HARRISBURG, PA. SATURDAY EVENING, JULY 16, 1864.

TOWN AND COUNTRY. State of the Thermometer To-day. 8 M. 11 A. M. 3 P. M. 82 90 94

Cavalry for 90 Days' Service. The undersigned have been authorized to raise a company of Cavalry for One Hundred Days' Service, under the late call of the Governor. Headquarters may be found at the Tent, in Market street near Fourth, and at Murray & Adams' Livery Stables.

NOTICE.—To Soldiers Discharged on Account of Wounds Received in line of Duty.—The undersigned is prepared to collect the \$100 Bounty due all such soldiers.

SULLIVAN S. CHILD, Claim Agent, Telegraph Printing Office, Harrisburg, Pennsylvania. jyl5-d1w

The man who took away a bag of salt, this morning, on a wheelbarrow, from Shisler & Frazer's store, without paying for it, had better come and settle the bill, as he is known.

BLACKSMITH WANTED.—Apply to R. J. FLEMING, Harrisburg, Pa. jyl5-4t

SANFORD and his Opera Troupe are now filling an engagement at Grover's Theatre, in Washington city.

The pulpit of the Old School Presbyterian Church will be occupied by Rev. Samuel J. Nicols, of Chambersburg, to-morrow morning and evening.

Rev. J. HENRY DUBBS, of Pottstown, Montgomery county, will preach in the German Reformed Church, Chestnut street, to-morrow, at 10 o'clock A. M. and 6 P. M.

Our city subscribers should not forget that on and after Monday next, they will be charged twelve cents per week for the TELEGRAPH. This will barely pay for the white paper used.

UNION PIC-NIC.—A grand Union picnic will be held in Hachulen's woods on Thursday next. The occasion promises to be one of more than ordinary interest, and a pleasant time can be expected by all who attend.

BEFORE THE MAYOR.—There were several cases brought before His Honor yesterday morning. The first was Mary Johnson, (colored,) found in "Tanner's avenue," upon the occasion of the war meeting, brim full of whisky, and, as a matter of course, full of fight. When placed in the lock-up, she amused herself by screaming and cursing at a fearful rate, for all of which she was ticketed to the fort for thirty days.

There were four more cases of a similar character, three of which were fined and discharged, and the fourth was re-committed to the lock-up.

DELICIOUS.—An evening stroll along the banks of the "peaceful Susquehanna," as the sun stoops towards his bed behind the hills, and a sail upon its placid waters, under the stars and stripes, upon the spacious and comfortable transport, that keeps up a constant communication with the charming resort on Independence Island.

Are you a parent? Take your children along with you, and let them enjoy the safe and pleasant ride; let them watch the brisk gambols of the fish as they chase each other over the rocky and pebbly bottom of the limpid stream, whilst the boat glides so quickly over its surface; let them romp among the trees of the island grove and keep the swings in motion. The little folks will vote it a great treat, a grand excursion. Try it!

HORRIBLE DEATH.—Last night a boy about fifteen years of age, and named Robert Marlow, was burned to death, near the furnace, on State street. This morning his remains were found lying upon a heap of hot cinder. One of his legs was burned off about the knee, and one of his arms at the elbow; his left side was literally burned to a crisp, while the balance of his body was thoroughly roasted. His home was in Lebanon. A new relative having been killed by the railroad accident near that place, a few days ago, the boy, who has been employed on one of the railroads, arrived here last evening, intending to go home on a freight train, but he was too late. It is supposed that he was crossing the lot used for the cinder from the furnace, and that as he walked up the embankment, he fell upon a hot bed of cinder, the gas from which ascended him to such an extent that he was unable to regain his footing, and was compelled to remain there, to be burned to death. He was found this morning, by Bernard Campbell, Chief of Police, who had the body removed from the mass of cinder, and cared for until the arrival of the Coroner, Jesse B. Hummel, Esq., at ten o'clock, when a jury was selected and an inquest held.

The Coroner's jury rendered a verdict that Robert Marlow's death was caused by suffocation and burning.

James Leidy, step-father of the deceased, arrived here this forenoon, and made arrangements to have his remains taken home for interment. The boy has been absent from home about three weeks.

WANTED IMMEDIATELY.—A young man of steady habits, and who is able to bring good recommendations from his late employer. Enquire at this office.

Gen. Couch has removed the censorship from the telegraph wires, and dispatches can now be sent without undergoing inspection on the part of the military authorities.

Capt. Geo. F. Ross' company went into camp this afternoon. It numbers about eighty-five men, and is one of the finest looking companies we have seen this season. Capt. E. will make an excellent officer, and will command the respect of every man in the company.

