HARRISBURG, PA.
SATURDAY EVENING, JULY 23, 1864.

TOWN AND COUNTRY

Third Ward Meeting!

In response to a call made for this purpose, a meeting of the citizens of the Third ward to devise measures to raise the quota of the ward, was held at the Franklin House last evening, at 8 o'clock.

Sheriff Jennings was called upon to preside, and J. M. Wiesling, Esq., appointed Secretary.

After a full exchange of opinions, various committees were appointed to mature some practical plan to raise the number required, with instructions to report at a meeting to be held at the same place on this (Saturday) evening. The citizens of the ward are earnestly requested to attend an adjourned meeting at the Franklin House this (Saturday) evening, at 8 o'clock, to make the necessary arrangements to avoid the draft.

First Ward Meeting.

A meeting of the citizens of the First ward will be held at the Black Horse Hotel, this (Saturday) evening, at 7 o'clock, for the purpose of making arrangements to fill the quota of the ward under the late call for volunteers. A general attendance is requested.

FIVE DOLLARS REWARD.

Lost, a pair of Gold Spectacles, either between Camp Curtin and Herr's Hotel, or at the Pennsylvania railroad. The finder will please leave them at THIS OFFICE.

Lost—A large gold Sleeve Button with a wreath on it.

The name of the owner is engraved in full on back of the button. The finder will be liberally rewarded by leaving it at this office.

PRESBYTERIAN CHURCH, (O. S.)

There will be no service in this church to-morrow, morning or evening.

Gov. O. P. MORTON, of Indiana, was in this city yesterday, and in company with Gov. Curtin proceeded to Bedford Springs.

Nearly all of our country exchanges have raised their rates of subscription to \$2 per year, in consequence of the exorbitant prices to which paper has advanced.

There will be religious services in the German Reformed church, to-morrow, at 10 o'clock, A. M., and 6 P. M. Rev. E. V. Gerhart, D. D., of Lancaster, will occupy the pulpit.

CAPT. SANNO's company of mounted men left for the border, to-day. A large number of Dauphin county men are connected with the company, which was organized in this city.

There was a fair supply of marketing offered this morning, and the demand was great. Prices have not declined since our report of Wednesday last. In some instances they had slightly advanced.

The Lutheran Sunday Schools went on a picnic excursion to Derry, this morning. With pleasant weather and a beautiful grove, the little ones doubtless enjoyed the day in a manner highly gratifying to themselves and their parents.

An ingenious chemist of Boston is said to have manufactured a wash, which, by daily application, will prevent the beard from growing—no injury being done to the skin or complexion. We hope the man has no expectation of selling his "wash."

TEMPERANCE.—Leonidas Allen, the popular and eloquent temperance lecturer, will deliver his farewell address on temperance in the Fourth Street Bethel, to-morrow (Sabbath) evening, at 8 o'clock, previous to his return to the Army of the Potomac, to resume his labors among our gallant and heroic troops.

SHOCKING ACCIDENT.—Henry Perry, of Greene township, Indiana county, came to his death on the 9th inst., in the following manner: The deceased was the owner of a steam mill, and on the morning of his death was examining a wheelbarrow which stood near the pitman of the mill. The sawyer, desiring to start the mill, called to Mr. Perry to take care, but he did not hear the warning, or at least paid no attention to it. The sawyer put on steam, when the crank of the pitman struck Mr. P. on the thigh, fracturing his leg in a horrible manner. He lingered till about 11 o'clock, when death put an end to his sufferings.

THE LADIES AND OUR QUOTA OF "HUNDRED DAY" MEN.—In our advertising columns will be found a call for a meeting of ladies, to be held "in the park, on Front street, this evening, to form an association to sustain the young men who fear to take up arms to defend their homes and firesides." The ladies are not posted in regard to the response of our citizens to the late call of the authorities for men for one hundred days' service, or they would not issue a call of the character found in our columns. The quota of Dauphin county was 402; in response to the call of the Governor, 445 men entered the service, and received local bounties—being a surplus of forty-three!

