TOWN AND COUNTRY.

Two hundred condemned horses will be sold at Lebanon, to-morrow.

"Whom the gods would destroy they first make mad." See proceedings of the Chicago Convention.

THE hack-drivers are having a profitable run. Upwards of thirty vehicles are now on the line between this city and Camp Curtin, and all of them are continually crowded.

THE aggregate amount of commutation money paid by the three counties of York, Cumberland and Perry amounts to five hundred and fifty thousand dollars.

ELECTION.—The election for member of Council takes place in the Sixth ward to-day. If any of the Union voters have not yet been to the polls, let them go and vote at once.

SINGULAR. -It is singular that business men vance in gold, forget to "come down" when there is a decline in the premium on the "precious metal."

Proposals for hay, corn and oats will be received by Capt. Reichenbach, A. Q M., at this post, until 12 o'clock, M., on Monday next. Full particulars can be obtained in our advertising colums.

MATCHES.—Persons in need of matches should purchase a supply to-day. To morrow one cent per box, or \$1.44 per gross will be added to the price, as a one-cent revenue stamp must be attached to each box

MARKET.—The following were the "ruling prices" of the articles named, this morning Butter 50 cents per pound ; eggs, 25 cents per dozen; tomatoes, \$1.00 per bushel; potatoes, \$1.50 to \$2.00 per bushel; sweet potatoes, 30 cents per half peck; peaches, 30 to 40 cents per half peck; corn, 25 cents per dozen chickens, 75 cents to \$1.00 per pair; watermelons 10 to 40 cents; cantelopes, 2 to 10 cents; apples \$1.00 to \$1.50 per bushel.

Sanford's Hall. - A great bill is up for this evening-Sanford, in some of his first acts, introducing the Stranger and a new local play, entitled Life in Tanner's Alley! The new lady singer, Miss Maria Mowbray, has made a decided hit. Her songs are not only bewitching, but she has turned the heads of some of the young gents who are on hand at all places of amusement. Miss Mowbray may be called the beauty of Concert singers, if we may be judges; at least all who have seen here proolaim her such. Go to Sanford's Hal! by all

A SQUADEON OF CAVALET FOR STATE SERVICE. -Major John S. Detwiler has just received authority, from Inspector General Todd, to raise two companies of cavalry for service on the border. It is the object of Major Detwiity and in localities in the county to be indicated hereafter, and we have no doubt he will recruit his squadron in less time than that allowed him in his orders. As a cavalry officer, Major D. has seen much hard and active service, having been on duty in the Southwest, and having won for himself a reputation which entitles him alike to the confidence of the Government and the adhesion of those who desire to serve its cause in the field. We do not know whom to congratulate most, the authorities which made, or the soldier who received this appointment. One thing we can do, namely, recommend our active young men to rally to the standard of Major Detwiler.

HARRISBURG, Aug. 30, 1864. To the Public.-It gives me great pleasure to recommend to the public the medicine prepared by Dr. J. J. M'Bride, which he calls the "King of Pain." I was induced to use it as an external remedy for a bruise, which it relieved immediately, and subsequently cured entirely. Its success induced me to use it internally for Diarrhoea, with which I was afflicted in a chronic form for nearly eighteen months, and to such an extent that my kidneys were seriously deranged. The medicine has cured me, and certainly that is saying a great deal in its favor, when I reflect how many other remedies I tried without experiencing anything but temporary relief. For my part, I shall always keep a supply of it in my house, beneving as I do that it is a most invaluable family medicine.

DANIEL E. WILT.

Put in Substitutes.—Business men all over the country are taking advantage of this method to clear themselves, while it fills up the ranks without the expense to the Government. It seems, too, like the most independent and satisfactory way of doing the business, relieving the principal at once of allfurther trouble and securing to him a certainty which will not interfere with his business.

