

NATIONAL UNION TICKET.

FOR PRESIDENT, Abraham Lincoln, OF ILLINOIS.

FOR VICE PRESIDENT, Andrew Johnson, OF TENNESSEE.

The Chicago Convention.

The discordant cliques of what was once a great political party, met in convolve to-day in Chicago. Good men all over the land, have long suspected that this meeting was designed still further to distract the nation and afford aid and comfort to its enemies.

DESETERS IN CANADA—IMPORTANT SUGGESTION.

There are said to be at this time thousands of deserters from the Union army in Canada, and if we judge from representations made to us, a majority of them are willing to furnish acceptable substitutes to fill their places, if the War Department is willing to grant their discharge from service and allow them to return to the States and take their chances in the draft.

A SHORT DISSENT—Under a Democratic Administration.

Under a Democratic Administration two pounds of coffee cost from twenty to twenty-five cents. Under Lincoln's Administration two pounds of coffee costs from \$1.00 to \$1.20—Copperhead Exchange.

THE PLUCK OF A LOYAL RURAL EDITOR.

The copperheads of Juniata county having nominated a fellow named Edmund S. Doty, he signalled his success by immediately entering a suit against the editor of the Juniata Sentinel for malicious persecution.

PLACEDLY INCLINED.

The copperheads of Poweshiek county, Iowa, at a meeting a few days ago, resolved that unless the Chicago Convention put forth a square peace platform, as clearly anti-war as the English language can express it, and then nominate as candidates for President and Vice President men whose views and feelings harmonize with the platform, we will see the platform, convention and candidates inasmuch as they vote for the candidates or not.

FAVING MEN WHOSE TIME IS OUT.

It is understood that the President has instructed the Treasury Department that money must be placed immediately in the hands of the paymasters to pay troops whose term of service has expired, and who have been knocking loudly at the door of the Treasury.
