 9th inst. An expedition left Vicksburg on the 1st of July, under Gen. Slocum, they burned the railroad bridges over Pearl river on the 5th, and sent in thirty prisoners.

The cavalry expedition which left Memphis on July 4th, has arrived at Vicksburg and would reinforce Slocum. The expedition had heretofore been destined up the White river.

Another force has been operating out from Rodney, Miss., scouring the country assisted by the marine brigade. They had several sharp skirmishes in which they were victorious.

The thermometer, at Vicksburg, ranged from 81 to 86, during the week.

No advices have been received from Gen. Smith's expedition, but reports say he has had a fight and has defeated Forest, and that Forest was killed, but these reports are not credited.

Reports from Rebel Sources.

Raid on Jackson, Miss., by Gen. Slocum

NEW YORK, July 14.—The Richmond *Examiner* has a dispatch, showing that General Slocum made a raid to Jackson, Miss., and on the sixth inst., occupied the city with 4,000 troops. He evacuated the place on the same day, moving back on the Canton road.

The rebel forces were reported on the flank and front, and there was a severe fight from daylight till 7 o'clock on the morning of the 7th. Since that time all has been quiet. No private property has been destroyed, the object of the expedition being to destroy the railroads between Jackson and Canton.

Their is no decision yet as to the loan from the bankers, but it is probable they will yield to Mr. Fessenden's wishes and take the loan of $50,000,000, payable in installments upon 7-30 notes, not legal tenders.