Rev. H. Somers, of the United Brethren in Christ, will preach in the Orphans' Court room in the Court House, to-morrow at 10 A. M., and 7 P. M., in the German language. The friends of this branch of the Christian church, and the public generally, are invited to attend.

St. Paul's Mission Church, Ridge Avenue.—The friends of this Mission and the new minister, the Rev. A. J. Barrow, were, we are pleased to learn, greatly encouraged by the attendance last Sunday. Hour of service next Sunday, (to-morrow,) ten o'clock in the morning. Sunday school at 2 o'clock.

The most contemptible case of stealing we ever heard of was perpetrated last night. Some mean, contemptible traitor stole the stars and stripes from the office of Alderman Peffer, on Third street. The rascal should be hung from the top of the highest flag-staff in the country, as a punishment for his meanness.

COCKROACHES.—Better than all the drugs and patent mixtures for destroying these household pests is a remedy which is very simple and easily available at this season. A few parings of cucumbers, scattered about in the localities which they frequent, will drive them entirely away. Remember this, and try it; there is no humbug about it.

Over fifteen hundred men reported for duty at Camp Curtin, this morning, for the one hundred days' service. Others are still arriving, and we may expect to see the quota of the State filled at an early day. Three regiments are in process of formation, and it is expected that they will be commanded by Col. Fisher, Negley and M'Michael, all of whom have had experience in the field.

IN CAMP.—The First City Zouaves are now in Camp Curtin, and arrangements have been made to have the company mustered into service without delay. Fifteen or twenty men will be accepted to fill the ranks of the Zouaves. This is one of the finest companies in the army, and persons desiring to serve their country for one hundred days should connect themselves with this company.

It is amusing to watch the changing faces of the copperheads. Their disappointment and chagrin are plainly exhibited in their sullen countenances. They are exasperated because the rebels retired without setting fire to Washington. They are heart-sick because Brady Johnson and his cut-throats did not come north. It would have been such political capital for the cops to have had Washington city sacked. In fact, no set of men ever showed their sympathies more clearly than do the poor political charlatans who are constantly howling for the Constitution, sighing for peace or beseeching for the safety of the oppressed people in the south. Another such a failure as the rebels made in Maryland, will induce the copperheads to postpone their national convention beyond August, indefinitely for all eternity.

ATTEMPTS TO ROB.—Last night attempts were made to rob two stores in our city, by the thieves who are lurking about.

The hardware store of Anthony King, Third and Market streets, was entered through one of the windows. It is supposed that the thief attempted to light up the establishment, but in his attempt to do so, the gas suspended over the goods on the shelves took fire, and in an instant was a sheet of flame, which probably frightened the rascal, who left, without taking any goods.

An attempt was also made to enter the store and dwelling of Ar. German, on Second street, near Chesnut. The intruder did not succeed, however, in obtaining any booty.

There was a rumor in circulation that Keller's hardware store had been robbed, but there was no truth in the report.

While so many robberies and attempts to rob are occurring in our city, we would ask, where are the night police? Why are they not attending to their duty? Should they not be 'on a round' at night, and prevent the burglars from operating so publicly as they did at King's last night?

How to Get Rid of Caterpillars.—The following, which we clip from the Toronto Leader, may be of interest to our thousands of agricultural friends throughout the country:

Those of our readers who either have fruit trees in their gardens, or who cultivate large orchards, will learn with much gratification that a certain instrumentality of destruction to caterpillars has been discovered. This coal oil will cause instant death to these pests as has been proved beyond all doubt. On Saturday last a letter was received at the Leader office, for publication, from one of our subscribers, an extensive farmer in the township of Clerks, county of Durham, stating the fact that, as a last resort, he endeavored to destroy the caterpillars (which had almost taken entire possession of 4 1/2 trees in the orchard) he experimented with coal oil. Complete success attended the experiment. A brush of stiff feathers was made, and portions of the trees smeared with the oil, in addition to placing a small quantity on the nest. Instant death ensued. The proprietor of the Leader at once tested the oil on his trees at Osgoos Farm, Young street, where the caterpillars had collected in thousands, doing fearful damage. In a couple of hours one quart of oil had cleared the orchard completely of caterpillars. The lead lay around in all directions. The effect of the oil on the pests seemed miraculous; there was no long delay to undergo, for some touch of the deadly substance to the nests sprang desolations in all directions. This is, certainly, a cheap remedy, as well as a sure one, and all our subscribers troubled with caterpillars should adopt it.

