TOWN AND COUNTRY.

WILL BE SOLD AT PUBLIC SALE, at the residence of Mr. Wm. Carson, on Front street, three doors above the Fox Tavern, his entire household and kitchen furniture, consisting of beds and bedding, bureau, looking glass, carpets, &c. Sale to commence at 2 o'clock, to-morrow (Saturday) afternoon.

W. BARR & SON, Auctioneer.

In our columns will be found the card of Mr. Henry Radabaugh, who offers himself as a candidate for Register, subject to the decision of the Union Convention. Mr. R. is well known in this city, where he has long performed the duties of constable. His nomination would be equivalent to an election. See card.

Lost.—A deed for a lot bought at Treasurer's sale in 1862, was lost this morning somewhere in Market street. It is of no value except to the owner, and the finder will please return it to this office.

FIFTH WARD RADISH.—Mrs. Hoester Ann Walters, of the Fifth ward, has left at our office a radish which measures two feet in length and nine inches in circumference! Mrs. W. thinks she can "beat the State" on large vegetables.

DEATH OF THE STEWARD OF THE POOR HOUSE.—We regret to learn that John Whitmoyer, the steward of the Poor House, died yesterday morning, of typhoid fever. Mr. W. was an energetic and industrious business man, and the directors will find it difficult to supply his place.

SMASH-UP.—About eight o'clock this morning a horse came dashing down Third street, drawing with him a buggy. When near Market street, two wheels left the vehicle. The horse turned the corner of Market, and was captured in front of Herr's Hotel, but succeeded in kicking the buggy to pieces. No person was injured.

VERY IMPORTANT DECISION.—The Commissioner of Internal Revenue has decided that when sums of over \$20 are paid, and the person paying the same asks for a receipt, said party should furnish the revenue stamp required by law. On the other hand, if the party receiving the money tenders a receipt without being requested to do so, he is the proper person to furnish the stamp. In no case should a receipt of over \$20 be signed until the stamp is attached.

PERSONAL.—Hon. Thaddeus Stevens was on the floor of the House of Representatives yesterday afternoon. The veteran statesman doubtless recalled in his own mind many a scene of triumph through which he passed on that floor, and we were pleased to notice the hearty congratulations with which he was received by the Representatives, of all parties. It is what his intellect and services richly deserve.

Rev. W. C. Cattell, late pastor of the O. S. Presbyterian church of this city, was in town to-day, and left this afternoon for Easton. Rev. C. has many warm friends in Harrisburg, who always meet him with pleasure.

A JUST DECISION OF THE BOARD OF ENROLLMENT.—One of the evils which we have suffered, in furnishing our quota of troops, has arisen from the fact, that so many persons from abroad are here buying up substitutes. By this system of purchase many sub-districts will be completely drained of their population. In order to correct this evil, Provost Marshal Clements has decided to issue no papers to any individual who puts a substitute in at this post, for whom he intends to seek recruits in some other district. The decision is a just one, and will be conducive in preventing great hardships in many of the sub-districts.

NOT OUT OF THE DRAFT.—We are informed that we were mistaken in stating as we did in our last, that the Second ward of this city had filled its quota for the coming draft. This is not the case, and will not be unless a little more liberality is shown in subscribing funds, on the part of those liable to the draft. Those having charge of the matter state that a commendable liberality has been shown by many, while others equally able and liable to draft, have in some instances wholly declined, and in others have subscribed very small amounts, and that if there is no improvement in this respect, they will have to take their chances in the turn of the wheel.

EXEMPTION BY COMMUTATION.—It is still a question open for debate in the Western States, whether the commutation heretofore paid now exempts a man from draft. A special dispatch in a late number of the Cincinnati Gazette, from Washington city, announces that commutations count as credits on the draft. The question then immediately involved is whether those who paid commutation are exempt. If it was the requirement of the law that the person drafted should go into the service for three years or pay the sum of \$300 to the Government in lieu thereof, then it certainly seems that those who so paid performed their portion of the contract; and they should not be again subjected immediately to the same ordeal with those who have never perhaps paid a farthing or rendered an hour's service to the Government. If the War Department will legislate on this subject, let it be to its full length and breadth, that we may know just where we stand. A little more light is needed.

FOR SALE.—An elegant building lot, situated on Third street above North, 21 feet front by 131 feet in depth, running to a 90 feet wide alley. For particulars enquire at an9-dtf THIS OFFICE.

