THE citizens of the city of Harrisburg are hereby notified that the ordinance, entitled "an ordinance to prevent mischief from dogs," passed February 6, 1841, will be strictly enforced. Attention is especially directed to sections 4th, 5th and 6th, to wit:

SEC. 4. That every dog going at large within the limits of the said city, from the twentieth day of May until the twentieth day of September, in each and every year, shall have securely put on a good, strong, substantial and safe wire basket muzzle, inclosing the whole mouth of said dog, so as effectually to prevent him from biting and snapping.

SEC. 5. That any and every person owning a dog and permitting it to run at large without complying with the fourth section of this ordinance, shall be liable to a fine of not less than one dollar, nor more than two dollars, with costs, at the discretion of the Mayor; and in the event of the said constable not being able to find the owner of the dog so running at large, he, or some person employed by him, shall take up, kill and bury said dog, for which service he or the person performing the service shall receive the sum of one dollar, to be paid out of the city treasury.

SEC. 6. That every dog going at large within the limits of said city, shall have around its neck, at all times, a collar of metal or a collar of leather with a metal plate, on which metal collar or plate shall be inscribed the name of the owner of such dog, and any and every person owning a dog and permitting it to run at large, without complying with the requisitions of this section, shall be liable to a fine of one dollar for every offence; and further, it is hereby made the duty of the Chief Police Constable or a person employed by him, to take up every dog so running at large in violation of this section, and unless the said fine is paid by the owner thereof, on demand, the said officer is hereby authorized and required to kill the dog or cause it to be killed and buried, for which services he shall be allowed one dollar out of the city treasury.

MEDICAL.

ELECTRICITY.

DRS. WYETH and CREAMER, Eclectic and Electropathic physicians, respectfully offer their professional services in all the various branches of the profession, for the treatment of all acute and chronic forms of disease.

The remedial means they employ in the treatment of disease consist of Magnetism, Galvanism, Electro-Magnetism, the Swedish method of Localized movement cure, a few Eclectic medicines when deemed necessary, and in fact all the natural curative agents that may successfully be brought to bear upon the disease.

They do not wish to be understood as arrogating to themselves any superiority of professional skill, but they believe the remedies they employ in the treatment of disease far superior to those generally employed by physicians, from the fact that they act in perfect harmony with the laws governing and controlling the human system. To this, and the fact that they confine themselves to no particular *pathy* or *system*, they attribute their success in controlling disease.

The principal agent they employ in the treatment of disease, namely, Electricity, is an agent wonderful in its phenomena and powerful in its effects for good or ill. It is an ever present, all-pervading principle, governing all things, from rolling worlds down to the invisible particles of gaseous matter. We see it in the lightning's flash and hear the manifestations of its power in the muttering thunder. It is the cause of all decomposition, recomposition and transformation. It excites all motion. It is the exciting cause of life, growth, decay and death. It causes secretion, excretion, digestion. It lays hold of the crude food in the stomach, converts it into a state of fluidity, transmutes it into arterial blood, and sends it on its important office of supplying nutriment according to the necessities of the body. It is the nerve vital fluid, the great agent through which the mind acts upon the body: it is the cause of all causes except the first great cause, the Infinite Mind which created it and brought it into use. These may appear like mere *assertions*, but they are facts admitting of strong and irresistible proof. Is it then, to be wondered at that an agent so wonderful in its phenomena, so powerful in its manifestations and so intimately connected with all the operations of the human system, should be almost absolute in its power of controlling disease? Certainly not. It is a natural sequence and follows as surely as day follows night.

Among the diseases which are found to yield readily to Electricity, in conjunction with proper adjunct treatment, may be mentioned the following; Incipient Consumption, Paralysis, Epilipitic, Hysteric and other Convulsions; Neuralgia, in its worst forms, Rheumatism, Inflammatory and Chronic; all diseases of the nervous system; Dyspepsia cured in a few treatments; all diseases of the urinary and genital organs; Female Diseases, Asthma, Piles and Prolapsus Ani; Amaurosis and all kindred affections of the Eye; Aureins, Strictures, all skin diseases, &c.

Persons calling will be told whether they can be benefitted and no case taken where some relief cannot be afforded. *Consultation free.* Office, South Second street, below Chestnut, Harrisburg, Pa. Office hours from 8 to 12 A. M., 1½ to 5 and 7 to 9 P.M.

BEWARE OF

Counterfeits

As Kunkel's Bitter Wine of Iron is the only sure and effectual remedy in the known world for the permanent cure of *Dyspepsia and Debility*, and as there are a number of imitations offered to the public, we would caution the community to purchase none but the genuine article, manufactured by S. A. KUNKEL & BRO., and has their stamp on the top of the cork of every bottle. The very fact that others are attempting to imitate this valuable remedy, proves its worth and speaks volumes in its favor.

The Bitter Wine of Iron is put up in 75 cent and $1 00 bottles, and sold by all respectable druggists throughout the country. Be particular that every bottle bears the *ac simile* of the proprietor's signature.

