t Sanford is at home. Since Monday evening, the houses have been extraordinarify crowded, and the entertainments produced by him are of the most attractive kind. Sanford is only here for a period of six nights, as a star. He heads the bills, and none could be more powerful than he to draw full houses.-To-night he performs in burlesque opera, in which he is so famous. Don't forget to be on hand, as the Opera House has been jammed each evening at an early hour.

THE PRINTING OFFICES OF CHAMBERSBURG. From the Franklin Repository we learn that the German Reformed Messenger lost every thing except the stereotype plates that were in the vault. Arrangements are about being made to have the paper published by contract in the East, until the 1st of January next, when the office will probably be re-established either at Lancaster or Philadelphia. The loss is about \$40,000.

The Repository lost all its material and presses, besides \$2,000 worth of paper. The subscription list and ledger only were saved. The loss is about \$7,500.

MAGNIFICENT GIFTS. - While the great topics of the day, the war, bounties, prices of substitutes, premium on gold, etc., are being discussed by those interested (pecuniarily) in those subjects, there are other matters worthy of the attention of the public, prominent among which we notice the time-honored custom of presenting tokens of respect to our friends. At the present time, when so many resort to caning by way of exhibiting their friendship, we would remind hose interested that a large assortment of magnificent canes are on exhibition at the establishment of M. H. Lee, on Market street. Canes of every description can be found there, at prices to suit the times. They have been manufactured expressly for presentation occasions, and we would advise our patrons to call and see them.

C. A. I have found them serving in time of need, most effectually.

paid in lawful money.

These notes will be convertible at the option of the holder at maturity into six per cent. gold bearing bonds, payable not less than five nor more than twenty years from their date, as the Government may elect. They will be issued in denominations of \$50, \$100, \$500, \$1,000 and \$5,000, and all subscriptions must be for fifty dollars or some multiple of fifty dollars.

The notes will be transmitted to the owners free of transportation charges as soon after the receipt of the original Certific tes of De-

As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit.

Parties depositing twenty-five thousand dollars and upwards for these notes at any one time will be allowed a commission of one quarter of one per cent., which will be paid by the Treasury Department upon the receipt of a bill for the amount, certified to by the