The impression prevails to some extent that only aliens can be put into the army. This is a mistake. There are two other classes, First, men who have rendered two years' service, and second, minors under the age of twenty years. These classes will exempt the principal for one year in any event, and as much longer as the principal and substitute shall not be drafted. As the latter is not enrolled when enlisted, there is searcely a chance of his being enrolled, and therefore the principal will be exempt for the full term of three FOATS.

powder will not burn!

WET POWDER.-It is rumored that a cannon was obtained by the copperheads, and drawn to an eligible position, early this morning, to be fired in honor of the nomination of M'Olellan. The report of the piece has not yet been heard, and it is presumed that the later news received from Chicago proved a damper. Wet

MISS LIZZIE LAGBANGE, whose performances at Canterbury Music Hall have given such general satifaction, will take a benefit at Sanford's Opera House, to-morrow evening, when a grand bill will be presented. There will be a heavy cast in the programme, including numerous star performers. Do not forget the time-to-morrow evening.

Found-A photograph, taken by a Mechanicsburg artist. It can be had by applying at this office.

SABBATH SCHOOL PIC-NIC .- The school connected with Calvary Free Baptist Church (colored) will have a Pic-nic to-morrow in Haldeman's Grove, near the Cemetery. This school, which is under the care of the pastor, Rev. C. J. Carter, is in a very flourishing condition, numbering upwards of one hundred officers and scholars, although it was organized but four or five weeks ago.

SOLDIERS IN CAMP.—A military camp may be under the best sanitary regulation, and still not be without sickness. The diseases incident to camp, aside from epidemics and who advance the price of goods with the ad- | fevers, are diarrhoea, dysentery, and constipation of the bowels, caused by a change of diet, water, and general habits. Dr. M'Bride's King of Pain gives immediate relief, and in all cases effects a cure, by regulating the bowels, and restoring the deranged functions. No soldier should be without a bottle.

For sale at the corner of Fifth and Market streets-Camp Curtin every morning fro " 9 until 12 o'clock. The Doctor can be consulted at Room No. 7, State Capitol Hotel, morning, noon and evening.

A CRITICAL OPERATION. -One of the York

papers gives the following: Mrs. George Little, who resides in South Dake street, York, was so badly ruptured that she was entering upon a rapid decline, and life was rapidly coming to a close. It was with her a matter of life or death, and under these circumstances an operation was resorted to, Drs. Kerr, John and Jacob Hay, Pentz and Smyser, each rendering his services. It was necessary to untwist her entrails, they having grown lumpy and out of place. Mrs. L. sub-mitted without a groan to this painful opera-tion. A change for the better took place within a half hour after the work was completed, and her health has been improving ever since.
The critical operation was performed last
Saturday evening, and there is a probability
that she will so far recover as to live a considerable time.

DYSPEPSIA CURED. -One of the worst diseases to which the human family is liable, is Dyspepsia. It not only disqualifies man from the pursuit of business or pleasure, but it makes life itself a burden. Read the following wonderful cure :

HARRISBURG, Aug. 15, 1864. To whom it may concern:

Dyspepsia, in its most malignant form, had almost reduced me to a living skeleton, and I was one of the most miserable men that walked the streets of Harrisburg. I had used all the known remedies, as well as prescriptions from the most eminent physicians. without deriving any benefit. Happening to ler at once to open recruiting offices in this pass the corner of Fifth and Market streets, I saw Dr. M'Bride, and after listening to his remarks, I concluded to give his KING OF PAIN a fair trial. I have done so for the last twelve days, and I am now able to work, can eat almost anything the appetite craves, sleep well, and am a new man in every sense of the word. Every person afflicted with Dyspepsia should give it a trial, for since it has wrought such a quick cure upon me, there is no question but what others will find it a "Balm in Gilead," to drive away disease.

P. S -On the 19th day of September, 1863. was exempted by the Surgeon of Board of Enrollment. I am now received by the Surgeon as in perfect condition to be able to do any kind of duty becoming a soldier.

