## MEDICAL.

**ELECTRICITY.**  
**DRS. WYETH AND CREAMER,** Electric  
and Electrostatic physicians, respectfully offer  
their professional services in all the various branches of  
the profession, for the treatment of all acute and chronic  
forms of disease.

The remedial means they employ in the treatment of  
disease consist of Magnetism, Galvanism, Electro-Magnet-  
ism, the Swedish method of Localized movement cure, a  
few Electric medicines when deemed necessary, and in  
fact all the natural curative agents that may successfully  
be brought to bear upon the disease.

They do not wish to be understood as arrogating to  
themselves any superiority of professional skill, but they  
believe the remedies they employ in the treatment of dis-  
ease far superior to those generally employed by physicians,  
from the fact that they act in perfect harmony with the  
laws governing and controlling the human system. To  
this, and the fact that they confine themselves to no par-  
ticular path or system, they attribute their success in  
controlling disease.

The principal agent they employ in the treatment of  
disease, namely, Electricity, is an agent wonderful in its  
phenomena and powerful in its effects for good or ill. It  
is an ever present, all-pervading principle, governing all  
life, from rolling worlds down to the invisible particles  
of gaseous matter. We see it in the lightning's flash and  
hear the manifestations of its power in the rattling thun-  
der. It is the cause of all decomposition, recomposi-  
tion and transformation. It excites all motion. It is the  
exciting cause of life, growth, decay and death. It  
causes secretion, excretion, digestion. It is the cause of  
crude food in the stomach, converts it into a state of flu-  
idity, transmits it into arterial blood, and sends it on its  
important office of supplying nutriment according to the  
necessities of the body. It is the nerve vital fluid, the  
great agent through which the mind acts upon the body.  
It is the cause of all disease except the first great cause,  
the infinite mind which created it and brought into it a  
force admitting of strong and irresistible proof. Is it then,  
to be wondered at that an agent so wonderful in its phe-  
nomena, so powerful in its manifestations and so intimate-  
ly connected with all the operations of the human sys-  
tem, should be almost absolute in its power of controlling  
disease? Certainly not. It is a natural sequence and  
follows as surely as day follows night.

Among the diseases which are found to yield readily to  
Electricity, in conjunction with proper adjunct treatment,  
may be mentioned the following: Incontinent Consumption;  
Paralysis, Epilepsy, Hysteria and other Convulsions;  
Neuralgia, in its worst forms, Rheumatism, Inflammatory  
and chronic, all diseases of the nervous system, typhoid  
fever in a few treatments, all diseases of the urinary  
and genital organs; Female Diseases, Asthma, Piles and  
Protrusion Anal, Amnesia and all kindred affections of  
the eye; Aneurism, all skin diseases, &c., &c.

Persons may appear like mere crotchets, but they are  
not, and no case taken where some relief cannot be af-  
forded. Consultation free. Office, South Second street,  
below Chestnut, Harrisburg, Pa. Office hours from 8 to  
12 A. M., 1 1/2 to 5 and 7 to 9 P. M.

faction and cures more diseases than any other prepara-  
tion offered to the public. Prepared solely by S. A. KUN-  
KEL & BRO., 118 Market street, Harrisburg.  
For sale by Druggists and Dealers everywhere.

**BEWARE OF**  
**Counterfeits**  
As Kunkel's Bitter Wine of Iron is the only sure  
and effectual remedy in the known world for the permanent  
cure of Dyspepsia, and as there are a number of  
imitations offered to the public, we would caution the  
community to purchase none but the genuine article,  
which is stamped on the top of the cork of every bottle. The very  
fact that others are attempting to imitate this valuable  
remedy, proves its worth and speaks volume in its favor.

The Bitter Wine of Irons put up in 75 cent and \$1.00  
bottles, and sold by all respectable druggists throughout  
the country. Be particular that every bottle bears the  
signature of the proprietor.

This Wine includes the most agreeable and efficient  
Salt of Iron we possess; Citrate of Magnesia Oxide com-  
bined, with the most energetic vegetable tonic, Yellow  
Pervian bark. The effect in many cases of debility, loss  
of appetite, and general prostration, of an efficient Salt of  
Iron, combined with our valuable Nerve Tonic, is most  
happy. It stimulates the appetite, raises the pulse, takes  
off muscular lassitude, restores the pallor of debility,  
and gives a sturdy vigor to the countenance.

