Hon. JOHN COVODE was severely injured the other day while assisting in mowing on his farm in Westmoreland county. His left foot came in contact with the knives of the machine, cutting his great toe nearly off. He will be compelled to lay up for some time.

DEAD.—Lizzie Jones, well-known in certain circles of our city, and who has won an unenviable reputation, departed this life, at Mechanicsburg, on Saturday. Last week the Grand Jury found a true bill against her for keeping a bawdy house, but she escaped trial here, and has gone to appear before a higher tribunal.

THE END.—Unless Professor Neumayer, of Munich, has "missed a figure," the end of the world is near at hand, whether the rebellion is or not. According to the Professor, all sub'ary things will—wind and weather permitt'ing—come to an end in the year of our Lord one thousand eight hundred and sixty-five.

SIXTH WARD NOMINATION.—At a meeting of the Union citizens of the Sixth ward, held on Saturday evening, for the purpose of nominating a candidate for Council, to fill the vacancy occasioned by the resignation of Dr. Wm. H. Egle, David Mumma, Esq., was nominated by acclamation.

AN AWKWARD DREAM.—Three years ago one of the married residents of the Nineteenth ward of Philadelphia entered the army, and left for the seat of war, from where he communicated freely with his wife. In about six months his letters ceased, and he was reported dead. His company officers also reported the fact of his death to the War Department, and in due course of time his wife drew his arrears and pay. Time rolled around, and the widow received the addresses of another man. About six months ago the two were married, and have been living happily together since. Last week their happiness was considerably marred, and the wife found herself in a very embarrassing situation. One day, her former husband walked into his former home, a strong, healthy man. The woman has now two loving husbands, and how the matter is to be settled we have not heard.

A HERO AT HOME.—We had the pleasure, this morning, of meeting a soldier attached to the Pike's Peak Regiment, of Colorado Territory, who has been in service ever since the war began, fighting the desperate enemies of his Government who infested Kansas, meeting the savage Indians in Minnesota, and from that northern region traversing a range of country stretching to the Rio Grande, doing a soldier's duty faithfully and honorably. We allude to B. Franklin Koser, a brother of our friend A. Koser, of this city. Mr. B. F. Koser left the Cumberland Valley almost fourteen years ago, and this is his first visit to the East. He is a fine specimen of the Western soldier, and looks as if he had seen much hard service. He left to-day for his regiment, which he expects to find somewhere on duty in Colorado Territory. May he return after his hard fought battles are over, to find peace and rest in his old home.

PERSONAL.—Hon. Samuel Galloway, one of the distinguished politicians of Ohio, is now sojourning in this city, on his way to the National capital.

Mr. S. A. KONLER.—Sir:—I take pleasure in stating that your "Diarrhoea Mixture" exceeds anything of the kind that I ever imagined. I was very much troubled with diarrhoea, and could find nothing to help me in the least until I took your "Mixture."

I give you this certificate hoping that, if you see proper to use it, it may be the means of extending a knowledge of the matchless value of your medicine. Very respectfully, yours, H. B. JEFFRIES. FALLEN TIMBER, Cambria co., Aug. 27, 1864.

IMPORTANT ANNOUNCEMENT.—Provost Marshal General Dodge has issued the following circular to the District Provost Marshals: "The following telegram has been received from the Provost Marshal General, viz: 'In closing the accounts of the late draft in your State, if there are still any deficiencies, let them be set aside on the records with explanatory remarks, but do not embrace them in the quotas assigned under the call of July 18, 1864.' The directions given by this telegram do not interfere with the directions heretofore given to the Provost Marshals with reference to making up the final accounts, but are communicated to them for the purpose of informing them that it is the intention of the Provost Marshal General not to mix up the two drafts, as far as deficiencies under the last draft are concerned."

