CONSTITUTION LIFE SYRUP

UNSTITUTION LIFE SYRUP HAS PRODUCED A REFOLUTION IN MEDICINE. What may seem almost incredible, is, that many dis-eases bitherto considered hopelessly incurable are fre-quently cured in a few days or weeks, and we cheerfully invite the investigations of the liberal minded and soleo-tifle to cures which have a op realiel at the present day. Our mudicine is peculiar; by it the seat of may discus-is directly reached, and the equilibrum restored. Those who have suffered long from painful and obsti-nate diseases, those who have vainly sought relief from advertised medicines, those who cannot be cured by ether physicians—

encountered by any keiorners. **RAPIDITY OF CURE**. Some say, "Your cures are too quick," while others doubt their permanence, and think that disease can only be cured by the "slow recouperative process of Nature." This is our reply: In health, the body, like a well-balanced ecale, is in a state of Equillbrum. Bdt when from any cause down goes one side of the scale, we have the effects of disease. What is requisite is, to restore the normal balance of the scale.
