

NATIONAL UNION TICKET.

FOR PRESIDENT, Abraham Lincoln, OF ILLINOIS. FOR VICE PRESIDENT, Andrew Johnson, OF TENNESSEE.

FOR THE AMENDMENT OF THE CONSTITUTION GRANTING THE SOLDIERS' RIGHT TO VOTE. Election Tuesday, Aug. 2, 1864.

The Teachers' State Convention. We alluded several weeks since, to the fact that a Convention of the Teachers of the State of Pennsylvania, had been called to meet on the 2d day of August.

The Qualifications of Substitutes. The uncertainty which the Provost Marshal General's office has thrown over the subject of the eligibility of substitutes for service in the army, is being gradually removed.

Who Should Pay the Damages of the Raid? It is estimated that the late rebel raid into Maryland cost the people of that State at least two millions of dollars.

Fruit for the Army. We are aware of the fact that our fruit crop in the north is not very abundant, yet limited as it may be, in some sections a portion of it will be lost, which might otherwise be saved for the use of the army.

THE GUARANTEES OF THE ELECTIVE FRANCHISE to the soldier, is a sore object for the contemplation of the most rabid of the copperhead organs. Unable to treat the subject fairly, unwilling to be recognized as its opponent, and too cowardly to show themselves the friends of the soldier, the controllers of every copperhead organ in the State are secretly engaged in an effort to defeat the Constitutional amendment proposing to extend the elective franchise to the soldier.

WHEN THE FREEMAN at home votes to extend the elective franchise to the soldier, he records his decision in favor of those who are willingly perilling their lives in defence of the honor and integrity of the country.

Speculation in the Necessaries of Life Still on the Increase.

We alluded, some time since, to the fact that the combination to control the coal market was fast becoming a power determined to ignore everything like reason or fairness in dealing, and that the people, groaning under the oppression thus heavily laid on them, would either be compelled to abandon the use of coal, and submit to the inconvenience and suffering which would then be entailed, or they would be forced to protect themselves and their families as the PINCHING NECESSITIES OF THE HOUR MIGHT DICTATE.

North—and the mistakes of the Administration originated alone in that policy which hesitated at striking vigorously at copperhead affiliation with treason while it was dealing death blows at open traitors themselves.

FIVE MILES OF THE ATLANTA AND DECATUR RAILROAD DESTROYED BY OUR FORCES.

JOHNSON CANNOT REINFORCE LEE. BUT TWO ROADS OPEN TO THE REBELS.

WASHINGTON, July 22. Official information from Gen. Sherman represents that everything is going on in a manner highly satisfactory. All the day before yesterday our army was engaged with the enemy, the enemy being driven steadily on into their entrenchments.

WASHINGTON, July 22. The quotas under the recent call for 500,000 men have been sent to the respective Governors. The quota of the District of Columbia is nearly 9,000. There is now an excess of 450 over all former calls.

The Latest.

Atlanta Reported Evacuated by the Rebels, and in Our Possession.

New York, July 22.—An apparently well authenticated rumor is current that Atlanta was evacuated by the rebels yesterday, and is now occupied by the forces under Gen. Sherman. An official verification of the rumor is momentarily expected.

ARRIVAL OF PRISONERS.

Capture of Retreating Raiders DAILY SURRENDER OF INVADERS.

Mishaps to the Retreating Rebels

WASHINGTON, July 21. Eighty-one rebel prisoners have been brought in by Sandy Hook, Md. They state that they were in charge of one of the invading plundering trains, and were overtaken near Snicker's Gap by a portion of the pursuing force of Gen. Crook.

ARMY OF THE POTOMAC.

AN ARTILLERY DUEL. CITY POINT, Va., July 20—8 A. M. There was constant and rapid artillery firing all day yesterday on the front of the 5th and Ninth Corps, joined at length by the Second and Eighteenth Corps. The enemy began it. Why he should have desired the myriad-shot duel is inconceivable, for he accomplished nothing, and may have suffered something by it.

THE COPPERHEAD ORGANS hereabout and in Pennsylvania generally, speak of another rebel raid being again attempted, as if they knew all about it—and then say that "Democrats" will have to pay for the ravages, because there is no effort being made to organize the militia. The copperheads themselves are doing all they can to thwart the effort to organize the militia as well as to fill up the army by volunteering or conscription.

Arrival of Veterans. New York, July 22. The Seventeenth Massachusetts regiment arrived this morning from Newbera.

FROM WASHINGTON.

WASHINGTON, July 21. THE NIAGARA CONFERENCE.

The Administration have never had before them for consideration any proposition from the rebel authorities relating to pacification, nor is it known that any such has been received, and whatever may be the facts concerning the reported conference at Niagara, the presumption here is that while there has been no formal action on the part of this Government looking to initiatory measures for a negotiation of peace, it is not indisposed to hear from Niagara or elsewhere whatever prominent rebels, acting either as volunteers or authorized commissioners, may have to say regarding this important subject, without, however, committing itself to the consideration of any proposition or views which may be suggested.

GENS. HUNTER AND WRIGHT IN PURSUIT. It appears that General Hunter only asked to be relieved of his command in order to avoid a possible embarrassment to the Government, and to facilitate Major General Wright in his movements in pursuit of the rebel army lately evaded.

They are moving southward on parallel lines, and between them it is believed that the line of the Maryland plunder will ever reach the Richmond railroads.
