LIBERALITY OF OUR CITIZENS DISPLAYED

A large meeting was held in the Court House last evening, for the purpose of aiding the sufferers of the late fire in Chambersburg. The meeting, was called to order by A. J. Herr, Esq., by nominating Gov. A. G. Curtin as President.

On motion, A. J. Herr was selected as Secretary.

On the request of Gov. Curtin, A. J. Herr Esq., stated the object of the meeting, and described the present sufferings of the citzens of Chambersburg in a few stirring remarks. Mr. Thomas C. MacDowell followed in some

remarks to the point.

John C. Kunkel, Esq., offered the following resolutions, prefacing them with proper state-

solved, That a committee of three persons be appointed to receive from the ward committees, and pay over to the proper authorities of Chambersburg, the funds raised in this city to relieve the necessities of our ellow-citizens of Chambersburg who are obects of charity.

After being fully discussed by Hon. John J. Pearson, and Mr. Wilson and others, they were unanimously adopted.

The chair appointed the following gentlemen under the first resolution;

COMMITTEE TO CANVASS TOWN. First ward-Alex Hamilton, Alex. Koser and Weidman Forster.
Second ward—H. Murray Graydon, Chas

ABRIVAL OF A PORTION OF GEN. AVERILL'S FORCES.—Three hundred cavalrymen of the 1st and 2d Virginia regiments attached to the command of Gen. Averill, arrived at Camp Curtin last evening. In the operations against he late raiders in the Cumberland Valley, these men became detached from their comnands, losing their horses and weapons. They will be reorganized at this post, mounted and furnished with arms, and at once returned to their command.

THE REBELS. - We have reason to say that the rebels who lately visited Chambersburg lave left our State. The destruction, distress and humiliation that they left with us is a living monument of the stupidity that seems to control this military department. As citizions we can but sympathize, and contribute sissistance to remove the distress and better he condition of those who have met with this calamity at Chambersburg. Apart from this, and in view of the object upon which we intended to write, it may not be out of place to say that C. L. Bowman, of the cheap dry goods store, No. 1, corner of Front and Mar ket streets, will receive to-day and to-morrov (August 1st and 2d) a handsome lot of New Goods. We would again remind our patrons of the cheap lot of REMNANTS on hand in delaines and fine dress goods suitable to children, at very low prices.

SPECIAL NOTICES.

ELLING of Summer Goods at low prices, such as Suramer Dress Goods, Lawns, Sun Umbrellag, Laos Shawis, and Summer shawis. As all kinds of dry goods are advancing every day, now is the time to buy. 1916
