This is to certify that for a long time I have been sick, emaciated and enfeebled to such an extent that I could neither eat nor sleep, with violent pains constantly racking my entire system. I could get no relief from physicians, and I was almost in despair, when I accidentally got hold of Dr. M'Bride's KING OF PAIN, which CURED ME IN TWO DAYS! It has literally rescued me from the jaws of death. Instead of going down to the grave, as I thought I was doing, I have gone down to work-can eat a full and hearty meal, and sleep comfortably. SWORD PRESENTATION AT CAMP CURTIN .-Captain G. W. Miles, of company I, 102d regiment, P. V., was the recipient of a cos ly sword and fixtures, presented to him by the members of his company, as a testimonial of their esteem for Captain M. as an officer and gentleman. The sword was presented in behalf of the company by our townsman, A. H. Baum, Esq., with the following brief remarks :

Captain Miles : In behalf of the members of company I, 201st regiment, P. V., I have the honor to present to you this beautiful sword and fixtures. Accept it as a slight tes. timonial of our regard for you as our Captain and leader, whom we look upon as a courte-ous gentleman and true soldier. Rest assured, sir, that whenever this polished blade shall be unsheathed, and its brave owner shall lead us "forward!" then it will be our glory to follow -rallying

"around the flag boys

Shouting the battle cry of freedom !" Once more, sir, permit to me say, accept this offering at our hands, and rest assured that we have every reason to believe that this beautiful weapon (as yet untarnished by the blood of our "chivalrous" foe) will never be disgraced in the hands of our gentlemanly young officer!

Captain Miles replied: Gentlemen and soldiers—I am unaccustomed to public speaking, but I cannot refrain from expressing my sincere thanks to you for this assurance of your good feeling and generosity towards me.--Rest assured it shall be the great object of my life to do my duty towards my country and the soldiers under my command. This weapon (sincerely hope shall never be returned to its sheath with a single blemish upon it .--Gentlemen, let me again thank you.

Three cheers for Captain Miles were then proposed and given with a hearty good will and the company dispersed.

Second Ward. Attention:

Citizens of the Second ward who know of persons who enlisted in the United States service under previous calls, from said ward, are requested to communicate said information at onc: to D. W. Gross or H. Murray Graydon. It is highly necessary that this should be attended to immediately, in order that the enrollment list of the ward may be properly corrected, and the quota reduced as much as possible. Let every one attend to this .--Wednesday is the last day for correcting the rolls.

Dyspepsia is the most complicated cf all disorders, and most variable in its symptoms. Pain in the stomach, heart burn, flatulence, cold extremities, constipation of the bowels, depression of spirits, capricious appe.vite, are all in turn the offspring of this tean disease. It is generally associated with fiveble action of the liver, and often caused by its continued derangement. In such cases OSGOOD'S INDIA CHOLAGOGUE is an unfailing remedy. By restoring the liver to healthy action, it removes the cause of the diservse, the system is relieved of accumulated bile, and soon regains its digestive DOWers.

The oldest and most reliable medicine for the cure of Spermaorhœa, Seminal Weakness, Loss of Power, &c. This medicine has stood the test of over thirty years, and has always proved a success. Dr. RAND'S SPECIFIC is exhibited in the form of pills, made up entirely of substances that have a specific effect upon the generative organs. Most persons associate the idea of operations upon the bowels from taking any kind of pills. The SPECIFIC of Dr. Band is

not intended as an evacuating metic ne. Its medicinal virtues are expended entirely upon the impaired regenerative organs. The pills are not unpleasant to the taste, and many persons masticate them with impunity before swallowing them; which plan we would always recommend, as affording the speediest way to get the effect of the remedy. NEW ADVERTISEMENTS.

U.S. 7-80 LOAN. THE Secretary of the Treasury gives notice that subscriptions will be received for Cou-pon Treasury Notes, payable three years from August 15th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent. per annum-principal and interest both to be paid in lawful money. These notes will be convertible at the option

of the holder at maturity into six per cent. gold bearing bonds, payable not less than five nor more than twenty years from their date, as the Government may elect. They will be issued in denominations of \$50, \$100, \$500, \$1,000 and \$5,000, and all subscriptions must be for fifty dollars or some multiple of fifty dollars.

The notes will be transmitted to the owners free of transportation charges as soon after the receipt of the original Certificates of Deposit as they can be prepared.

As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit.

