DR. WISHART'S PINE TREE TAR CORDIAL

IS THE VITAL PRINCIPLE OF THE PINE TREE. Obtained by a peculiar process in the distillation of the tar, by which its highest medicinal properties are retained.

Consumption has destroyed more of the human family than any other disease, and the best physicians for many years have despaired of a cure, or a remedy that would heal the lungs, but for more than two hundred years the whole medical world has been impressed that there was a mysterious power and efficiency in the Pine Tree Tar to heal the lungs.

Many, not only of the people, but physicians of every school and practice, are daily asking me, "What is the principle or cause of your success in the treatment of Pulmonary Consumption?" My answer is this:

Dr. WISHART-DEAR SIR: I had a very dreadful cough and sore throat for one year, and my whole system was fast giving way, and I was prostrated on my bed with but little hope of recovering.

REBECCA HAMILTON. No. 1321 Wythe street, Philadelphia. Dr. Wishart's Pine Tree Tar Cordial is an infallible cure for Bronchitis, Bleeding of the Lungs, Sore Throat and Breast, Inflammation of the Lungs.

DR. WISHART-DEAR SIR: I had Bronchitis, Inflammation of the Lungs, Shortness of Breath, and Palpitation of the Heart in their worst forms; I had been treated by several of the most eminent physicians in Philadelphia, but they could not stop the rapid course of my disease, and I had despaired of ever being restored to health.
