HARRISBURG, PA.

FRIDAY EVENING, AUGUST 26, 1864.

NOTICE TO ADVERTISERS.—All advertisements, Business Notices, Marriages, Deaths, &c., to secure insertion in the TELEGRAPH, must invariably be accompanied with the CASH. Advertisements ordered in the regular Evening Edition are inserted in the Morning Edition without extra charge.

**TOWN AND COUNTRY.**

There will be a large quantity of genuine Seckle Peas offered at the lower Market this evening.

SWEET POTATOES are offered for sale in considerable quantities, by our dealers. Prices average about \$3 per bushel for a good article.

A LARGE bear was killed near Lewis-town, a few days ago. She had been devouring numerous pigs, etc., in the neighborhood, but now her occupation is gone.

POCKET PICKED.—Mr. Samuel B. Irvine, of Cumberland county, was relieved of his pocket-book and its contents, night before last, by the light-fingered fraternity. We did not learn the exact amount of Mr. Irvine's loss.

HEAR AGAIN.—A large number of pick-pockets have again congregated here. Their object is to relieve recruits of their booty.—No doubt they expect to reap a rich harvest, as an abundance of greenbacks are about.

THE volunteers for one year's service are coming in by hundreds, and Camp Curtin is full of men, each of whom will be presented with various little articles for self-defense, in addition to blue clothes with brass buttons, and other "fixins" that will be convenient for use in camp.

THE little borough of New Cumberland, on the other side of the river, claims to have sent to the war eighty men—more than their whole number of voters—giving them a surplus over their quota under the present call. New Cumberland is the banner town of "Old Mother Cumberland."

ATTENTION, FIRST WARD.—All persons who are liable to the coming draft, are requested to meet at the Black Horse Hotel, this evening, at 8 o'clock, for the purpose of ascertaining the number of men who have enlisted and furnished substitutes under the last call for volunteers, so that their names can be stricken off the enrollment list.

WHO SAYS THE TIMES ARE HARD?—A Methodist congregation in Philadelphia are erecting a church edifice on the south-east corner of Broad and Arch streets, which is to cost \$250,000 when completed. Thirty thousand dollars was paid for the ground on which this temple is to stand. Ashes of John Wesley slumber in peace, because since the days of this plainness and economy, times have changed and so has humble Christianity.

QUERY.—Why is not the dog law enforced? There are hundreds of dogs running at large, without the muzzles required by law. We know of children that have been bitten within the past two days, by dogs that exhibited preliminary symptoms of hydrophobia. It is high time that something should be done to prevent unmuzzled canines from running at large. Why is not the death penalty, provided by the city ordinances, enforced? Who can tell?

MIDDLE-TOWN ITEMS.—The public schools will open on the 12th of September. The following teachers have been selected for the term: High School—Josiah Lineaweaver, Sch. of No. 2, Van Buren Deane; No. 3, Miss M. J. Lavy; No. 4, Miss Annie S. Fisher; No. 5, Miss Kate Etter; No. 6, J. D. Laverty; No. 7, Miss Ada Hutton; No. 8, G. Cornell, Nos. 9 and 10 have not yet been supplied.

THE hour for opening market has been changed to 4 o'clock, a. m. All the hands in the Journal office have enlisted.

"TRUTH AND UNION."—J. N. Free, commonly known as the immortal "J. N.," and conceded by the press to be the greatest orator, philosopher and satirist that ever lived, will address the people of this city this evening on the subject of "Truth and Union." J. N. proposes to leave for Richmond at an early day to present before the Confederate Congress his views on the exciting affairs of the nation. He "assumes all the pressure on himself," and voluntarily offers to incarcerate himself in a dungeon to assuage the prejudice against the North, and is willing to submit to martyrdom to resist the prejudice against the South. J. N. will explain the stand-point from which each reasons. Ladies are especially invited. Subject—Truth and Union.

MATTERS DEMANDING ATTENTION.—In different places in this city the gutters along the streets have become filled with dirt and filth of various kinds; in other places grass and weeds are allowed to grow to a considerable height, and are then cut down and left lying where they grow; in the back yards of some of our citizens there are foul swill-tubs, which prove very offensive to parties living near them; in many instances water-melon rinds, kitchen offal, etc., are thrown into the alleys, causing a stench that is almost intolerable. Our citizens should remember that at this season of the year it is highly necessary to observe the utmost care with a view to preserving the city in a healthy condition. The various instances alluded to above show that many are not as careful as they should be. The dead grass and weeds, the offensive sloop-barrels, and the refuse material mentioned, are all calculated to engender sickness in our midst. We would urge the necessity of removing all these nuisances, which, if not attended to, may produce disease of a most alarming character. Our city is too densely inhabited to admit the presence of anything antagonistic to the general health.

