HARRISBURG PA TUESDAY EVENING, JULY 19, 1864.

TOWN AND COUNTRY.

WANTED IMMEDIATELY.—A good stout boy to learn Power Press work. Must be able to write a good hand. Apply at this office.

NOTICE.—To Soldiers Discharged on Account of Wounds Received in line of Duty.—The undersigned is prepared to collect the \$100 Bounty due all such soldiers.

SULLIVAN S. CHILD, Chain Agent, Telegraph Printing Office, Harrisburg, Pennsylvania.

THE CAMERON GUARDS.—This company, which is nearly full, is in camp. A few more men are wanted. The officers are Capt. J. D. Suttiford and Lieuts. J. W. Woodburn and J. G. Keener—all of whom have been in active service in the field, and were good soldiers.

RECRUITS WANTED.—Dr. H. W. Miles, formerly captain in the 84th P. V., has received authority to recruit a company for one hundred days' service. Able-bodied young men are wanted to fill up his organization.

For particulars apply at his headquarters, or Miles' Drug Store, corner of North and Third streets, or at Miles' Grocery Store, on Ridge Avenue.

The children of some of our Sunday Schools were very agreeably entertained, last evening, at the asylum, by Superintendent Curwen, at whose invitation the teachers and scholars visited that institution for the purpose of witnessing a magic lantern exhibition.

The reported capture of Maj. Chas. Kleckner, with a number of his men, is incorrect, as no captures were made from the depleted ranks of the 184th Penna. regiment since the misfortune of the Second Brigade of the Second Division, Second Corps, in front of Petersburg.

ACCIDENT TO AN AGED CITIZEN.—An accident occurred, this morning, on Locust street, near River alley, by which Mr. George Wenrich, who resides there, sustained serious injury.

THE SHOP WAS OCCUPIED BY MR. OSBORNE, carpenter, and was also used by Mr. Jackson Humes, a painter, who is well known by our citizens.

THE COMMITTEE OF ARRANGEMENTS of the Lutheran Picnic, respectfully inform the public that the cars cannot be obtained to proceed to Derry on Wednesday or Thursday next.

MEETING OF THE COLORED PEOPLE.—A very large meeting of the colored people of Harrisburg was held in their church, on Tanner's alley, last evening, the object being to raise recruits and organize a colored military company.

MR. O. C. HUGHES was called to preside. On taking the chair, Mr. Hughes stated that the occasion was one of great importance to the colored people of Harrisburg, and from the moment in which he addressed them the opportunity was afforded to date their rise to respectability and their right to the recognition of all good men.

REV. JOSEPH CLINTON, of Philadelphia, was then introduced, and spoke at considerable length, to his colored friends. The work which the colored man had to perform in the struggle for the safety of the American Government, was one alike to them of christian heroism and manly fortitude.

BISHOP WHYMAN, of Baltimore, followed in the delivery of a few plain and practical remarks, urging on all able-bodied colored men the imperative duty of at once enrolling themselves for service in the army.

REV. MR. WILSON, of Harrisburg, made the closing speech. His remarks were also practical and to the point. He concluded by appealing to the fighting men present to come forward and enroll themselves.

THE CITIZENS OF THE VARIOUS TOWNS, townships, &c., in the State, should hold meetings at once and make arrangements by which they can offer inducements to persons to volunteer, to the credit of the sub-districts.

PASSED THROUGH.—Gen. Sigel and several members of his staff passed through this city last night, en route from Western Virginia to Baltimore, at which place he was ordered to report for duty.

CANTERBURY MUSIC HALL is the only place of amusement now open in this city. It is said to have a fine company of performers, who nightly present very attractive programmes.

AN IMPROVEMENT.—We notice that the market houses are receiving a coat of whitewash, which is taking the place of the many colored show bills that have so long occupied prominent positions there.

THE GEORGE OWENS who was arrested for insulting a lady on our streets, is not George R. Owens, of this city, and who is now a member of the Curtin Females. We take pleasure in announcing the fact.

BY REFERENCE to a card from the committee of arrangements, it will be seen that the Lutheran picnic cannot be held to-morrow, as cars cannot be obtained for the excursion. It will probably take place on Friday or Saturday.

FOUR CHILDREN SMOTHERED.—The Cleveland papers relate a shocking occurrence, which reminds us of the well-known story of "The Old Oak Chest." A few days ago a man named Schogart, living near Cleveland, went, with his wife, into a field, for a load of hay, leaving in the house their four children—Mary, aged seven years; Charles, ten; John, four, and Catharine, aged one year.

SEARCH WAS MADE everywhere for them, but without avail, till next morning their corpses were discovered in a huge old German chest, in the corn house. They had got into it in play and shut down the lid, which closed with a spring lock, and they were speedily suffocated.

BY THE PROVISIONS of the new military bill the loyal States are permitted to recruit in the rebellious States to fill quotas under any future call for troops. In some of the cities and large towns the people are already making arrangements to send recruiting agents to secure men in advance of the call.

The company mustered ninety men, exclusive of officers, all of whom are stout and healthy, and will make good soldiers.

COLORED BAND.—A fine brass band, of fifteen pieces, in which the musicians are all colored men, arrived here yesterday from Camp William Penn, at Philadelphia. It is Band No. 2, of the United States colored troops, and is composed of excellent performers, who wear the United States uniform.

THE FIRST CITY ZOUAVES were examined by the Surgeon, at Camp Curtin, yesterday, and but one out of the whole number was rejected, as being unfit for service. The Surgeon complimented them as being the best body of men yet examined by him.

THE NEGRO AS A CAPITALIST.—A private in one of the negro regiments guarding the rebel prisoners at Point Lookout, has received a letter from the daughter of his former master, suggesting that, as he is now earning money for himself, it would be a very pretty thing for him to send the family five dollars, for which she would be much obliged to him if he would give her enough money to buy a new gown.

FOURTH WARD MEETING.—A meeting of the citizens of the Fourth Ward will be held at the Hope Engle House, for the purpose of making arrangements to fill the quota of the ward—this (Tuesday) evening, at 7 o'clock. All citizens of the ward are earnestly requested to attend, in order that a draft may be avoided under the call of the President, for five hundred thousand men.

POLICE AFFAIRS.—Before the Mayor.—John Moody, Fillmore T. Wee and Nathan Tate, colored boys, were arrested on a charge of stealing pig iron from Wilson's foundry and various other places. They were committed for a further hearing.

CHRISTIAN BINCH, (white), charged with purchasing from the above boys the stolen goods, was held to answer the charge at court.

THE Northern Central railroad having been thoroughly repaired, trains are now running through to Baltimore, as formerly. This will be a matter of great importance to the travelers who have been compelled to suffer delay on account of the late rebel depredations on the line of the road.

BOYS.—How much the welfare of after-life depends upon the habits formed in boyhood. Parents have much to do with this matter.

THE good impression made by christian mothers upon their children in the experience of the past has been a fruitful source of accomplishing much good; experience has also demonstrated the great advantage of industry, and the protection against doing wrong in keeping boys employed.

A BOY between the ages of 14 and 16 years, can obtain a situation immediately by applying at the cheap dry goods store of C. L. Bowman, No. 1, corner of Front and Market streets.