NEW CLOTHING STORE.—Messrs. L. & P. Bernhard have opened an extensive assortment of new clothing at No. 105, Market street—Kunkel's new building—where the public are invited to call and get bargains, as the stock will be sold at low rates. See advertisement. aug15-1w

HOPE FIRE COMPANY.—A stated meeting of the Hope Fire Company will be held on Friday evening, (19th inst.), at their Hall. All the active, honorary and contributing members are requested to attend, including those who have already enlisted in the United States service, as business of great importance will be brought before the meeting. Let every member attend. td

PARKER HOLLIS, a colored man from Bel-Air, Harford county, Md., arrived in Harrisburg yesterday, and is anxious to have Henry Hollis, or Harriet and Ellen Hollis, to call for him. He can be found at the Capitol ground at any time. The party formerly belonged to John Magnus, of Bel-Air, Md. Persons knowing of the whereabouts of Henry, Harriet or Ellen will confer a favor by informing them of these facts. td

APPORTIONMENT BILL.—Mr. Schofield has on exhibition in the House of Representatives a map of the boundaries of the new 15th District. It is a curiosity. In length it extends from the junction of Nicotown Lane and the Lamb Tavern road to the river Delaware, and in extreme width from the Richmond boundary line to Master street. But there are no two points at which it is either the same length or the same width. It has twenty-seven acute angles, and in shape more nearly resembles the outlines of a very lean horse than any other animate or inanimate object. It is formed of patches of four different wards, of short strips of narrow country, of long dashes of agricultural country, and of sections in which probably none of the residents have a remote idea of the district to which they are attached.

The man who undertakes to make a canvass before the October election will require a corps of surveyors, and a better map of the city than has yet been published. The district comprises the 1st, 4th, 5th, 9th and 10th divisions of the Nineteenth ward, the 3d and 11th of the Twentieth, the 1st and 9th of the Twenty-first, and the 6th and 6th of the Twenty-fifth wards.

PRESENTATION.—The citizens of the Sixth ward, Harrisburg, desirous of expressing their approbation of the manner in which G. B. Cole, Alderman, and Harry Radabaugh, Constable of said ward, have discharged their duties as officers of the law, concluded to present them with a testimonial of their respect and esteem. Accordingly on Saturday evening last the committee called a meeting at the public house of John Stenlar, when Wm. H. Bohl, Esq., was called to the chair, Samuel Rank, Esq., Alex. McClinton, John Stenlar and George Hickman chosen as Vice Presidents, and Wm. Green, Jackson Hummelback and Michael Bengler appointed Secretaries. The President stated the object of the meeting, after which Mr. Rank, chairman of the committee, arose, and in an eloquent and appropriate speech, presented Alderman G. B. Cole with a splendid revolving chair, and Harry Radabaugh with a handsome silver badge of office. This address was responded to by Messrs. Cole and Radabaugh in a manner worthy of men in higher positions in life. After partaking of refreshments, speeches were delivered, toasts given and several national odes sung. A resolution was unanimously adopted, ordering the proceedings of the meeting to be published in the daily papers of Harrisburg. The meeting then adjourned, all being highly pleased with the evening's entertainment. OFFICERS.

GRAND BILL.—First Class Entertainment.—Great Attraction.—The people of Harrisburg will to-night have an opportunity of attending an entertainment such as has never been witnessed here, and we have no doubt the manager of the Theatre will be liberally remunerated for his exertions to place before our citizens the first-class dramas, as they are performed in the great cities of the country. This evening the bill comprises the great drama entitled FANCHON, THE CRICKET, which abounds in the most thrilling scenes ever witnessed by an audience, including the Shadow Dance, and a great number of tableaux that defy description. Miss Fanny B. Price, the Queen of Tragedy, will appear as Fanchon, a character that she has sustained in a manner that has won for her the most extravagant laudations of the best critics.—Messrs. Rouse and Mecker will appear as the Twin Brothers; Miss Nellie Sprague as Old Fadet, the Witch of Coesse; and Mr. Alex. Fisher as Father Barbaud. The occasion has been set apart for the benefit of Miss Fanny B. Price, and we have no doubt that the capacious hall will be filled to overflowing. Go to Bannvar's and secure a seat early.

Last night the Star Company, drew another full house, and all present were delighted with the *Foundling of Paris*, which was performed in grand style. Har. chelt. fully sustained his reputation as a *Star*, as did also Miss Price, while all the other members of the troupe appeared to be perfectly at home in the various parts.