Go to Sanford's benefit to-night, at the Opera House.

ATTENTION, CAMERON ZOUAVES!—A special meeting of the Cameron Zouaves is requested this evening. BY ORDER OF THE CAPTAIN.

Among the colored soldiers confined in prison in Charleston, S. C., by the rebels, there are three from Carlisle, viz: Sergeant Alfred Whiting, Oscar Williams, and Stuart Woods.

COURT continues in session. A number of cases have been disposed of since our last report. Owing to the crowded state of our columns we are compelled to defer the proceedings until to-morrow, when they will appear, together with the report of the Grand Jury.

TAX DIFFERENCE.—There is as much difference between the Government and the administration as there is between Paradise and the Devil.—Copperhead Exchange.

And none in all the land, have been working more strenuously, to exhibit this difference, so far as hell is concerned, than the northern copperhead, dough-face sympathizers with treason.

MR. HENRY RADABAUGH, of this city, is prominently before the people with reference to the nomination for Register of this county, and, we are informed, has fair prospects of success. Mr. Radabaugh, if nominated and elected, would make a very efficient officer. He is well-known by the people of our county, and his numerous friends would be highly gratified to learn of his success, in securing the nomination.

SANFORD'S BENEFIT—Great Attraction!—This evening the great Ethiopian delineator takes a benefit at the Opera House. The bill comprises the greatest variety ever served up for a single evening's entertainment. Sanford occupies a prominent position on the programme, and the public may expect to witness a grand performance. Let everybody attend, and give S. S. a substantial benefit. Preparations have been made to accommodate a very large audience. Go and see the stars to-night.

OUR DOMESTIC MARKETS.—We wish it was possible for us to appeal successfully to the generosity of our agricultural friends who supply the domestic market of Harrisburg, and induce them to bring down their almost extortionate prices within the range of the resources of those who depend upon their daily income derived from hard labor, for their daily bread and butter. Nine-tenths of the people of Harrisburg live on fixed salaries. They cannot raise the price of their labor like the grocer and butcher, and haberdasher, to meet the fluctuations of the market. They cannot protect themselves like the landlord—but they are literally at the mercy of the merchant, the farmer and the trucker. Hence, we are justified in writing a word of defence in behalf of the mechanic and laborer, and in urging on the agriculturist the exercise of a generosity which common justice demands at their hands. In reason, there is no justification for prices which control our domestic markets. At this season, there is no necessity for butter to be selling at 50@60 cents per pound; eggs at 25@30 cents per dozen; corn 30@35 cents per dozen; peaches at the rate of \$4 per bushel; and almost every article of domestic consumption at the same rate. Such prices are extortionate. They tend to drive communities to pauperism—to force starvation on the families of the mechanic and the laborer. We therefore appeal to the common humanity of our agricultural friends to not with more liberality. Live and let live, is a glorious motto—it is the germ of a religion which will take a man to Heaven more surely than a seat-voted cushion in a fashionable church, or an ostentatious display of broadcloth and broadside at the sacrament table.

PROVOST-MARSHAL OPDYKE AMONG BOUNTY BROKERS.—Our appeals and protests in relation to the frauds perpetrated by the bounty brokers, have at length attracted the attention of those in authority, who are actively moving, according to law and their oath of office, to put an end to the villainies of this class of sharpers. No set of men in the community have done more to sow here with more unteasing, or accomplished more in the way of disgracing and impairing the military operations of the Government, than these bounty brokers. Thousands of dollars have been literally filched from the people willing to peril their lives in defence of the Government, by these knaves. Many of these fellows who came to this city without a change of linen, and with scarcely money or credit sufficient to get a night's lodging, or pay for a vessel's victuals, have succeeded by their arts and their lies in accumulating ample fortunes, in buying vast amounts of real estate in different parts of the Commonwealth, with money that should have gone to the soldier's wife and children. We are therefore glad to notice that the combinations which these men formed to delude and rob volunteers' substitutes, and take advantage of the generosity of communities, are about to be broken up. An order has been issued to the effect that every bounty broker must register his name with Capt. Opdyke, Provost-Marshal of the post, stating the district for which he is procuring substitutes, with the amount of bounty paid by the authorities for whom he is engaged. In connection with this order, the order of Assistant Provost-Marshal General, Major Dodge, will have the effect of arresting the great frauds in connection with substitutes which have already so disgraced the city. Any substitute who finds that he has not received the full bounty paid by the district to which he has credited himself, need only lay his case before Major Dodge.

