SPECIE STOLEN .-- On Sunday the house of John Shultz, of Hanover. York county, was entered while the family were at church, and was robbed of between six and seven hundred dollars all in gold and silver. The money belonged, we learn, to Miss Chambers, sister-inlaw of Mr. Shultz, with whom she resided. The money has not as yet been recovered, but we hope the thief will be caught and nunished to the full extent of the law. ------

There will be divine service as usual tomorrow at the Ridge Road Episcopal Church -morning at 10, and evening 6:30. In the evening a sermon will be preached by the Pastor, Rev. A. J. Barrow, on "The Religious Training of Children." Last Sabbath evening there was a crowded congregation at this church, and the ordinance of Baptism was administered to fifteen children. There are to be quite a large number more baptized tomorrow evening.

RAILROAD ACCIDENT. - Yesterday as the mail Railroad was near Shrewsbury station, a soldier named William Dunn, of Capt. M'Quid's from the train and had one of his legs cut off cut in a fearful manner. Dunn was brought to Shrewsbury, where amputation was performed by Drs. Buzzy and Geary, of that place and the injured man was removed to Lork hospital on the accommodation train last evening. Dunn belonged to a squad of soldiers who were escorting a lot of rebel prisoners to Elmira, and he alleges that he was thrown from the train by one of the officers connected with his party. His term of service will expire in ten days, at the end of which time he intended to return home. His physicians assert that he may recover if the amputation does not prove fatal.

PROCEEDINGS OF COUNCIL.—The Common Council met last evening for the purpose of deliberating on the subject of paying bounties to volunteer enlistments. After considerable "Yankee"—as the see esh called him—took off the prize, and seesh felt mortified and chaconversation, a motion was made by Mr. Samuel Myers, of the Fifth ward, that a bounty of \$200 be paid to each man credited to the city of Harrisburg. On the adoption of this motion. the yeas and nays were called, and were as them? follows:

Constructive Larceny.—On a charge of this character a man named William Roberts was brought before the Mayor. It appears that \$125 had been placed in his hands for safe keeping, by a friend, who now alleges that he appropriated it to other uses than was designed by the owner. The case will have a further hearing.

Nuisances.-Two parties have been up on charge of maintaining nuisances.

Mr. Hollingsworth, who is a loyal man, thereupon kicked the pedlar's samples out of doors, and the owner after them, and refused to take a single article purchased from the rebel sympathizer.

BLOCKING UP THE PAVEMENT. -Our attention has frequently been called to the manner of blocking up the sidewalks in our public thoroughfares, and particularly in front of some of the hotels. We have frequently observed that the pavement in front of the White Hall Hotel, Market street, is filled with chairs occupied by loungers, in such a manner that it is almost impossible for ladies to pass. This was especially the case last evening, when the streets were filled with market-going people. We hope the police will pay attention to this universal complaint. > TOURNAMENT AT BEBFORD SPRINGS. - By the following notice, which we find in one of the Bedford papers, it will be seen that one of the young ladies of our city took a conspicuous part in a recent tournament at Bedford Springs. The paper says:

"A tournament was held at the Springs on Monday last. There were, we understand, five Knights in the lists, only two of them loyal men, and excitement ran high, the majority at the Springs being Southern sympa-thizers, but Mr. George Lyon, a native of the "little village" of Beddord, but now of New York city, won the prize, and in the evening crowned Miss Dollie Warford, of Harrisburg, Queen of Love and Brauty, and she presided as such throughout the evening.