This Wine includes the most agreeable and efficient Salt of Iron we possess; Citrate of Magnetic Oxide combined, with the most energetic of vegetable tonics, Yellow Peruvian bark. The effect in many cases of debility, loss of appetite, and general prostration, of an efficient Salt of Iron, combined with our valuable Nerve Tonic, is most happy. It augments the appetite, raises the pulse, takes off muscular flabbiness, removes the pallor of debility, and gives a florid vigor to the countenance.

MEDICAL.

LYON'S PERIODICAL DROPS FOR FEMALES.

DR. JOHN L. LYON'S

FRENCH PERIODICAL DROPS,

THE GREAT

FEMALE REGULATOR,

Are the only known remedy that will successfully and invariably restore and regulate the female system, removing all irregularities, and producing health, vigor and strength.

LYON'S PERIODICAL DROPS

Are a fluid preparation, the only true one of the kind ever discovered in this country, and acts directly on the parts affected, whilst pills and powders can only reach them as they work through sympathy, but not at all direct and positive.

Are you suffering from a constant anxiety for the regular return of nature's prescribed laws?

Give yourself no uneasiness, for Lyon's Periodical Drops, if taken a day or two before the expected period, will positively and invariably regulate its coming, as sure as effect follows cause, as certain as daylight follows darkness.

Are you sick, enfeebled by disease, or unable to bear the labor and danger of increase?

LYON'S PERIODICAL DROPS

Come to you as a blessing, for is not prevention better than cure?

If regularly taken, it *is* a certain preventive, and will save you much peril and many hours of suffering.

Have you been afflicted for many years with complaints incident to the sex, that have baffled the skill of physicians, and are hurrying you on to an early grave?

LYON'S PERIODICAL DROPS

Are the most reliable regulator ever known, and cure like magic, all those irregularities that have baffled the doctor's skill.

Will you waste away with suffering from Leucorrhœa, Prolapsus, Dysmenorrhœa, and a thousand other difficulties, all summed up under the name of suppressed and obstructed nature, when an investment of one dollar in

LYON'S PERIODICAL DROPS

will surely save you.

Do not use the drops when forbidden in the directions, for although a positive cure, and harmless at all other times, they are so powerful and finely calculated to adjust and govern the functions of the sexual organism, that, if taken at improper times, they would produce results contrary to nature, against which all, particularly those who would reproduce, should carefully guard.

LYON'S PERIODICAL DROPS,

the never-failing Female Regulator, is for sale by every Druggist, in the city and country, and do not, if you value your health and wish for a reliable medicine, buy any other. Take no other, but if the Druggist to whom you apply has not got it, make him send that got it for you.

LYON'S PERIODICAL DROPS FOR FEMALES.

MEDICAL.

DR. JOHNSON,

BALTIMORE

LOCK HOSPITAL,

HAS discovered the most certain, speedy and effectual remedies in the world for

DISEASES OF IMPRUDENCE.

RELIEF IN SIX TO TWELVE HOURS.
NO MERCURY OR NOXIOUS DRUGS

A Cure Warranted, or No Charge, in from One to Two Days.

Weakness of the Back, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Tremblings, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels—those terrible disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fatal to their victims than the song of Syren to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

YOUNG MEN

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to ecstasy the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

He who places himself under the care of *Dr. J.* may religiously esteem in his honor as a gentleman, and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS

immediately cured, and full vigor restored.

This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgence. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, dyspepsia, palpitation of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consumption, decay and death.

OFFICE No. 7, SOUTH FREDERICK STREET,

Left hand side going from Baltimore street, a few doors from the corner. Fail not to observe name and number.

Letters must be paid and contain a stamp. The Doctor's Diplomas hang in his office.

DR. JOHNSON,

Member of the Royal College of Surgeons, London, graduate from one of the most eminent colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind were cured immediately.

TAKE PARTICULAR NOTICE.

These are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, symptoms of consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded—loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self distrust, love of solitude, timidity, &c., are some of the evils produced.

YOUNG MEN

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

Reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE.

What the misguided and imprudent votary of pleasure finds he has inherited the seeds of this painful disease, too often happens that an illtimed sense of shame, or the dread of discovery deters him from applying to those who from education and respectability, can alone befriend him. He falls into the hands of ignorant and designing pretenders, who, incapable of curing, filch his pecuniary substance, keep him trifling month after month, or as long as the smallest fee can be obtained, and in despair leave him with ruined health to sigh over his galling disappointment, or, by the use of the deadly poison, Mercury, hasten the constitutional symptoms of this terrible disease, such as affections of the Head, Throat, Nose, Skin, etc., progressing with frightful rapidity till death puts a period to his dreadful sufferings by sending him to that undiscovered country from whence no traveler returns.

ENDORSEMENT OF THE PRESS.

The many thousands cured at this institution year after year, and the numerous important surgical operations performed by Dr. Johnson, witnessed by the reporters of the *Sun, Clipper*, and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.
