READ WHO SAYS SO:

From the Rev. Levi G. Beck, Paster of the Baptist Church, Pemberton, N. J., formerly of the North Baptist Church, Philadelphia.

I have known Hoolland's German Bitters favorably, for a number of years. I have see them in my own family and have been so pleased with their effects that I was a induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I stake great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended to these Bilters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoolkand's Bitters is intended to benefit the afflicted, and is not a rum drink." Yours truly

LEVÍ & BÉCK.

From Rev. J. Newton Brown, D. D., Editor of the En yelopedia of Religious Knowledge and Christian Ohroni-le, Philahelphia. From Rov. J. Newton Brewn, D. D., Editor of the Encyclopedia of Religious Knowledge and Christian Chronicle, Philahelphia.

Although not disposed to favor or recommend Patent Mehicines in general, through distruct of their ingredichts and effects, I yet know of no sufficient reasons why a man may not testify to the bouedits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of othera.

I do this the more readily in regard to Hoofisad's German Bitters, prepared by Dr. C. M. Jackson, of this city because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my fittend, Robert Shoemaker, Esq. for the removal of this prejudice by propertests, and for encouragement to try them when suffering from great and choir continued debility. The use of three bottles of these Bitters at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not for six months before, and had almost despaired of regaining. I therefore thank-flood and my friend for directing me to the use of them.

From Rev. Warren Randolph, Pastor of Baptist Church, Germantown, Penn.

Dr. C. M. Jackson:—Dear Sir:—Personal experience enables me to say that I regard the German Bitters, prepared by you, as a most excellent medicine. I cases of avever cold and general debility I have been greatly bine-intent by the use of the Bitters and doubt, not they will produce similar effects on others.

atted by the use or produce similar effects on others.

Yours truly WARREN KANDOLPH.

(C.14) From Rev. J. H. Turner, Paster of Hedding M. E. Church, Philadelphia.

Dr. C. M. Jackson:—Dear Sir:—Having used your German Bitters in my family frequently I am prepared to say that it has been of great service. I believe that in most cases of general deblitty of the system it is the safest and most valuable remedy of which I have any knowledge.

Yours, respectfully J. H. TURNER.

From the Rev. J. M. Lyons, formerly Pastor of the Columbus (N. J.) and Milestown (Pa.) Baptist Churches.

New Rochelle, N. Y.

Dr. C. M. Jackson:—Dear Sir;—I feel it apleasure, thus, of my own accord, to bear testimony, to the excellence of the German Bittera. Some years since being much af flioted with Dyspepsia, I used them with very benedicial results. I have often recommended them to persons enfeelled by that formenting disease; and have heard from them the most flattering testimonials as to their great value. In cases of general debility, I believe it to be a tonic that cannot be surpassed.

J. M. LYONS.

From the Rev Thomas Winter, Pastor of Roxborough Baptist Church.

Dr. Jackson:—Dear Sir:—I felt it due to your excellent preparation, Hoofland German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system: I was advised by a friend to try a bottle of your German Bitters; did so, and have experienced great and unexpected relief; my health has been very materially benefitted. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects.

Respectfully yours.

T. WINTER, Roxborough, Pa.

From Rev. J. S. Herman, of the German Reformed Church, Kuiztown, Berks county, Pa.

Dr. C. M. Jackson:—Respected Sir:—I, have been troubled with Dyspepsia nearly twenty years, and have never used any medicine that did me as much good as Hoofland's Bitters. I am very much improved in health, after having taken five bottles.

Yours with respect,

J. S. HERMAN.

The Return of the Rebel-Raiders Towards the Upper Potomac.

STATEMENT OF A CITIZEN OF BALTIMORE The Attack of the Rebels Upon Crooks' Command.

Our Loss About 1,000 Men Gen. Kelly Not Killed---He is Not With Crooks THE DEATH OF MULLICAN STILL REPORTED

The Whole Rebel Force in the

Valley Less than 30,000. HILL IS IN COMMAND. Their Object is to Draw Grant's Forces frem

Petersburg. Philadelphia, July 27. The telegraph lines to Baltimore being under an embargo by the Government, we avail ourselves of the following information, derived from a well informed gentleman of that city, in regard to the important military movements now transpiring on the Upper

Potomac: With the particulars of the abandonmen of the pursuit of the raiders by the Sixth Corps, the public are already familiar. It is now clearly ascertained that as soon as the fact of the return of the Sixth Corps towards Washington was commenced, the rebels availed themselves of the important advantage thus presented, and their rear fell upon Gen. thus presented, and their rear fell upon Gen.
Crooks' command near Winchester, with such
overpowering numbers as to compel that gallant officer to retreat, losing a considerable
number of men in killed and wounded and
prisoners, as well as a few guns. The loss in
men is estimated at 1000.

From all that our informant could gather
there were but few guns lost, though there
seems to be some doubt that the enemy
did capture some.

did capture some.

With regard to the reported death of Gen. Kelly, it is sufficient to say that he was not with Gen. Crooks, but was, and still is at Cumberland. Gen. Mulligan's death was still reported at

Baltimore yesterday, but there is no authentic information on the subject.

With regard to the strength of the enemy, the most reliable estimates of the entire force composing the recent raiding column, do not make it more than 16,000 or 17,000 men, making the whole strength of the rebel force now in the valley and upon the borders of the Upper Potomac, between 25,000 and 30,000 men of all arms.

This force is understood to be commanded

Gen. A. P. Hill, Gen. Early having beer obliged to retire from active duty on account of his wound breaking out afresh, and it is said he has been assigned to the command of the Richmond district.

As to the designs of the Rebel force now on the borders of Maryland, for it is believed that up to this time they have not crossed the Potomac—at least in any force. Allis conjec The most probable view is, that they will attempt an extensive raid into Pennsylvania

and by making a great show of strength en-

deavor to force Gen. Grant to send away more of his army from before Petersburg.

In corroboration of the opinion expresses as to the strength of the rebel force, our in-formant states that Gen. Crooks reported that the rebel line of battle confronting him