Parties depositing twenty-five thousand dollars and upwards for these notes at any one time will be allowed a commission of one quarter of one per cent., which will be paid by the Treasury Department upon the receipt of a bill for the amount, certified to by the officer with whom the deposit was made. No deductions for commissions must be made from the deposits.

Special Advantages of this Loan. IT IS A NATIONAL SAVINGS BANK, offering a higher rate than any other, and b st security. Any savings bank which pays its depositors in U.S. Notes, considers that it is paying in the best circulating medium of the country, and it cannot pay in anything better, for its own assets are either in government securities or in notes or bonds payable in government Daper.

It is equally convenient as a temporary or permanent investment. The notes can al-ways be sold for within a fraction of their face and accumulated interest, and are the best security with banks as collaterals for discounts.

Convertible into a 6 per Cent. 5-20 Gold Bond. . In addition to the very-liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the current rate for 5-20 Bonds is not less than nine per cent. premium, and before the war the premium on six per cent. U stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent. per annum.

Its Exemption from State or Municipal Taxation.

But aside from all the advantages we have enumerated, a special act of Congress exempls all bonds and T. easury notes from local taxation. On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country. It is believed that no securities offer so great inducements to lenders as those issued by the Government. In all other forms of ndebtedness, the faith or ability of private parties, or stock companies, or separate communities, only, is pledged for payment, while the whole property of the country is held to secure the discharge of all the obligations of the United States. While the Government offers the most

liberal terms for its loans, it believes that the very strongest appeal will be to the leyalty and patriotism of the people SUBSCRIPTIONS WILL BE RECEIVED by the

Treasurer of the United States, at Washington, the several Assistant Treasurers and designated Depositaries, and by all the National banks which are depositaries of public money, and all respectable banks and bankers throughout the country will give further in-formation and afford every facility to subscribers. fau19-d&w:2m

A WONDERFUL CURE EFFECTED BY THE KING OF PAIN. -- Read the Evidence. -- Some three years ago the small-pox broke out in Harrisburg, and for many weeks I was in constant attendance upon patients afflicted with this most loathsome disease. The duties I was compelled to perform impaired my health very seriously. My liver failed in its usual functions, disease of the spine followed, and my kidneys were also affected. Add to these afflictions a constant constipation of the bowels, attended by severe headache, and the reader can judge of my situation. With such a complication of diseases, I was still compèlled to work, and was only enabled to do so by the constant use of purgative medicines, which I have steadily taken for fourteen months, in the vain hope that they would eventually bring my system to its normal condition again. I heard of Dr. M'Bride performing miraculous cures with his "King of Pain," but I doubted its efficacy in my case. Still, as "drowning men will catch at straws," I called upon him, and a few minutes after a single application my headache disappeared! Encouraged by such a marvellous cure, I used his King of Pain internally, and this 19th day of August, in the year of our Lord 1864, I am again a sound man. The kidneys, bowels and spine are sound in every respect, as they were ten years ago, and I am able to do a full day's work, and sleep after it as well as the healthiest day I ever saw.

THE VERBERR GUARDS. -- This fine company. now company C, 201st regimest P. V., commanded by Capt. G. Washington Fenn, paid visit to our city on last Saturday evening, and were introduced to Wm. K. Verbeke, Esq., in whose homor they are named by the Capt., when Mr. V. responded in the follow-

ing well-timed and sensible remarks:

Gentlemen of the Verbeke Guards:-I return you my sincere thanks for the great honor you have done me in giving your fine, your noble looking company my name. The citizens of Harrisburg, the people whole country will owe you an eternal debt of gratitude that at this period of the war, when the military resources of the South, in men, appears to fail, that you voluntarily leave your friends, your homes, and everything that is near and dear to you, to help swell the armies of the North that they may by able speedily and effectually to crush the military power of the South.

Gentlemen, we lived so long in peace that when the war broke out, we had no taste for it; we were totally unprepared; our arsenals were empty; our soldiers unskillful, and our officers had to be taken from the ordinary walks of life. The South had been preparing itself, and the consequence was that we met with many terrible reverses; but in three years of war our soldiers have become disciplined, and our officers have become skillful, and it only remains for the people of other sections to come out now, as you have done, to give us an army that, like an avalanche, will crush the rebellion forever.

The Rev. Dr. Hay made a few remarks of christian cheer and encouragement, when the company, with three times three cheers for Mr. Verbeke and family, Rev. Dr. Hay and their Captain and Lieutenants, returned to Camp Curtin.