HARRISBURG has already suffered grievously in reputation by the conduct of a set of infernal scoundrels who have made this city their headquarters, and put in operation their swindling connections with bounties. It therefore comes us, as well as every good citizen, unite in an effort to banish and put an end to the business—the dishonest games of the

ATTENTION, HIVERS!—A special meeting of the Hope Fire Company will be held at the hall, this (Friday) evening. Very important business is to be transacted, and every member is requested to be present—especially those who have entered the U. S. service. By order. WM. H. KEPNER, President.

THE 202d Regiment is now rapidly filling up in Camp Curtin. It is to be commanded by Col. Charles Albright, an able and experienced officer, and who was Colonel of the 132d Regiment, Pa. Vol., and 34th Pa. Militia. Large bounties are paid for men enlisting in this Regiment.

WANTED—In a store, a boy between 15 and 18 years of age. He must be able to bring good recommendations. None other need apply. For further particulars inquire at this office.

LOST.—A deed for a lot bought at Treasurer's sale in 1862, was lost recently somewhere in Market street. It is of no value except to the owner, and the finder will please return it to this office.

THE COPPERHEAD DELEGATES FROM THIS DISTRICT.—The faithful in this district will be represented at Chicago by Gen. W. H. Miller and Hamilton Alricks, both of this city, the other counties of the district not being considered worthy of recognition in the business. In addition to these gentlemen a large delegation of the faithful, composed of dough-faces, copperheads, peace men and War Democrats, will be present as outsiders, ready to throw up their hats and crack their throats for whoever may be nominated, if it is Rebezzub himself. We trust that General Miller will not introduce that inevitable "Black Cow," should he deem it necessary to address his motley colleagues in the convention.

A "STRANGER" IN OUR CITY.—This will be a gala night at Brant's Hall. A splendid bill has been prepared—one that will attract a very large audience. The occasion having been set apart for a farewell benefit to Miss Fanny B. Price, that star actress, who has won golden opinions since her first appearance here, will personate two very prominent characters. Kotzebue's beautiful play, THE STRANGER, and Bookstone's laughable production, THE ROUGH DIAMOND, form the bill of the evening. Miss Price will appear as Mrs. Haller, a character in which she is at home; and also as Margery. Mr. D. Hanchett will sustain the character of the Stranger. Miss Fanny Denham will be on hand "with songs to greet us." Messrs. Fisher, Crossen, Byrne and others will also appear, and the prince of humorists, Mr. Rouse, will appear as "Cousin Joe," and "will have buttons all over him." Go to Brant's Hall this evening. To-morrow night the engagement of Miss Fanny B. Price will terminate, therefore everybody should attend the theatre this week, if they desire to witness her performances.

Bilious Fevers, which often prevail so fatally at the South and West, may be prevented by the timely use of OSGOOD'S INDIA CHOLAGOGUE. It should be commenced on appearance of the earliest symptoms, which not unfrequently precede the attack several days, and even weeks. The sensation of fatigue on slight exertion, derangement of the stomach, weariness of the limbs, wandering pains, dejection of spirits, are the usual warnings.

Best Way to Avoid the Draft. Men wanted, for a company to be attached to Col. J. A. Matthews' regiment, \$500 local bounty, \$10 Government bounty, besides \$18 per month and clothing, rations and medical attendance. Recruits upon enlisting will be immediately mustered in, clothed, and paid their local bounty. Apply at headquarters, No. 97 Market street, Harrisburg, in the room lately occupied by Col. Johnson, Chief Quartermaster. Lieut. E. D. WILT, Recruiting Officer.

