TOWN AND COUNTRY.

The tax on matches went into effect to-day. Every box sold hereafter must have a one-cent revenue stamp attached.

APPROACHING COMPLETION.—The market house in West Harrisburg. Workmen are putting on the roof, and it is expected that the building will be completed ere long.

CAPT. JOEL METZ advertises for a few more men to fill his company, and offers \$500 local bounty. The Captain was a gallant soldier in the Mexican war, and will make an excellent officer.

SELECT SCHOOLS.—The fall session of Mrs. Dixon's female seminary will commence on Wednesday next, Sept. 7th. Miss Sue F. Wilson will re-open her school on Monday next, 5th inst.

A SALUTE FOR DISUNION.—The copperheads fired a salute this morning, in honor of the nomination of McClellan and Pendleton, by the Disunion party. Who paid for the powder?

STRUCK BY LIGHTNING.—On Tuesday evening the barn of Mr. Gentzmer, near Birmingham, Huntingdon county, was struck by lightning, and entirely destroyed. Loss between \$2,000 and \$3,000.

NATIONAL HALL.—This place of amusement, located at the corner of Second and South streets, will be opened on Monday evening next, by Messrs. Marble & Welker, who bring with them a theatrical company. For particulars see advertisement.

JOHN C. LINDSAY, Esq., Prothonotary of Perry county, died at his residence in Bloomfield on Thursday last. Robert A. Brangan, Esq., of Duncannon, has been appointed by Gov. Curtin, to fill the vacancy occasioned by the death of Mr. Lindsay.

THE CELEBRATED SEALY-SEALING CANS can now be had of George L. Black, corner of Third and Walnut streets. He has but a small lot on hand, and this will be the last of the season. Those in want of cans can find no better in the market. Call at once.

THE EXEMPTION BY COMMUTATION.—We have been shown a dispatch from the office of the Provost Marshal General, at Washington, received here last evening, which states that Gen. Fry has not yet decided that all persons who paid \$300 commutation are exempt from draft under the late call for volunteers.

SANFORD continues to attract hundreds of visitors to the Opera House, which is continually crowded. The star minstrels performing there can truly be styled "Ethiopian gunboats." Songs, dances, burlesques, laughable plays, and good music, constitute the bill of fare. To-night Miss Lizzie Lagrange takes a benefit. SANFORD appears.

IN TOWN.—Ex-Gov. Morgan, of New York, and Gov. Morrill, of Maine, were in the city yesterday. They have been traversing the States to observe the progress of recruiting under the new call, and report that while several have already filled their quotas, nearly all the others have been carrying on recruiting to such an extent as will leave the number to be drafted comparatively small.

A SOLDIER'S OPINION OF THE SALUTE FOR McCLELLAN'S NOMINATION.—While the Copperheads were firing a national salute in honor of the nomination of McClellan for the Presidency, a soldier, who happened to be passing along the board walk, at the time, asked a bystander the object of the salute. When told, the soldier quietly replied that McClellan, ever since the war began, was responsible, either directly or indirectly, for the wasting of powder! Sensible, soldier—and oh, how gallant soldiers do love "Little Mac."

THE SCHOOL TAX AND THE SOLDIERS.—One of our city tax collectors communicated to us yesterday, during a casual conversation, the gratifying fact that seven out of every ten of the soldiers who left this city, made it their business to pay their school tax before marching hence. Many of those thus paying indeed called the collector, who gives us the gratifying intelligence, to the ranks, and then cheerfully paid their taxes. This is alike honorable to the soldier and the great system of education which they thus cheerfully support.

EXTENSION OF THE CAPITOL.—As soon as the Board of Commissioners can be convened, the contract for extending the Capitol will be let, and work immediately commenced. It is almost confidently predicted that the plan of Mr. Simon, an eminent architect of this city, will be adopted, and that he will be charged with the erection of the extension. The other plans presented, proposed extending the building over the open spaces respectively, between the Capitol and the Executive department, on the one side, and the Land Office on the other. Under no circumstance can the Commissioners be induced to accept such a plan. The plan of Mr. Simon, as is well known, proposes to extend the building from the rear, with a front on State street, which will add to the appearance of the whole building, and afford convenience ample for all the uses needed. It is hoped that work will be commenced on this magnificent improvement so as to have it far advanced before the inclemency of the winter season interferes with the progress of the work.

Look out Boys!—All soldiers belonging to the 200th Pennsylvania Volunteers, failing to report on or before the 1st day of September, 1864, will be reported as deserters and punished accordingly. au28-1w

FOR REGISTER.—We would again remind the Union voters of the county of Dauphin, that Henry Radabaugh is a candidate for nomination. Mr. Radabaugh having rendered efficient service to the party, is certainly entitled to a nomination.

SIXTH WARD ELECTION.—The election for member of Council, held in the Sixth ward, yesterday, resulted as follows: David Mumma, Esq., U. S. Senator, 02 John Stemler, C. 02 Mumma's majority, 12

A MAIDEN LADY of this city, whose age is not a proper subject for discussion, has been warning young men that the stamp tax on matches would be enforced on the 1st of September, and it would be a saving of money to finish up engagements previously. We have not learned whether she succeeded in effecting an engagement.