SHOOTING OF A SUPPOSED REBEL.—Several days past a conspicuous looking man, dirty and travel-worn, has been lurking in the vicinity of Shiremanstown, Cumberland county. His conduct excited the suspicion of the whole neighborhood, and when it is remembered that the panic created by anticipated rebel invasion is scarcely yet allayed, this fact is not surprising. Yesterday morning several of the citizens determined to know what this skulker was after, but when they attempted to reach him, he commenced to skeddadle in good order. He was pursued and finally shot, the ball taking effect in his leg above the knee, when he was captured and brought to this city, and an examination proved that he was only a common vagrant, an outcast, homeless pilgrim, who gave his name as Andrew Miller. Had the poor fellow stopped when challenged by his pursuers he would not have been injured, but he was too badly frightened, and considered that his safety depended on his flight. Provost Marshal Opdyke kindly ordered the dressing of the poor fellow's wound, which, though painful, is not dangerous, and has further provided for his care until he recovers.

CURTIN FENCIBLES.—Captain S. M. Mitchell, with eighty-five men, took quarters at Camp Curtin yesterday afternoon, after being regularly mustered for one hundred days' service. The Curtin Fencibles compose the first company mustered for a hundred days, from Dauphin county.

NOTE.—The above appeared in this morning's edition. We were in error in stating that the Curtin Fencibles were the first Dauphin county company mustered into the one hundred days' service. Capt. Sanno's company of cavalry was the first from the county, and the men have already received their bounty. The Curtin Fencibles were the second on the list.

BAPTIST CHURCH.—There will be no vice in the Baptist Church, corner of Second and Pine streets, on to-morrow morning at 10 o'clock, and in the evening at 7 o'clock. Rev. A. Judson Rowland, of Rochester, N. Y., will occupy the pulpit. The public are invited to attend.

RALLY ROUND THE FLAG, BOYS.—Captain Orem is raising a battalion of 100 days' men. We would recommend him to all who wish to enlist, as he has been in Virginia, under Uncle Sam, for the last three years. Headquarters Camp Curtin and White Hall Hotel, Harrisburg. \$50 bounty will be paid to all recruits. jyl1-d1w

TO THE PATRONS OF THE TELEGRAPH. Owing to the continued increase of the price of printing paper, we are compelled to raise the price of subscription to the DAILY TELEGRAPH. The price of paper has advanced four cents per pound with in the past few days, and it now costs three times what it could be purchased for, two years ago.

On and after Monday next the TELEGRAPH will be furnished to city subscribers at TWELVE CENTS PER WEEK. The price to mail subscribers will be SIX DOLLARS PER ANNUM, or One Dollar and Fifty Cents for Three Months. The increased rates (which are very low, compared with those of other dailies) will only pay for the white paper used, and say nothing of other expenses. Nearly all the journals in the country have already advanced their price of subscription. Should the manufacturers of paper continue to advance their prices, one-half of the newspapers now published will have to suspend operations.

SPECIAL NOTICES.

Bannwart's Troches. For the cure of Hoarseness, Throat Diseases, &c., are especially recommended to ministers, singers and persons whose vocation calls them to speak in public. Manufactured only by C. A. Bannwart & Co., Harrisburg, Pa., to whom all orders should be addressed. Sold by druggists every where. Read the following testimonials from some of our eminent clergymen: HARRISBURG, Feb. 8th, 1864.

C. A. BANNWART.—Dear Sir: I have used Brown's Bronchial Troches, Wistar's Lozenges and other preparations for hoarseness and throat trouble, and in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers, and singers, in cases of hoarseness, coughs and colds. I have found them serving in time of need, most effectually. Yours truly, T. H. ROBINSON, Pastor of N. S. Presbyterian Church.

W. C. CATTELL, Late Pastor of N. S. Presbyterian Church. To C. A. BANNWART.—Dear Sir: In the habit of speaking very frequently and in places where the vocal organs are very much taxed, I have found the need of some genuine, effective, and that want has been supplied in your excellent Troches.

I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public addresses. Yours, &c., J. NO. WALKER JACKSON, Pastor of the Locust St. Methodist Church.

To C. A. BANNWART.—Dear Sir: Having used your Troches I am free to say that they are the best I have ever tried and take great pleasure in recommending them to all persons afflicted with sore throat or huskiness of voice arising from public speaking or singing. Yours, &c., G. G. RAKESTRAW, Pastor of Ridge Avenue Methodist Church.

DISTRICT ATTORNEY'S OFFICE, Harrisburg, Feb. 29, 1864.

To C. A. BANNWART.—Dear Sir: I have found your Troches to be invaluable in relieving hoarseness and in strengthening the muscles of the throat. They impart clearness to the voice, and are certainly of great benefit to all public speakers. A. J. HERR