**LYON'S PERIODICAL DROPS,**  
FOR FEMALES.

**THE GREAT**  
**FEMALE REGULATOR,**  
Are the only known remedy that will successfully  
and invariably restore and regulate the female system, remov-  
ing all irregularities, and producing health, vigor, and  
strength.

**DR. JOHN L. LYON'S**  
**FRENCH PERIODICAL DROPS,**  
**THE GREAT**  
**FEMALE REGULATOR,**

Are the only known remedy that will successfully  
and invariably restore and regulate the female system, remov-  
ing all irregularities, and producing health, vigor, and  
strength.

**LYON'S PERIODICAL DROPS**

Are a fluid preparation, the only true one of the kind ever  
discovered in this country, and acts directly on the parts  
affected, whilst pills and powders can only reach them as they  
work through sympathy, but not at all direct and  
positive.

Are you suffering from a constant anxiety for the regu-  
lar return of nature's prescribed laws?  
Give yourself no uneasiness, for Lyon's Periodical Drops,  
if taken a day or two before the expected period, will pos-  
itively and invariably regulate its coming, as sure as effect  
follows cause, as certain as daylight follows darkness.  
Are you sick, debilitated by disease, or unable to bear the  
labor and danger of increase?

**LYON'S PERIODICAL DROPS**

Come to you as a blessing, for is not prevention better than  
cure?  
If regularly taken, it is a certain preventive, and will save  
you much pain and many hours of suffering.  
Have you been afflicted for many years with complaints  
incident to the sex, that have baffled the skill of phy-  
sicians, and are hurrying you on to an early grave?

**LYON'S PERIODICAL DROPS**

Are the most reliable regulator ever known, and sure, like  
magic, all those irregularities that have defied the doctor's  
skill.  
Will you waste away with suffering from Leucorrhoea,  
Profluvia, Dysmenstruation, and a host of other difficult  
ties, all summed up under the name of suppressed and  
obstructed nature, when an investment of one dollar in

**LYON'S PERIODICAL DROPS**

will surely save you.  
Do not use the drops when forbidden in the directions,  
for although a positive cure, and harmless at all other  
times, they are so powerful and finely calculated to adjust  
and govern the functions of the sexual organism, that if  
taken at improper times, they would produce results con-  
trary to nature, against which all, particularly those who  
would reproduce, should carefully guard.

**LYON'S PERIODICAL DROPS**

Cannot harm the most delicate constitution at any time;  
yet the proprietors wish to guard against its misuse,  
hoping that a thousand bottles will be used for a good pur-  
pose where one is used for an illegitimate one.

## MEDICAL.

**DR. JOHNSON,**  
**BALTIMORE**  
**LOCK HOSPITAL,**  
HAS discovered the most certain, speedy  
and effectual remedies in the world for  
**DISEASES OF IMPURDENCE.**  
RELIEF IN SIX TO TWELVE HOURS.  
NO MERCURY OR NOXIOUS DRUGS.

A Cure Warranted, or No Charge, in from One  
to Two Days.

Weakness of the Back, Affections of the Kidneys and  
Bladder, Involuntary Discharges, Impotency, General De-  
bility, Nervousness, Dyspepsia, Languor, Low Spirits,  
Confusion of Ideas, Palpitation of the Heart, Timidity,  
Trambling, Dimness of Sight or Giddiness, Headache of the  
Head, Throat, Nose or Skin, Affections of the Liver  
Lungs, Stomach or Bowels—those terrible disorders  
arising from the Solitary Habit of Youth—those who  
solicit and practice more fatal to their victims than the  
song of Sirens to the Mariners of Ulysses, blighting their  
most brilliant hopes or anticipations, rendering marriage,  
&c., impossible.

**YOUNG MEN**  
Especially, who have become the victims of Solitary Vice,  
that dreadful and destructive habit which annually sweeps  
to an untimely grave thousands of Young Men of the  
most exalted talents and brilliant intellects, who might  
otherwise have entranced listening Senates with the thun-  
ders of eloquence or walked to ecstasy the living lyre, may  
call with full confidence.

**MARRIAGE.**  
Married persons, or Young Men contemplating marriage,  
being aware of physical weakness, organic debility, defor-  
mities, &c., speedily cured.

Who places himself under the care of Dr. J. may re-  
ligiously confide in his honor as a gentleman, and count  
heavily on his skill as a Physician.