"MATTIE," the A. D. C., should become better "posted" before she undertakes to become witty at the expense of the patriotism of our young men. Dauphin county's quota is more than full, our people have done more than was required of them; hence there is no necessity for Mattie's meeting.

ATTENTION is invited to the advertisement of a lost gold watch. A liberal reward will be paid for it if left at this office, or at Oshkora's store.

BAPTIST CHURCH.—There will be service in the Baptist Church, corner of Second and Pine streets, on to-morrow morning at 10 o'clock, and at 7 1/2 in the evening. The pulpit will be occupied by the Rev. A. J. Judson, of Lowland, of Rochester, N. Y. The public are invited to attend.

It is said that the speculators in tea, coffee and sugar are carrying immense amounts of these articles, and paying one per cent. a month interest to do it. The New York banks are talking of shutting down upon them, which would bring about a collapse. "May the banks then, speedily 'shut down.'"

STATES AND POST MILITARY NEWS.—Major Gen. Couch, who has been at this post since the last threatened raid, commenced breaking up his headquarters this morning, preparatory for a removal back to Chambersburg.

Gen. W. W. Irvin, commissary of the State of Pennsylvania, is now Acting Adjutant General of the State, on a special order issued by Gov. Curtin. Gen. Irvin has the ability to make a most valuable officer in that position, while the reputation he has gained among Pennsylvania soldiers is unsurpassed by that of any other man in the State service.

POLICE AFFAIRS.—Before the Mayor.—Peter M'Manus and John Wauker, two soldiers who had "smiled" too freely, got into the lock-up, on a charge of disorderly conduct. After a hearing, they were handed over to the Provost Marshal.

W. W. Potter, very drunk, was lodged till he became sober, when he had a hearing and was re-committed.

Elizabeth Fisher, (colored,) was up for drunkenness, &c. When before the Mayor she was quite penitent, and her tears secured her discharge from the clutches of the police.

Paschal Baber, arrested on a charge of assault and battery, was sent to Fort Simons, to answer at court. Baber's incarceration resulted from his actions while under the influence of an ill-governed temper.

Joseph Banks, (colored,) was found "plying her vocation" in Africa, late at night, when the stars were peeping. She was landed in the lock-up, and subsequently appeared before the Mayor, who ordered her to leave the city.

Jennie Barnett, Annie Lutz and Mary Wilson, three white, "loose" females, were arrested for disorderly conduct, being found in company with soldiers at an unreasonable hour. The Mayor kindly furnished them with quarters in the "fort," where they will probably have time to reflect upon the miserable end that awaits them if they continue to pursue their evil course of life.

Three "exemplary" young soldiers who were found in company with the above-named women, were handed over to the Provost Marshal.

Violation of City Ordinances.—A farmer was before the Mayor on a charge of using spring balances in market, this morning. He was fined the usual amount, and discharged.

Peter Bernheiser, for having a fire on one of the public streets, for the purpose of manufacturing pitch for use in roofing, was fined \$5 and costs.

REMOVED.—Lt. Col. BOMFORD AS COMMANDANT OF THIS POST, MUSTER-IN OFFICER AND ASSISTANT PROVOST MARCHAL OF PENNA.—In the name of the loyal people of Pennsylvania we thank the President, Secretary of War and Provost Marshal, General for the removal of the above gentleman; not that we are personally gratified, but we candidly and honestly believe that the Government has been injured in its usefulness and intelligence by the utter incompetency of the Colonel himself, and the secess priorities of those who surrounded him, to a much greater extent than we can here describe.

We have always said to our friends who have frequently called upon us and abused the Government for retaining such men in important offices, that we had no doubt of the removal of Col. Bomford, as soon as the proper statements were laid before the President; and this assurance has been duly verified.

