MEDICAL.

GLAD NEWS FOR THE UNFORTUNATE

THE LONG-SOUGHT FOR

DISCOVERED AT LAST.

Cherokee Remedy,

AND

CHEROKEE INJECTION!

COMPOUNDED FROM ROOTS, BARKS AND LEAVES.

CHEROKEE REMEDY, the great Indian Diuretic, cures all diseases of the urinary organs, such as Incontinence of the Urine, Inflammation of the Bladder, Inflammation of the Kidneys, Stone in the Bladder, Stricture, Gravel, Gleet, Gonnorhea, and is especially recommended in those cases of Fluor Albus (or Whites in females) where all the old nauseous medicines have failed.

☞ It is prepared in a highly concentrated form, the dose only being from one to two teaspoonfuls three times per day.

☞ It is diuretic and alterative in its action; purifying and cleansing the blood, causing it to flow in all of its original purity and vigor; thus removing from the system all pernicious causes which have induced disease.

CHEROKEE INJECTION is intended as an ally or assistant to the CHEROKEE REMEDY and should be used in conjunction with that medicine in all cases of *Gonnorhea, Gleet, Fluor Albus or Whites.* Its effects are *healing, soothing and demulcent;* removing all scalding, heat, chordee and pain, instead of the burning and almost undurable pain that is experienced with nearly all the *cheap quick Injections.*

☞ By the use of the CHEROKEE REMEDY and CHEROKEE INJECTION the two medicines at the same time—all improper discharges are removed, and the weak organs are speedily restored to full vigor and strength.

☞ For full particulars, get our pamphlet from any drug store in the country, or write us, and we will mail free, to any address, a full treatise.

☞ Price, CHEROKEE REMEDY, $2 per bottle, or three bottles for $5.

☞ Price CHEROKEE INJECTION, $2 per bottle, or three bottles for $5.

☞ Sent by express to any address on receipt of price.

☞ Sold by all druggists everywhere.

DYSPEPSIA, DYSPEPSIA, DYSPEPSIA.

I, ELIZABETH BRANSON, of Brandywine, Del., formerly of Old Chester, Del., do certify that, for one year and a half I suffered everything but death from that awful disease called Dyspepsia. My whole system was prostrated with weakness and nervous debility; I could not digest my food; if I ate even a cracker or the smallest amount of food, it would return just as I swallowed it; I became so costive in my bowels that I would not have a passage in less than from four and often eight days; under this immense suffering, my mind seemed entirely to give way. I had a dreadful horror and evil forebodings. I thought everybody hated me, and I hated everybody; I could not bear my husband nor my own children, everything appeared to be horror-stricken to me; I had no ambition to do anything; I lost all my love of family and home; I would ramble and wander from place to place, but could not be contented; I felt that I was doomed to hell, and that there was no heaven for me, and was often tempted to commit suicide, and also my mind from that awful complaint, Dyspepsia, that my friends thought best to have me placed in Dr Kirkbride's hospital, West Philadelphia; I remained there nine weeks, and thought I was a little better, but in a few days my dreadful complaint was raging as bad as ever. Hearing of the wonderful cures performed by Dr. Wishart's Great American Dyspepsia Pills and his treatment for Dyspepsia, my husband called on Dr. Wishart and stated my case to him. He said he had no doubt he could cure me. So in three days after I called and placed myself under the Doctor's treatment, and in two weeks I began to digest my food, and felt that my disease was fast giving way, and I continued to recover for about three months, and at the present time I enjoy perfect health of body and mind, and I most sincerely return my thanks to a merciful God and Dr. Wishart, and to his great American Dyspepsia Pills and Pine Tree Tar Cordial that saved me from an Insane Asylum and premature grave. All persons suffering with Dyspepsia are at liberty to call on me or write, as I am willing to do all the good I can for suffering humanity. ELIZABETH BRANSON,

DYSPEPSIA! DYSPEPSIA!

