

NATIONAL UNION TICKET.

FOR PRESIDENT, Abraham Lincoln, OF ILLINOIS. FOR VICE PRESIDENT, Andrew Johnson, OF TENNESSEE.

Union County Convention.

The loyal citizens of Dauphin county are invited to meet in County Convention, for the purpose of nominating candidates for county officers, at the Court House in the city of Harrisburg, on Tuesday, the sixth day of September, 1864, at 10 o'clock, A. M.

The copperhead National Convention did not astonish the country with the unceasing treason sympathy of the resolutions adopted as their platform, nor will the world be amazed at the candidate put forth.

The Union men of Clinton county have made the following nominations, composing some of the most popular and reliable men in that district:

For Prothonotary, Wm. L. Hamilton; for Register and Recorder, H. M. Bossert; for Commissioner, Jacob Stamm; for Auditor, Robert G. Cook; for Coroner, A. O. Harvey.

Mr. Balsbach was a member of the last House, and no Representative during the session of the Legislature, made a better reputation or was more assiduous in the discharge of his legislative duties.

Failure of the Negro Substitute Scheme. We have been paying some attention to the business committed, by the several counties of this State, to agents who were authorized to procure substitutes in the revolted States.

MUSTERING NEW RECRUITS.—A recent order from the War Department directs that hereafter recruits for new organizations in military service, shall be mustered in in the same manner as those for old organizations; that is, in companies by mustering officers at the general rendezvous of the regiment, and advance bounty will not be paid till company rolls are made out.

QUESTIONS FOR PEACE MEN.—Whenever a sensible man hears a croaker talking about stopping the war, to establish peace, it would be well to put the questions, whether the peace he seeks will restore the National Union, enforce the law of death to traitors, compel obedience to the National authorities, put an end to the machinations of the slaveholder to destroy free institutions, force respect to the Federal officers, and forever place it beyond the reach of politicians to organize another such a rebellion.

ARMY OF THE POTOMAC. Important Order Concerning Newspaper Correspondents. CORRECTION OF FALSE RUMORS. A letter from the Army of the Potomac, dated yesterday, says the rule requiring correspondents with the army to publish their full names and signatures to their dispatches, which has been neglected by a number of those gentlemen, is again insisted upon, and those who omit doing it in future need not hope to remain here.

The Purser of the steamer Yazoo, which arrived this morning from New Orleans, reports that our fleet attacked Fort Morgan on the morning of the 23d and the rebel Gen. P. M., of the 23d. The fort was much damaged by the rapid firing of our fleet. The enthusiasm of our forces was unbounded. His force is variously estimated at from 2,000 to 12,000, the former number being probably correct.