The removal was made within twelve hours after these statements had been laid before the President. We have always said that Col. B. was a gentleman and a good soldier, yet that fact did not make him a good executive officer, for such an extended field as is embraced in the duties of an Assistant Provost Marshal General. Indeed, we have at no time questioned the personal integrity or patriotic devotion of Col. Bomford. What we have complained of was his lack of business ability, his want of moral courage, and not his martial bearing or manly fortitude. Like too many of his class, his very high sense of honor renders him an easy prey to the dishonorable and the oppressive. He is ordered to Governor's Island, New York, and Maj. B. I. Dodge, at present discharging his duties at this post, will succeed him. The Major has been stationed here for the past three years, and is known to every military officer and those who have transacted business heretofore with him, as one of the most correct and punctual officers in the regular service. He will transact more business correctly in one day than his predecessor would in a whole week, and we feel assured that he will give general satisfaction. No telegraph clerk or messenger need apply to Dodge for situations. All such can now go to the friends in Richmond. The Major is a firm supporter of the Government, and he will tolerate no northern rebels in his office.

THE CAMERON GUARDS.—This company, which is nearly full, is in camp. A few more men are wanted. The officers are Capt. J. D. Smith and Lieut. J. W. Woodburn and J. G. Kemper. All of whom have been in active service, and whose names were good soldiers.

The regular officers for recruiting are at Camp Curtin and at the Ellsworth House, Market street.

COMMENCEMENT OF FRANKLIN AND MARSHALL COLLEGE.—The twenty-seventh annual commencement of this institution (of the German Reformed Church,) will be celebrated at Lancaster, on Wednesday next.

The exercises will be held in Fulton Hall, and will consist of the usual orations, &c., and orations by members of the graduating class, which numbers fourteen.

The address before the Alumni will be delivered by the Hon. John Cessna, of Bedford, Pa. The Society orator has not yet been announced. The Board of Trustees will hold their annual meeting on Monday evening, and will no doubt fill the vacancy in the German professorship.

The names of several gentlemen of scholastic attainments are mentioned in connection with that vacancy. The propriety of introducing military discipline will also claim attention, as the subject was referred, at the last annual meeting, to a special committee, which is expected to report.

The college is authorized by the Pennsylvania Railroad to issue free return tickets to visitors attending the commencement who have paid local fare over their road to Lancaster. This arrangement will, no doubt, insure a large attendance, and there will be, as usual on these anniversary occasions, a gala week of literary festivities at Lancaster.

AN INFALLIBLE CURE FOR DYSENTERY.—Dr. Page, of Washington, communicates to the *Republican* of that city the following simple remedy, long known in family practice, and which was recently tried in the camp of the New York 22d regiment, where there were from eighty to one hundred cases daily, and with rapid cures in every case.

Receipt: In a tea-spoon half full of vinegar, dissolve as much salt as it will take up, leaving a little excess of salt at the bottom of the cup. Pour boiling water upon the solution, till the cup is two thirds or three quarters full. A scum will rise to the surface, which must be removed and the solution allowed to cool.

Directions: Take spoonful three times a day until relieved.

The rationale of the operation of this simple medicine will readily occur to the pathologist, and in many hundred trials I have never known it to fail in dysentery and protracted diarrhoea.

ADVANCE IN THE PRICE OF NEWSPAPERS.—The *New York Times*, *Tribune* and *World* have advanced the price of their papers from three to four cents per copy, and the subscription price from \$8 to \$10 per annum. The *Tribune*, in making the announcement, says: "All the materials used in the publication of a newspaper have largely advanced in price within the last few months. The white paper on which we print the *Tribune* costs more than we receive from the sale of the printed sheet, and every additional demand for the paper is so much added loss. We are therefore compelled to advance the price of this paper, which commences after July 21, will be for a single copy, 4 cents, where delivered in the city by carriers, 24 cts. a week. The mail subscribers to the *Daily* will be charged \$10 per annum."