THIRD WARD DELEGATE ELECTION.—An election for delegates to represent the Third ward in the Union County Convention, will be held at the usual place of holding such election, (at the Parks House, on Market street,) on Saturday evening next, at the usual time. HENRY THOMAS, dtd Chairman of County Committee.

A FRIENDLY ACT.—On Saturday night last some fens in human form, set fire to the principal building in the Adams county Fair Ground, at Bendersville, and it was destroyed, together with many valuable books and papers, besides a stack of hay. Some of the buildings and the stalls were saved. The loss is about \$1,200.

CANTERBURY MUSIC HALL, under the management of Joe Miller, is still doing a good business. Joe endeavors to please his patrons with new and novel attractions. Mr. John Carroll, the Champion Clog Dancer of England, made his first appearance, introducing the Top Boot Dance, a dance which has never been performed before in America. Everybody should go to the Canterbury.

THE 202D REGIMENT.—This regiment is fast filling up. Col. Chas. Albright, of Mauch Chunk, formerly of the 132d P. V., will command it. A more patriotic or competent leader could not be chosen. Only a few more companies wanted to fill up. Commanders of companies and squads would do well to connect themselves with this organization, by applying at Headquarters in Camp Curtin. au30-2t

PAPERS FOUND on two soldiers who were killed near Marysville, on Tuesday, by being struck by the fast line westward, on the Pennsylvania railroad, whilst they were standing on the track, show them to be J. K. Ayres, belonging to Company H, 136th Regiment Ohio volunteers, from Paulding county, Ohio, and W. C. Clark, of Capt. Thompson's Independent Battery, from Crawford county, Ohio. Clark has relatives near Savannah, Ohio, and Plymouth, Ohio.

EAST LYNN.—This grand drama will be repeated at the Theatre this evening, by particular request of a large number of our citizens. There is an excellent cast of characters. All the members of the Star Company will appear in the piece, including Miss Fanny Denham, Miss Nellie Sprague, Mr. Rouse, Mr. Meeker, and others. There was a large audience last evening, to witness The Honey Moon. Success attends the efforts of the Manager to please our citizens. We would advise the public to go to Bannart's and secure their seats during the day.

THE COUNCIL AND THE BOUNTY QUESTION.—This morning Judge Pearson decided that, according to the terms of the city charter, the Mayor and Council have no authority to levy a tax upon our citizens, or to borrow money for bounty purposes, (as provided in the recent ordinance passed,) as the charter expressly limits the amount that may be borrowed to \$200,000, and the greater portion of that sum has already been obtained by loan. This puts an end to the payment of bounties as far as the Council is concerned. It is, however, conceded that the election boards of the various wards have authority, by the State law, to levy taxes for bounty purposes.

A SHARP DODGE.—The copperheads, in order to defeat the Union candidate for Council, in the Sixth ward, resorted to a dodge which promised to result well, but signally failed. When the Union men nominated David Mumma, Esq., the copperheads avowed their determination to present no candidate, and to support Mr. M., inasmuch as Dr. Eggle had been supported by both parties last spring. Yet, in the face of this avowal, they met in secret conclave, on Monday night, and nominated John Stimler for Council. Secrecy was however, observed, and it was not until noon of yesterday that the Union men discovered that the opposition were not voting for Mr. Mumma. Every copperhead was at the polls and voted. Yet, notwithstanding this piece of treachery, they were defeated, and Mr. Mumma was triumphantly elected. As an act of meanness this dodge of the Cops. is unparalleled, unless it be the "Sons of Liberty" and other organized bands of the enemies of the Administration.

ATTENTION, CITIZENS OF PENNSYLVANIA.—I am instructed by the commander-in-chief, not of the Army of the Potomac or of the Cumberland, but of C. L. Bowman, of cheap dry goods, at No. 1, Southeast corner of Front and Market streets, to say that he will receive to-day his first supply of Fall and Winter dry goods. I will also say that after an absence of four weeks to the army, I am pleased to inform my friends and acquaintances that I am now at home, and respectfully invite them to call and examine my stock of Goods. Yours, respectfully, J. A. VAN HORN.

We have also on hand a very large assortment of Muslin, Calico, Ginghams, Stockings, Hosiery, Black Silks, Paid Silks, White Cambrics, Undressed Fresh Cambrics, White and Colored Flannels, and in fact an assortment of dry goods not possible to mention. Success in Trouble.—Tribulations of a Woman who should be in the South with her Friends.—The Huntingdon American gives an amusing account of the troubles of a female Secesh, on her way from Bedford Springs, who stopped at one of the Huntingdon hotels to wait for the Eastward train. While at the hotel she used very reasonable language and behaved in a manner that indicated her proclivities. The girls employed about the house were incensed at her, and retaliated by treating her to a concert of Union songs—among which, on a sour apple tree. "Oh, this Jeff Davis on a sour apple tree." This caused Secesh rava, whereupon the girls struck up "Rally round the Flag." Secesh was rampant and declared that she would rather die than walk under that flag. To test her, the girls procured a large U. S. Flag, locked the door which opened on the street, and when the train was coming, hung the flag over the main entrance by which Secesh was compelled to make her exit. She soon made her appearance, saw the flag, and passed out under it, to the infinite amusement of the girls, who waved it over her head as she departed, accompanying the action with the chorus "Down with the traitor and up with the stars!"