**ORGANIC WEAKNESS**  
Immediately cured, and full vigor restored.  
This distressing affection—which renders life miserable  
and marriage impossible—is the penalty paid by the vic-  
tims of improper indulgence. Young persons are too apt  
to commit excesses from not being aware of the dreadful  
consequences that may ensue. Now, who that under-  
stands the subject will pretend to deny that the power of  
procreation is lost sooner by those falling into improper  
habits than by the prudent. Besides being deprived the  
pleasures of healthy offspring, the most serious and de-  
structive symptoms to both body and mind arise.  
The system becomes deranged, the physical and mental  
functions weakened, loss of procreative power, nervous  
irritability, depression, palpitation of the heart, indigestion,  
constitutional debility, a wasting of the frame, cough, con-  
sumption, decay and death.

Office No. 7, South Frederick Street, &  
Left hand side going from Baltimore street, a few doors  
from the corner. Fall not to observe name and number.  
Letters must be paid and contain a stamp. The Doctor's  
Diploma hang in his office.

**DR. JOHNSON,**  
Member of the Royal College of Surgeons, London, gradu-  
ate from one of the most eminent colleges in the United  
States, and the greater part of whose life has been spent  
in the hospitals of London, Paris, Philadelphia and else-  
where, has effected some of the most astonishing cures that  
were ever known; many troubled with ringing in the  
head and ears when asleep, great nervousness, being  
alarmed at sudden sounds, and being so much afflicted  
with blushing, attended sometimes with derangement of mind  
were cured immediately.

**TAKE PARTICULAR NOTICE.**  
There are some of the sad and melancholy effects pro-  
duced by early habits of youth, viz: weakness of the back  
and limbs, pains in the head, dimness of sight, loss of  
muscular power, palpitation of the heart, dyspepsia, ner-  
vous irritability, symptoms of consumption, &c.  
MARRIAGE.—The fearful effects on the mind are much  
to be dreaded—loss of memory, confusion of ideas, de-  
pression of spirit, early forebodings, aversion to society,  
self distrust, loss of solitude, timidity, &c., are some of  
the evils produced.

**YOUNG MEN**  
Who have injured themselves by a certain practice in-  
dulged in when alone, a habit frequently learned from  
evil companions, or at school, the effects of which are  
nearly fatal, even when asleep, and if not cured, render  
marriage impossible, and destroys both mind and body,  
should apply immediately.

What a life! What a young man, the hope of his country,  
the darling of his parents, should be snatched from all  
prospects and enjoyments of life, by the consequence of  
devoting from the path of nature and indulging in a  
certain secret habit. Such persons incur, before consem-  
plating

**MARRIAGE.**  
Reflect that a sound mind and body are the most necessary  
qualifications to promote domestic happiness. Indeed, with-  
out these, the journey through life becomes a wearisome  
pilgrimage; the prospect hourly darkens to the view; the  
mind becomes shadowed with despair and filled with the  
melancholy reflection that the happiness of another be-  
comes blighted with its own.

**DISEASE OF IMPURDENCE.**  
When the misguided and imprudent votary of pleasure  
finds he has imbibed the seeds of this painful disease,  
too often happens that an illudged source of shame or the  
dread of discovery deters him from applying to those who  
from education and respectability, can alone befriend him  
in his fall into the hands of ignorant and designing pretend-  
ers, who, incapable of curing, rich his misfortune, render  
marriage impossible, and destroys both mind and body,  
should apply immediately.

**INDORSEMENT OF THE PRESS.**  
The many thousands cured at this institution year after  
year, and the numerous important surgical operations  
performed by Dr. Johnson, witnessed by the reporters of  
the Sun, Clipper, and many other papers, notices of which  
have appeared again and again before the public, besides  
his standing as a gentleman of character and responsi-  
bility, is a sufficient guarantee to the afflicted.

Those of you who have not given our HORSE AND CAT-  
TLE POWDERS a trial know not their superiority, and the  
advantage they are in keeping Horses and Cattle healthy  
and in a good condition.

Thousands can testify to the profit they have derived  
from the use of our Cattle Powders, by the increased quan-  
ty and quality of milk, besides improving the general  
health and appearance of their cattle.

Our long experience in the business gives us the advan-  
tage of a thorough knowledge of the trade, and our ar-  
rangements in the cities are such that we can, in a very  
short time, furnish anything appertaining to our business,  
on the best of terms.

Thankful for the liberal patronage bestowed on our  
house, we hope by strict attention to business, a careful  
selection of

at low prices, and the desire to please all, to merit a con-  
tinuance of the favor of a discriminating public.
