Haven, have been a great sufferr with Chronic Dyspepsia and Inflammation of the kinneys for three yests. I employed three or four of the most emi-non physicians of rui.adelphia, also of Burlington county N. J. They did all for me they could, but all to no pur-pose. I was constantly filled with awful pain and dis-tress, and with constant belching of wind and sour acid My tongue was covered with a white costing of mucus until it cracked in large furrows, and was dreadfully sore! Ohl I ofttimes wished for death to relieve me of my sufferings, for I had lost all hope of ever being well again. I made it a subject of prayer to God that he would direct me to some physican or medicine that would cure mo. I was told to read an advertisement of Dr. Wishar's in the Philadelphia Ledger. of a great one made upon Mr. John Babcock, of 1023 Olive street, Phila-delphia, by the great American Dyspepsia Philis. I went to the boctur's office, and placed myself under a freet-ment, and told him if he failed to cure no, it would be the last colort's under, and placed myself under a wall man, free from all pain and distress, and can east three-hearty meals a day with comfort, and feet perfectly well. Pr. Wishart, I want you to publish my case, as I want every poor dyspeptic suffering as I was, to call on me, and i will tell them of the great our I have received from your invaluable medicine.