This medicine has stood the test of over thirty years, and has always proved a success. DR. RAND'S SPECIFIC is exhibited in the form of pills, made up entirely of substances that have a specific effect upon the generative organs. Most persons associate the idea of operations upon the bowels from taking any kind of pills. The Specific of Dr. Rand is not intended as an evacuating medicine. Its medicinal virtues are expended entirely upon the impaired generative organs. The pills are not unpleasant to the taste, and many persons mistake them with impunity before swallowing them; which plan we would always recommend, as affording the speediest way to get the effect of the remedy. Bannvart's Troches. For the cure of Hoarseness, Throat Diseases, &c., are specially recommended to ministers, singers and those who vociferate, calls them to speak in public. Manufactured only by C. A. Bannvart & Co., Harrisburg, Pa., to whom all orders should be addressed. Sold by druggist every where. Read the following testimonials from some of our eminent clergymen: HARRISBURG, Feb. 8th, 1864. O. A. BANNVART.—Dear Sir: I have used Brown's Bronchial Troches, Wistar's Lozenges and other preparations for hoarseness and throat troubles, and in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in time of need, most effectually. Yours truly, T. H. ROBINSON, Pastor of N. S. Presbyterian Church.

I agree with Mr. Robinson as to the value of Bannvart's Troches. W. C. OATTELL, late Pastor of O. S. Presbyterian Church. HARRISBURG, Jan. 1, 1864. To O. A. BANNVART.—Dear Sir: In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that want has been supplied in your excellent Troches. I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public addresses. Yours, &c., JNO. WALKER JACKSON, Pastor of the Locust St. Methodist Church.

To O. A. BANNVART.—Dear Sir: Having used your Troches, I am free to say they are the best I have ever tried and take great pleasure in recommending them to all persons afflicted with sore throat or huskiness of voice arising from public speaking or singing. Yours, &c., G. G. KERSSTRAW, Pastor of Ridge Avenue Methodist Church. DISTRICT ATTORNEY'S OFFICE, HARRISBURG, Feb. 29, 1864. To O. A. BANNVART.—Dear Sir:—I have found your Troches to be invaluable in relieving hoarseness and in strengthening the muscles of the throat. They impart clearness to the voice, and are certainly of great benefit to all public speakers. A. J. HERR

NEW ADVERTISEMENTS. U. S. 7-30 LOAN. THE Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from August 15th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent. per annum—principal and interest both to be paid in lawful money.

These notes will be convertible at the option of the holder at maturity into six per cent gold bearing bonds, payable not less than five nor more than twenty years from their date, as the Government may elect. They will be issued in denominations of \$50, \$100, \$500, \$1,000 and \$5,000, and all subscriptions must be for fifty dollars or some multiple of fifty dollars. The notes will be transmitted to the owners free of transportation charges as soon after the receipt of the original Certificates of Deposit as they can be prepared.

As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from that date to date of deposit.

Persons depositing twenty-five thousand dollars and upwards on these notes at any one time will be allowed a commission of one quarter of one per cent, which will be paid by the Treasury Department upon the receipt of a bill for the amount, certified to by the officer with whom the deposit was made. No deductions for commissions must be made from the deposits.

Special Advantages of this Loan. IT IS A NATIONAL SAVINGS BANK, offering a higher rate than any other, and best security. Any savings bank which pays its depositors in U. S. Notes, considers that it is paying in the best circulating medium of the country, and it cannot pay in anything better, for its own assets are either in government securities or in notes or bonds payable in government paper.

It is equally convenient as a temporary or permanent investment. The notes can always be sold for within a fraction of their face and accumulated interest, and are the best security with banks as collateral for discounts.

Convertible into a 6 per Cent, 5-20 Gold Bond. In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the current rate for 5-20 Bonds is not less than nine per cent. premium, and before the war the premium on six per cent. U. S. stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent. per annum.

But aside from all the advantages we have enumerated, a special act of Congress exempts all bonds and Treasury notes from local taxation. On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country. It is believed that no securities offer so great inducements to lenders as those issued by the Government. In all other forms of indebtedness, the faith or ability of private parties, or stock companies, or separate communities, only, is pledged for payment, while the whole property of the country is held to secure the discharge of all the obligations of the United States.

While the Government offers the most liberal terms for its loans, it believes that the very strongest appeal will be to the loyalty and patriotism of the people.

Subscribers will be recognized by the Treasurer of the United States, at Washington, the several Assistant Treasurers, and designated Depositories, and by all the National banks which are depositories of public money, and all respectable banks and bankers throughout the country will give further information and afford every facility to subscribers. [au19-dw7m]
