Brown for Secretary Transfer 55 一种上海运动部科技代 DR TOHN IT TAOMS THE GREAT FEMALE REGULATOR:

Are a finid preparation, the only true one of the kind ever discovered in this country; and star directly on the part affected, whilst pilk and powders can only reach them a they work through symmethy; but not at all direct and

positive.

Are you suffering from a constant markety for the regular return of nature's prescribed laws?

Give yourself no unbestineds, for Lyon's Periodical Drops, if taken a day or two before the expected period, will positively and invariably regulate its coming, as sure as effect follows cause, as certain at dayinght follows cause, as certain at dayinght follows darkness.

Are you stok, coffeshied by distant or markle to beauthe labor and danger of increase?

LYON'S PERIODICAL DROPS

cure?

If regularly taken, it is a certain proventive, and with any you much part and many hours of suffering. If Have you been sufficient for many years, with complaints incident to this sor, that have builted the skill of physicians, and are harrying you on to an early grave?

LYON'S PERIODICAL DROPS

Are the most reliable regulator ever known, and ours, like magic, all those irregularities that have defied the doctor's skill.

Will you waste away with suffering from Leucorrhoe, Prolapsus, Dysmenerrhoes, and a thousand other difficul-ties, all summed up under the name of suppressed and obstructed nature, when an investment of one deliar in

LYON'S PERIODICAL DROPS

will surely say you.

Do not use the drops when forbidden in the directions, for although a positive ours, and harmless at all ather times, they are so powerful and firstly esclusived to adjust and govern the functions of the sexual espanish; this, it takes at improper times, they would produce results concary to nature, against which all, particularly those who would reproduce, should espatially guard.

圖拉 解析 医细胞 LYON'S PERIODICAL DROPS

Cannot harm the most delicate constitution at any time /ot the proprietors with the goard against in misuse, toping that a thousand hottles will be used for a good pur-pose where one is used for an illegitimate one.

LYON'S PERIODICAL DROPS

the never-fuffing Female Regulator, in for sale by every bruggin, in the city and sounting, and so not, if you valid your health and with for a reliable medicine, buy-saily other. Take no other, but if the Druggist to, whose you opply has not got it, make him send and got it for your

MEDICAL

DISEASES OF IMPRUDENCE RELIEP IN SIX TO TWELVE HOURS.

NO MERCURYOR NOXIOUS DRUGS.

A Ours Warranted, or No Charge, in from One to Two Days.

Weakness of the Back, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, Senseal Debility, Nervousness, Dyspepsia, Languer, Eow Spirita, Confusion of Idean, Palpitation of the Heart, Timidity Tremblings, Dismess of Sight or Giddiness, Discase of the Head, Throat, Nose or Skin, Affections of the Liver Lungs, Stomach or Bowels—those terrible disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fafal to their victims than the song of Syrens to the Mariners of Ulysses, blighting, their, most brilliant hopped or substitutional readering marriage, &c., impossible.

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habis which annually sweep to an untimely grave thousands of Young Men of the most chalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thun-ders of eloquence or waked to ectasy the living lyre, may call with full confidence. MARRIAGE

Married persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, ac., speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his blonor as a gentleman, and coall desity-rely upon his skill as a Physician.

desity-rely upon his skill as a Physician.

ORGANIO WEARNESS

mmediately surely and full vigor restored.

This distressing affection, which readers life miserable and parriage impossible, as the penalty paid sby the victims of improper, indulgence. Young perhous are too spet to dominit excesses from not being aware of the dreadful consequences that may cases. Now, who that ander stands the subject will pretend to deny that the power of procreation is less sooner by those falling into improper habits than by the prudent. Besides being deprived the pleasures of healthy-offspring, the most acrosus and destructive symptoms to both hody and mind arise. The system becomes deranged, the physical and menta functions weakened, loss of protreative power, near our tritability, dyspepsis, palpitation of the heart, indignation, straption, decay and death.

OFFICE NO. 7, SOUTH FREDERICK STR

Left hand side going from Baltimore street, a few door from the corner. Fail not to observe name and number. Letters must be paid and contain a stamp. The Doctor Diplomes hang in his office. DR. JOHNSON.

DR. JOHNSON, tember of the Royal College of Surgeons, London, graduate from one of the most eminent colleges in the United States, and the greater part of whose life has been spent to the hospitals of London, Paris, Philidelphia and elsewhere, has sufficed minus of the most subministing currectant mere ever known; many troubled with ringing in the found and carre when subsep, great netwomners, being darmed, at medden sound; "bankfulnem, with frequent blushing, attended poinetimes with degangement of mind TAKE PARTICULAR NOTICE.

TAKE PARTICULIAR NOTICE.

These are some of the md and melanchely, effects produced by early habits to rjoth, vis. weakness of the back, and limbs, pains id the head, diffuses of sight, loss of measurance powers paintation to the heart, dyspopaia, servets irritability, symphons of consumption, and weakness. The fearful effects on the mind are much to be dreaded—loss of memory, confusion of ideas, depression of spirits, orly forebonding, averance to society, self distruct, love of solitude, timidity, an, are some of the evils produced.

who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from
syll companions, or at school, the effects of which are
mightly felt, erra, whos, salesp, and if not carred renders
mirriage upon these, and destroys both mind and body,
absolida, aly in mediately.

Which it? I hat a young man, the hope of his country,
the darling of his parents, should be anatched from all
prospects and elipyments of the, by the consequence of
daviating from the path of nature and induging as a
fertain serret habit. Such persons arose, before contemplating

MARRIAGE,
Reflect that a sound mind sind body are the most necessary

MARHAGE,

Reflect that a sound mindful body are the most necessary requisites to promoteodomubial happiness. Indeed, with out those, the journey through life becomes: a weary pit grimting; the prospect hourly darkens to the view although of the prospect hourly darkens to the view although of the prospect hourly darkens to the view although of the prospect hourly darkens to the view although of the prospect hourly darkens and filled with the mellahoholy reflection that the happiness of another better the prospect of the p DISEASE OF IMPRUDENCE

DISEASE OF IMPRUDENCE.

When the misguided and imprudent votary of pleasure finds he has imbited the feeds of this painful disease, too often happens that an illithind sense of shinks or the dread of dispovery deters him from applying to those who from education and respectability, can alone befriend him. He falls hits the hands of ignorant and designing presend; are, who, incapable of caring, sheh has pecuniary substance, keep him triling inpost after month, or as long as the smallest fee can be obtained, and in despair leave him with rained health to sigh over his galling disappointment, or, by the use of the deady polson, Mercury, hasten the constitutional symptomeof this terrible disease, such as affections of the Head hroat, Nose, Skin, etc., progressing with frightful rapidity fill death puts a period to his dreadful saferings by scholing him to that and somewhat

INDORSEMENT OF THE PRESS.

The many thousands cured at this institution year after year, and the numerous important surgical speralion performed by Dr. Johnson, winessed by the reporters of the Sun. Object, and many other papers, notices of which have appeared again and again before the public, beind his sansing as a gentleman of character and respondibility, is a sufficient guarantee to the afflicted.