DR. WISHART—I have been a constant sufferer with Dyspepsia for the last eighteen years, during which time I cannot say I ever enjoyed a perfectly well day. There were times when the symptoms were more aggravated than at others, and though it seemed it would be a great relief to die. I had at all times an unpleasant feeling in my head, but latterly my sufferings so much increased that I became almost unfit for business of any kind; my mind was continually filled with gloomy thoughts and forebodings, and if I attempted to change their current by reading, at once a sensation of leg cuddles in connection with a dead weight, as it were, rested upon my brain; also, a feeling of sickness would occur at the stomach, and great pain to my eyes, accompanied with which was the continual fear of losing my reason. I also experienced great lassitude, debility and nervousness, which made it difficult to walk by day or sleep at night. I became averse to society, and disposed only to seclusion, and having tried the skill of a number of eminent physicians of various schools, finally came to the conclusion that, for this disease at my present age (45 years) there was no cure in existence. But, through the interference of Divine Providence, to whom I desire to offer my thanks I at last found a sovereign remedy in your Dyspepsia Pills and Tar Cordial, which seem to have effectually removed almost the last trace of my long list of ailments and bad feelings, and in their place health, pleasure and contentment are my everyday companions.

A POSITIVE CURE FOR DYSPEPSIA.

HEAR WHAT MR. JOHN H. BABCOCK SAYS.

No 628 OLIVE STREET,
Philadelphia, January 22d, 1863.

DR. WISHART—Sir:—It is with much pleasure that I am now able to inform you that, by the use of your great American Dyspepsia Pills, I have been entirely cured of that most distressing complaint, Dyspepsia. I had been grievously afflicted for the last twenty-eight years, and for ten years of that time have not been free from its path one week at a time. I have had it in its worst form and have dragged on a most miserable existence—in pain day and night. Every kind of food that I ate filled me with wind and pain, it mattered not how little, or how small the quantity. A continued belching was sure to follow. I had no appetite for any kinds of meats whatever and my distress was so great for several months before I heard of your Pills, that I frequently wished for death. I had taken everything that I had heard of for Dyspepsia, without receiving any benefit; but on your Pills being recommended to me by one who had been cured by them, I concluded to give them a trial, although I had no faith in them. To my astonishment, I found myself getting better before I had taken one fourth of a box, and after taking half a box, *I am a well man, and can eat anything I wish*, and enjoy a hearty meal three times a day, without inconvenience from anything I eat or drink. If you think proper, you are at liberty to make this public and refer to me. I will cheerfully give all desirable information to any one who may call on me

Yours, respectfully, JOHN H. BABCOCK.

DYSPEPSIA! DYSPEPSIA!

I, Samuel D. Haven, have been a great sufferer with Chronic Dyspepsia and Inflammation of the kidneys for three years. I employed three or four of the most eminent physicians of Philadelphia, also of Burlington county N. J. They aid all for me they could, but all to no purpose. I was constantly filled with awful pain and distress, and with constant belching of wind and sour acid. My tongue was covered with a white coating of mucus until it cracked in large furrows, and was dreadfully sore! Oh! I oftimes wished for death to relieve me of my sufferings, for I had lost all hope of ever being well again. I made it a subject of prayer to God that he would direct me to some physician or medicine that would cure me. I was told to read an advertisement of Dr. Wishart's in the Philadelphia *Ledger*, of a great cure made upon Mr. John Babcock, of 1028 Olive street, Philadelphia, by the great American Dyspepsia Pills. I went to the Doctor's Office, and placed myself under his treatment, and told him if he failed to cure me, it would be the last effort I would make. It has been six weeks since I commenced the use of his medicine, and I am now a well man, free from all pain and distress, and can eat three hearty meals a day with comfort, and feel perfectly well. Dr. Wishart, I want you to publish my case, as I want every poor dyspeptic suffering as I was, to call on me, and I will tell them of the great cure I have received from your invaluable medicine.