OUR Next Congressman. Mr. Editor:—Our County Convention for the nomination of a Union ticket, to be supported at the October election, will assemble in this city on Tuesday next. A Congress man is to be elected in this District. Who shall we nominate? This is a question important to the people. A number of candidates are named in the several counties composing the district. Dauphin county proposes three or four, among whom is Wm. J. Robinson, of Dauphin. Mr. Robinson was the nominee of Dauphin county in 1862. Had he received the nomination of the district by the Conferees, he would most probably have been elected, and we should not have been saved the mortification of a disastrous defeat, and the district would not have been misrepresented, as it is, by an unscrupulous and venomous Copperhead.

Mr. Robinson is a gentleman of fair abilities, honest as steel, and can be relied on as faithful and true to the cause of the Union. His nomination would be very popular, and his election certain.

Mr. Patterson was defeated in 1862, mainly on account of the same vote polled. This election was permitted to go by default. This will not be the case this fall. A full vote will be polled, and a full vote in this district is a certain victory. In this hour of her peril, the country needs the services of true men. Let us take care that we are not again shamefully misrepresented in the 14th Congressional District of Pennsylvania. DAUPHIN.

LAST OF THE SEASON.—The grand Union Picnic to come off at Hoffman's woods on Thursday, September 1st. The woods is situated one half mile in the rear of Camp Curtin. Soldiers from camp wishing to enjoy a day's sport, are respectfully invited to attend. Tickets of admission to the woods 95 cents. ang31-3dt

Health brightens every prospect in Life.—The effect of a bilious condition of the system is most striking in its influence upon the mind. The common objects of pleasure and enjoyment, become sources of weariness and disgust. All nature wears a sombre aspect. A constant gloom hangs over the spirits; a weight of despondency crushes every elastic feeling of the heart. Such are the morbid influences of diseased liver. OSGOOD'S INDIA CHOLAGOGUE, acting upon that organ, removes the burden and restores the mind to cheerfulness and health.

Lochiel Greys One Year's Service. A few more men wanted to fill up this organization. \$600 local bounty paid, \$100 Government, making \$700 bounty. Men will go to camp and draw uniforms as soon as mustered in. Rally men, and avoid the coming draft. Headquarters, Walnut street between Third and Fourth streets, Harrisburg, Pa. W. A. DEAN, Capt. Lieut. Theodore G. Thomas, Recruiting Officer. au9-f

U. S. 7-30 LOAN. THE Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from August 15th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent. per annum—principal and interest both to be paid in lawful money. These notes will be convertible at the option of the holder at maturity into six per cent. gold-bearing bonds, payable not less than five nor more than twenty years from their date, as the Government may elect. They will be issued in denominations of \$50, \$100, \$500, \$1,000 and \$5,000, and all subscriptions must be for fifty dollars or some multiple of fifty dollars. The notes will be transmitted to the owners free of transportation charges as soon after the receipt of the original Certificates of Deposit as they can be prepared. As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit. Parties depositing twenty-five thousand dollars and upwards for these notes at any one time will be allowed a commission of one quarter of one per cent., which will be paid by the Treasury Department upon the receipt of a bill for the amount, certified to by the Secretary of the Treasury, and subject to deductions for commissions must be made from the deposits. Special Advantages of this Loan. IT IS A NATIONAL SAVINGS BANK, offering a higher rate than any other, and best security. Any savings bank which pays its depositors in U. S. Notes, considers that it is paying in the best circulating medium of the country, and it cannot pay in anything better, for its own assets are either in government securities or notes or bonds payable in government paper. It is equally convenient as a temporary or permanent investment. The notes can always be sold for within a fraction of their face and accumulated interest, and are the best security with banks as collateral for discounts. Convertible into a 6 per Cent. 5-20 Gold Bond. In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the current rate for 5-20 Bonds is less than nine per cent. per annum, and before the war the premium on six per cent. U. S. stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent. per annum. Its Exemption from State or Municipal Taxation. But aside from all the advantages we have enumerated, a special act of Congress exempts all bonds and Treasury notes from local taxation. On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country. It is believed that no securities offer so great inducements to lenders as those issued by the Government. In all other forms of indebtedness, the faith or ability of private parties, or stock companies, or separate communities, only, is pledged for payment, while the whole property of the country is held to secure the discharge of all the obligations of the United States. While the Government offers the most liberal terms for its loans, it believes that the very strongest appeal will be to the loyalty and patriotism of the people. Subscriptions will be received by the Treasurer of the United States, at Washington, by the several Assistant Treasurers and designated Depositories, and by all the National banks which are depositories of public money, and all respectable banks and bankers throughout the country will give further information and afford every facility to subscribers.
