MEDICAL

DR. JOHNSON, BALTIMORE LOCK HOSPITAL, HAS discovered the most certain, speedy and effectual remedies in the world for DISEASES OF IMPRUDENCE.

RELIEF IN SIX TO TWELVE HOURS. NO MERCURY OR NOXIOUS DRUGS. A Cure Warranted, or No Charge, in from One to Two Days.

Weakness of the Back, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, Nervous Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Constipation of Ideas, Palpitation of the Heart, Timidity, Trembling, Dimness of Sight or Giddiness, Diseases of the Head, Throat, Nose or Ears, Affections of the Liver, Stomach or Bowels—those terrible disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fatal to their victims than the most violent of the venereal diseases, blighting their most brilliant hopes or anticipations, rendering marriage, &c. impossible.

YOUNG MEN, Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps off an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have occupied high positions with the thousands of eloquence or ranked to ecstasy the living lyre, may call with full confidence.

MARRIAGE, Married persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, etc., especially of the above mentioned diseases, should place themselves under the care of Dr. J. Johnson, who religiously confides in his honor as a gentleman, and can safely rely upon his skill as a Physician.

ORGANIC WEAKNESS, immediately cured, and full vigor restored, by the use of this distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgence.

Left hand side going from Baltimore street, a few doors from the corner. Fall not to observe name and number. Letters must be paid and contain a stamp. The Doctor's Diplomas hang in his office.

DR. JOHNSON, Member of the Royal College of Surgeons, London, graduate from one of the most eminent colleges in the United States, and the best part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures to come under his personal observation, by the use of his medicine in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind were cured immediately.

TAKE PARTICULAR NOTICE, These are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the chest, dimness of sight, loss of muscular power, palpitation of the heart, nervous irritability, symptoms of consumption, &c.

YOUNG MEN, Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

MARRIAGE, Reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed, without these, the journey through life becomes a weary and laborious one, and the prospect darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE, When the misguided and imprudent victims of pleasure find he has imbibed the seeds of this painful disease, too often happens that an ill-timed sense of shame or the dread of discovery, from applying to those who profess education and respectability, can alone befriend him. He falls into the hands of ignorant and designing pretenders, who, instead of curing, fill his pecuniary substance, keep him awake at night, and as long as the smallest fee can be obtained, and in despair leave him with ruined health to sigh over his glaring disappointment, and the use of the deadly poison of Mercury, which produces constitutional symptoms of this terrible disease, such as sores on the Head, Throat, Nose, Skin, etc., progressing with frightful rapidity till death puts a period to his sufferings, by sending him to that unfeeling and unfeeling country from whence no traveler returns.

INDORSEMENT OF THE PRESS, The many thousands cured at this institution, year after year, and the numerous important surgical operations performed by Dr. Johnson, witnessed by the reports of the Star, Clipper, and many other papers, notices of which have appeared in the public papers, and the public bearing his standing as a gentleman of character and ability, is a sufficient guarantee to the afflicted.
