GLAD NEWS FOR THE UNFORTUNATE

THE LONG-SOUGHT-FOR

DISCOVERED AT LAST.

Cherokee Remedy,
AND
CHEROKEE INJECTION!

COMPOUNDED FROM ROOTS, BARKS AND LEAVES.

CHEROKEE REMEDY, the great Indian Diuretic, cures all diseases of the urinary organs, such as Incontinence of the Urine, Inflammation of the Bladder, Inflammation of the Kidneys, Stone in the Bladder, Stricture, Gravel, Gleet, Gonnorhea, and is especially recommended in those cases of Fluor Albus (or Whites in females) where all the old nauseous medicines have failed.

☞ It is prepared in a highly concentrated form, the dose only being from one to two teaspoonfuls three times per day.

☞ It is diuretic and alterative in its action; purifying and cleansing the blood, causing it to flow in all of its original purity and vigor; thus removing from the system all pernicious causes which have induced disease.

CHEROKEE INJECTION is intended as an ally or assistant to the CHEROKEE REMEDY and should be used in conjunction with that medicine in all cases of *Gonorrhea, Gleet, Fulor Albus or Whites.* Its effects are *healing, soothing and demulcent;* removing all scalding, heat, chordee and pain, instead of the burning and almost unendurable pain that is experienced with nearly all the *cheap quack Injections.*

☞ By the use of the CHEROKEE REMEDY and CHEROKEE INJECTION—the two medicines at the same time—all improper discharges are removed, and the weakened organs are speedily restored to full vigor and strength.

☞ For full particulars, get our pamphlet from any rug store in the country, or write us, and we will mail free, to any address, a full treatise.

☞ Price, CHEROKEE REMEDY, $2 per bottle, or three bottles for $5.

STANTON TO GEN. DIX,

Gen. Grant on the Approaching Draft.

The Effect Upon the Enemy.

GEN. SHERMAN ON THE SAME SUBJECT.

THE DRAFT TO COMMENCE ON NEXT MONDAY.

WASHINGTON, Sept. 14.

To Maj. Gen. Dix, N. Y.:

Lieut. Gen. Grant telegraphs to this Department in respect to the draft, as follows:

CITY POINT, Sept. 13—10:30 A. M.—*To Hon. E. M. Stanton, Sec'y of War*—We ought to have the whole number of men called for by the President, in the shortest possible time. Prompt action in filling our armies will have more effect upon the enemy than a victory over them. They profess to believe, and make their men believe, there is such a party North in favor of recognizing Southern independence, that the draft cannot be enforced. Let them be undeceived.

Deserters come into our lines daily, who tell us that the men are nearly universally tired of the war, and that desertions would be much more frequent, but they believe peace will be negotiated after the fall election. The enforcement of the draft and prompt filling up of our armies will save the shedding of blood to an immense degree.

U. S. GRANT, Lieut. Gen.

The following telegram has been received from Maj. Gen. Sherman on the same subject.

ATLANTA, Ga., Sept. 13, 6:30 P. M.—HON. E. M. STANTON: I am very glad to hear the draft will be enforced. First, we need the men; and secondly, they come as privates to fill up our old and tried regiments with their experienced officers already on hand; and thirdly, because the enforcement of the law will manifest a power in our Government, though a Democracy should in times of trouble and danger be able to wield the power of a great nation.

All is well. W. T. SHERMAN,
Major General.

The draft is ordered to commence in all the States and districts where the quota is not filled by volunteers on Monday, the 19th, and will go on till completed.

Volunteers and substitutes will be received and credited to as late a period as possible.

Volunteering is still progressing with vigor in most of the States.

No report of active operations have been received from other commands.

E. M. STANTON,
Secretary of War.

Parson Brownlow's Account of the Death of John Morgan.

[*From the Knoxville Whig of Sept. 7th.*]

John Morgan is no more! And when he died a thief and coward expired! He was killed in Mrs. Williams' back yard, or cabbage patch, skulking from danger. He was shot through the heart by Andrew Campbell, of company G, 13th Tennessee Cavalry, while trying to escape. There should be a salute fired in front of every horse-stable in the land in honor of his death! And all fine horses and mules should be notified that they now repose in quiet at night, and graze in peace in the daytime.

Morgan leaves a large amount of gold and greenbacks, cotton and real estate, the proceeds of his thieving exploits, resulting from untold murders and robberies; through a space of three years. Who his legal heir is will be difficult to settle.

His first wife was the sister of Colonel Bruce, of Kentucky. She died in Lexington from the neglect and bad treatment of her debased, gambling and thieving husband. His second wife was the negro wench he had with him during his residence in this city. She is in Kentucky.

His third wife is the daugher of Charles Ready of Mufreesboro', and she is at Abingdon, in Virginia. Our opinion is, that the negro wench has the oldest claim upon the estate, and we leave this great question of law to be settled in the Confederate Courts, or by special act of their Congress.

Gen. Gillam is in our town, and brought with him eighty-six of Morgan's men, on Monday evening, who were turuned over to the jail we were once an inmate of. Some of them were barefooted and bareheaded and barebacked. All looked dirty and mean, as though they were fit subjects to be commanded by a common horse thief.

Capt. Withers, of Covington, A. A. G.; Capt. Clay, of Lexington, son of Thos. H. Clay, and three others of Morgan's staff, are among the prisoners. Young Clay is pretending to be sick, so as to cheat our authorities in the paroling of him to the privilege of the town.

We are informed that the members of Morgan's staff were captured in a "potatoe hole," in a back yard, in Greenville—a sort of place where potatoes and cabbage have been buried. Gallant knights, these!

U. S. 7-30 LOAN.

THE Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from August 15th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent. per annum—principal and interest both to be paid in lawful money.

These notes will be convertible at the option of the holder at maturity into six per cent. gold bearing bonds, payable not less than five nor more than twenty years from their date, as the Government may elect. They will be issued in denominations of $50, $100, $500, $1,000 and $5,000, and all subscriptions must be for fifty dollars or some multiple of fifty dollars.

The notes will be transmitted to the owners free of transportation charges as soon after the receipt of the original Certificates of Deposit as they can be prepared.

As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit.

Parties depositing twenty-five thousand dollars and upwards for these notes at any one time will be allowed a commission of one quarter of one per cent., which will be paid by the Treasury Department upon the receipt of a bill for the amount, certified to by the officer with whom the deposit was made. No deductions for commissions must be made from the deposits.

Special Advantages of this Loan.

IT IS A NATIONAL SAVINGS BANK, offering a higher rate than any other, and *best security.* Any savings bank which pays its depositors in U. S. Notes, considers that it is paying in the best circulating medium of the country, and it *cannot* pay in anything better, for its own assets are either in government securities or in notes or bonds payable in government paper.

It is equally convenient as a temporary or permanent investment. The notes can always be sold for within a fraction of their face and accumulated interest, and are the best security