It creates a dislike for strong drink, and can be administered without the knowledge of the patient. Descriptive circulars sent to any address. Dr. Rand's Specific. The oldest and most reliable medicine for the cure of Spermorrhoea, Seminal Weakness, Loss of Power, &c. This medicine has stood the test of over thirty years, and has always proved a success. Dr. RAND'S SPECIFIC is exhibited in the form of pills, made up entirely of substances that have a specific effect upon the generative organs. Most persons associate the idea of operations upon the bowels from taking any kind of pills. The Specific of Dr. Rand is not intended as an evacuating medicine. Its medicinal virtues are expended entirely upon the impaired regenerative organs. The pills are not unpleasant to the taste, and many persons mistake them with impunity before swallowing them; which plan we speedily ways recommend as affording the most effect to get the effect of the remedy.

Read the following testimonials from some of our eminent clergymen: HARRISBURG, Feb. 8th, 1864. O. A. BANNVAR—Dear Sir: I have used your Troches, Wistar's Lozenges and other preparations for hoarseness and throat troubles, and in comparison with them, can cheerfully commend your own as a most admirable specific for hoarseness, coughs and colds. I have found them serving in time of need, most effectually.

Yours truly, T. H. ROBINSON, Pastor of N. S. Presbyterian Church.

I agree with Mr. Robinson as to the value of Bannvar's Troches. W. C. CATTELL, Past. of O. S. Presbyterian Church.

HARRISBURG, Jan. 1864. To O. A. BANNVAR—Dear Sir: In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some tonic expectorant, and that want has been supplied in your excellent Troches: I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public addresses. Yours, &c., JNO. WALKER JACKSON, Pastor of the Loonost St. Methodist Church.

To O. A. BANNVAR—Dear Sir: Having used your Troches, I am free to say they are the best I have ever used, and take great pleasure in recommending them to all persons afflicted with sore throat or huskiness of voice arising from public speaking or singing. Yours, &c., G. G. HAKESTRAW, Pastor of Ridge Avenue Methodist Church.

DISTRICT ATTORNEY'S OFFICE, HARRISBURG, Feb. 29, 1864. To O. A. BANNVAR—Dear Sir:—I have found your Troches to be invaluable in relieving hoarseness and in strengthening the muscles of the throat. **NEW ADVERTISEMENTS.**

U. S. 7-30 LOAN. THE Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from August 16th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent. per annum—principal and interest both to be paid in lawful money.

These notes will be convertible at the option of the holder at maturity into six per cent. gold bearing bonds, payable not less than five nor more than twenty years from their date, as the Government may elect. They will be issued in denominations of \$50, \$100, \$500, \$1,000 and \$5,000, and all subscriptions must be for fifty dollars or some multiple of fifty dollars.

The notes will be transmitted to the owners free of transportation charges as soon after the receipt of the original Certificates of Deposit as they can be prepared. As the notes draw interest from August 15, persons making deposits as a security for their stock must pay the interest accrued from date of notes to date of deposit.

Parties depositing twenty-five thousand dollars and upwards for these notes at any one time will be allowed a commission of one quarter of one per cent., which will be paid by the Treasury Department upon the receipt of a bill for the amount, certified to by the officer with whom the deposit was made. No deductions for commissions must be made from the deposits.

Special advantages of this Loan. It is a NATIONAL SAVING BANK, offering a higher rate than any other, and of security. Any savings bank which pays its depositors 5 U. S. Notes, considers that it is paying in the best circulating medium of the country, and it cannot pay in anything better, for its own assets are either in government securities or in notes or bonds payable in government paper.

It is equally convenient as a temporary or permanent investment. The notes can always be sold for within a fraction of their face and accumulated interest, and are the best security with banks as collateral for discounts. Convertible into a 5 per Cent. 6-30 Gold Bond. In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the current rate for 5-30 Bonds is not less than 6 per cent. per annum, and before the war the premium on six per cent. U. S. stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent. per annum.

But aside from all the advantages we have enumerated, a special act of Congress exempts all bonds and Treasury notes from local taxation. On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country. It is believed that no securities offer so great inducements to lenders as those issued by the Government. In all other forms of indebtedness, the faith or ability of private parties, or stock companies, or separate communities, only, is pledged for payment, while the whole property of the country is held to secure the discharge of all the obligations of the United States.

While the Government offers the most liberal terms for its loans, it believes that the very strongest appeal will be to the loyalty and patriotism of the people. SUBSCRIPTIONS WILL BE RECEIVED BY THE Treasurer of the United States, at Washington, the several Assistant Treasurers and designated Depositories, and by all the National banks which are depositories of public money, and all respectable banks and bankers throughout the country will give further information and afford every facility to subscribers. aug19-d14
