WEST PENNSYLVANIA (LUTHERAN) SYNOD .-This body held its late sessions in Hanover, York county. It met on Thursday of last week, and adjourned on Monday night of this week. It is composed of about forty Ministers, and nearly an equal number of lay-delegates. This Synod occupies the territory embraced in Franklin, Cumberland, Adams, and York counties. It formerly embraced all the tersitory in this State west of the Susquehanna. But since then the Pittsburg, the Allegheny and Central Synods have been formed and have enrolled upon their clerical list about an equal, if not a greater, number of Ministers than the mother Synod. There is a great deal of business transacted by this Synod, during its sessions. The utmost harmony and good will prevailed.