The Times thus announces its advance in price: "From and after July 21, until further notice, the price of the *New York Times* will be 4 cents for each single copy. This increase is rendered absolutely necessary by the enormous and constant advance in the price of white paper, and indeed of everything else that enters into the manufacture of a newspaper. It is intended only to meet a temporary difficulty, and we hope it will not be of long continuance."

We doubt not that the newspapers throughout the country will be compelled to follow the example of the *New York papers*.

The patriotic efforts of our townsmen, Messrs. T. H. Robinson and J. Walker Jackson, in behalf of the Christian Commission are accomplishing a great amount of good. Agreeably to notice given, these gentlemen addressed the people of Millersburg last Friday evening, and from the tone of the following account of the meeting, sent us by a correspondent, whose soul has been stirred up by the patriotic appeals of Messrs. Robinson and Jackson, it will be observed that their efforts were not in vain. Hear what he says:

"What heart, being imbued in any degree with feelings of Christian sympathy, patriotism or even the faintest traces of humanity, does not swell with emotions of joy and gratitude on account of the successful efforts of the truly noble and good of our land for the relief of the sick and wounded patriot soldier of our mighty armies? Among the various associations engaged in this truly laudable enterprise, high honors the Christian Commission; acting the good Samaritan's part in a truly Christian spirit; without compensation, save that promised in Holy Writ to him who, in a proper spirit, proffers a cup of water to the needy. In this great work Millersburg has contributed its 'mite.' Last Friday evening a meeting was held in the M. E. Church in aid of the Commission. Rev. Messrs. Robinson and J. Walker Jackson, of Harrisburg, were present and delivered addresses in their usual interesting style, producing, as we had a very creditable effect upon those who had a chance to contribute their hearts to feel for others' woes. The exercises were agreeably varied by several patriotic songs by the choir. The collection (without special effort) exceeded \$100.

The State Teachers' Association. Meeting, July 23, 1864. Resolved, That we cordially agree with the suggestions in your editorial of yesterday, in reference to the State Teachers' Association. I trust that every teacher who may contemplate being present at that meeting will first cast his vote in favor of the amendments to the Constitution. Although President of the Association, I shall not leave until I have performed that important duty. I consider it the most important vote I have ever been called on to cast.

I regret exceedingly that the Executive Committee, whose duty it is to fix the time for the meeting of the Association, selected the first week in August, which is one week earlier than the meetings have generally been held. I forward the arrangements that have been made with the railroad.

Respectfully yours, S. D. INGRAM.

A. Bannart & Co., Harrisburg, Pa., to whom all orders should be addressed. Sold by druggist every where.

Read the following testimonials from some of our eminent clergymen: HARRISBURG, Feb. 28, 1864. C. A. BANNART.—Dear Sir: I have used Bannart's Bronchial Troches, Whittar's Lozenges and other preparations for hoarseness and throat troubles, and in company with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them sitting in my throat, most effectually.

Yours truly, J. H. ROBINSON, Pastor of the Presbyterian Church.

I agree with Mr. Robinson as to the value of Bannart's Troches. W. C. DALLMAN, Late Pastor of O. S. Presbyterian Church.

HARRISBURG, Jan. 1, 64. To C. A. BANNART.—Dear Sir: In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that want has been supplied in your excellent Troches.

I consider them very far superior to any Lozenges that I have ever used, in removing speedily that hoarseness of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public addresses. Yours, &c. G. G. RAKESTRAM, Pastor of the Locust St. Methodist Church.

To C. A. BANNART.—Dear Sir: Having used your Troches, I am free to say they are the best I have ever tried and take great pleasure in recommending them to all persons afflicted with sore throat or hoarseness of voice arising from public speaking or singing. Yours, &c. J. H. WALKER JACKSON, Pastor of the Locust St. Methodist Church.

To C. A. BANNART.—Dear Sir: I have found your Troches to be invaluable in relieving hoarseness and in strengthening the muscles of the throat. They impart clearness to the voice, and are certainly of great benefit to all public speakers. A. J. BERR.