THE RECEUTING SERVICE. - There are almost three thousand men now in Camp Curtin awaiting organization. From four o'clock till seven last night, four hundred men were received and quartered at this camp. These facts indicate the extent and the enthusiasm of the recruiting service.

THEATRE.-Look out for a splendid bill at the theatre to-night. The entertainment will open with the fine play entitled THE HONEY-MOON; or, How to Rule a Wife; to be tollowed by the amusing farce of The Hatter and Printer. Crowds continue to throng Brant's Hall, where the best company that ever visited Harrisburg, is playing nightly. Go to Bannvart's to-day and secure your seats.

KILLING OF Two SOLDIERS-As the fast line on the Pennsylvania railroad was going west yesterday afternoon, and when it was passing the junction wi h the Northern Central railroad, on the Western bank of the Susquehanna river, two soldiers who were recklessly exposing themselves on the track, were almost instantly killed. We were unable to gather any other facts connected with this melancholy accident, and can neither give the names of the unfortunate men, the company nor the regiment to which they belonged.

Dr. Rand's Specific.

The oldest and most reliable medicine for the cure of Spermaorhoa, Seminal Weakness, Loss of Power, &c. This medicine has stood the test of over thirty years, and has always

proved a success.

Dr. RAND'S SPECIFIC is exhibited in the form of pills, made up entirely of substances that have a specific effect upon the generative organs. Most persons associate the idea of operations upon the bowels from taking any kind of pills. The Specific of Dr. Rand is not intended as an evacuating meric ne. Its medicinal virtues are expended entirely upon the impaired regenerative organs. The pills are not unpleasant to the taste, and many persons masticate them with impunity before swallowing them; which plan we would al-ways recommend, as affording the speediest way to get the effect of the remedy.

U. S. 7-30 LOAN. THE Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from August 15th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent.

per annum—principal and interest both to be paid in lawful money.

These notes will be convertible at the option of the holder at maturity into six per cent. gold bearing bonds, payable not less than five nor more than twenty years from their date as the Government may elect. They will be issued in denominations of \$50, \$100, \$500, \$1,000 and \$5,000, and all subscriptions mus be for fifty dollars or some multiple of fifty

dollars. The notes will be transmitted to the owners free of transportation charges as soon after the receipt of the original Certificates of Deposit as they can be prepared.

As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit.

Parties depositing twenty-five thousand dollars and upwards for these notes at any one time will be allowed a commission of one quarter of one per cent, which will be paid by the Treasury Department upon the receipt of a bill for the amount, certified to by the officer with whom the deposit was made. No deductions for commissions must be made from the deposits.

Special Advantages of this Loan. IT IS A NATIONAL SAVINGS BANK, offering a higher rate than any other, and b st security. Any savings bank which pays its depositors in U.S. Notes, considers that it is paying in the best circulating medium of the country, and it cannot pay in anything better, for its own assets are either in government securities or in notes or bonds payable in government

It is equally convenient as a temporary or permanent investment. The notes can always be sold for within a fraction of their face and accumulated interest and are the best security with banks as collaterals for discounts.

Convertible into a 6 per Cent. 5-20 Gold Bond. In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the current rate for 5.20 Bonds is not less than nine per c-nt. premium, and before the war the premium on six per cent. U. S. stocks was over twenty per cent. It will be seen that the actual profit on this loan, at ti e present market rate, is not less than ten per cent. per annum.

Its Excuption from State or Municipal

Tuxation. But aside from all the advantages we have enumerated, a special act of Congress exempts ull bonds and T easury notes from local taxation On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country. it is believed that no securities offer so great inducements to lenders as those issued by the Government. In all other forms of indebtedness, the faith or ability of private parties, or stock companies, or separate communities, only, is pledged for payment, while the whole property of the country is held to

secure the discharge of all the obligations of the United States.

While the Government offers the most liberal terms for its loans, it believes that the very strongest appeal will be to the leyalty

and patriotism of the people