A Few Good Men. Will yet be taken in the VERBEKE GUARDS. The company is full to the minimum, and is desirous of filling to the maximum. Men are mastered in, clothed, subsisted and receive all local bounty immediately after enlistment, and can credit themselves where they please, so as to secure the highest cash bounties.—Call at the WALNUT STREET EXCHANGE, (lower room). G. WASHINGTON FENN, Captain. JOHN B. STOUT, Orderly Sergeant. 26

THE SPECIAL attention of persons having daughters to educate is invited to the advertisement of Susquehanna Female College, located at Selinsgrove, Pa. As an educational institution it has no superior. Its principal, Rev. S. Domes, is so well-known as to render it unnecessary for us to say anything further than that he is just the man for the place. A thorough education can be obtained at this College, while many advantages are afforded that are seldom found in such institutions.

Manufactured only by C. A. Bannvar & Co., Harrisburg, Pa. To whom all orders should be addressed. Sold by drugist all over where.

Read the following testimonials from some of our eminent clergymen: HARRISBURG, Feb. 6th, 1864. O. A. BANNVAR.—Dear Sir: I have used Brown's Bronchial Troches, Wistar's Lozenges and other preparations for hoarseness and throat troubles, and in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in time of need, most effectually. Yours truly, T. H. ROBINSON, Pastor of N. S. Presbyterian Church.

I agree with Mr. Robinson as to the value of Bannvar's Troches. W. C. CATTELL, Late Pastor of O. S. Presbyterian Church. HARRISBURG, Jan. 1, 1864. To O. A. BANNVAR.—Dear Sir: In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that what has been supplied in your excellent Troches. I consider them very far superior to any Lozenges that I have ever used, and serving especially that I have been relieved from the too frequent use of them, and impairing the effectiveness of the delivery of public address. Yours, &c. JNO. WALKER JACKSON, Pastor of the Locust St. Methodist Church.

To O. A. BANNVAR.—Dear Sir: Having used your Troches, I am free to say they are the best I have ever tried and take great pleasure in recommending them to all persons afflicted with sore throat or hoarseness of voice arising from public speaking or singing. Yours, &c. G. G. RAKESTRAW, Pastor of Ridge Avenue Methodist Church.

NEW ADVERTISEMENTS.

U. S. 7-30 LOAN. THE Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from August 16th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent. per annum—principal and interest both to be paid in lawful money. These notes will be convertible at the option of the holder at maturity into six per cent. gold bearing bonds, payable not less than five nor more than twenty years from their date, as the Government may elect. They will be issued in denominations of \$50, \$100, \$500, \$1,000 and \$5,000, and all subscriptions must be for fifty dollars or some multiple of fifty dollars. The notes will be transmitted to the owners free of transportation charges as soon after the receipt of the original Certificates of Deposit as they can be prepared. Any savings bank deposit interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit. Parties depositing twenty-five thousand dollars and upwards for these notes at any one time will be allowed a commission of one quarter of one per cent, which will be paid by the Treasury Department upon the receipt of a bill for the amount, certified to by the officer with whom the deposit was made. No deductions for commissions must be made from the deposits. Special Advantages of this Loan. It is a NATIONAL SAVINGS BANK, offering a higher rate than any other, and best security. Any savings bank which pays its depositors in U. S. Notes considers that it is paying in the best circulating medium of the country, and it cannot pay in anything better, for its own assets are either in government securities or in notes or bonds payable in government paper. It is equally convenient as a temporary or permanent investment. The notes can always be sold for within a fraction of their face and accumulated interest, and are the best security with banks as collaterals for discounts. Convertible into a 6 per Cent. 5-20 Gold Bond. In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the current rate for 5-20 Bonds is less than nine per cent. premium, and before the war the premium on six per cent. U. S. stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent. per annum. Its Exemption from State or Municipal Taxation. But aside from all the advantages we have enumerated, a special act of Congress exempts all bonds and Treasury notes from local taxation. On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country. It is believed that no securities offer so great inducements to lenders as those issued by the Government. In all other forms of indebtedness, the faith or ability of private parties, or stock companies, or separate communities, only, is pledged for payment, while the whole property of the country is held to secure the discharge of all the obligations of the United States. While the Government offers the most liberal terms for its loan, it believes that the very strongest appeal will be to the loyalty and patriotism of the people. MEMORANDUM WILL BE REQUIRED by the Treasurer of the United States, at Washington, the several Assistant Treasurers and designated Depositories, and by all the National banks which are depositories of public money, and all respectable banks and bankers throughout the country will give further information and afford every facility to subscribers.
