Dauphin County to the Rescue!

Uncoln and Johnson Ratification Meeting.

Organize for the Success of the County and District Tickets.

The Republican Union men of Dauphin county will assemble in the city of Harrisburg MONDAY EVENING,

September 19th, for the purpose of ratifying the Union National, District and County

HON. ISAAC N. ARNOLD, OF THE STATE OF ILLINOIS,

One of the most eloquent orators in the great West, will be present and address the people. Other distinguished and well-known gentlemen will also speak on the occasion.

It is hoped that the loyal men of the different townships, boroughs and wards of Dauphin county, as well as the people in adjoining counties, will make arrangements to meet in Harrisburg on the occasion named

REV. J. WALKER JACKSON addressed an enthusiastic Union meeting in Fulton Hall, Lancaster city, last evening.

The drug store of Capt. Miles, on Ridge Road, is offered for sale. The entire stock of goods, together with the fixtures, can be had on reasonable terms.

THE erection of the Pennsylvania Railroad Company's freight depot, at the foot of Third street, is progressing rapidly. It will be a very large building.

PEACHES.—Large quantities of peaches are yet offered for sale by our dealers and others. The prices, notwithstanding the abundance of fruit, continue high.

The recruiting business is becoming brisk again. No doubt some of the delinquent sub-districts are improving the "last chance" to fill their quotas. Recruits can be had without trouble when the greenbacks are forthcoming.

CHAMBERSBURG is to be exempt from the draft in consequence of the recent destruction of property there, which deprived hundreds of their accustomed employment, and beggared their families—making it impossible to raise the necessary bounty fund, and, in the event of a draft, leaving women and children without either a house or a protector.

REDUCTION OF QUOTAS. -- In some districts of our county many enrolled men have enlisted to the credit of other districts, leaving those behind them to stand the draft for the whole quota, based on the enrollment of these very men. In such cases we would advise the citizens to have lists of muster. &c., certified by the officers mustering them -prove that they are the same persons as are enrolled, and apply for some reduction of their quota, which, we have no doubt, will be

A GALLANT SOLDIER WOUNDED. - We regret learn that Thomas Jordan (son of Mr. Edward C. Jordan) of the Ninth Pennsylvania Cavalry was very severely wounded, in the recent engagement of his regiment with the rebels, near Readyville, Tenn. One ball passed through his left arm, near the shoulder, and entered his breast; the second entered his left side above the kidney, passing in close proximity to his bowels. He is improving, notwithstanding he very narrowly escaped death. He has been a faithful soldier, and even after receiving his wounds captured five prisoners and marched them

Should be Stopped.—The practice of jumping and hanging on the trains while in motion, by the boys which are in the habit of congregating around the railroad depot at the arrival f every train, is no less a great annoyance than it is very dangerous and might and will result in the maiming or killing of some of them, if it is not stopped. The other evening a little chap in attempting to catch hold of a train, missed and was pitched headlong along the track, however escaping injury. Lucky that time—the next time it may cost your head or one of your limbs. There should be a stop put to this practice at once, before some accident occurs.

LOYALTY IN THE UNITED PRESBYTERIAN CHURCH.-Pittsburg Synod of the U. P. Church, (embracing all the churches in this State West of the Susquehanna,) held its meeting in Pittsburg this week, and adopted,

among other resolutions, the following: Resolved, That we lament the distracted state of the country, and see with deepest concern the rapidly extending spirit of in-subordination to the legitimate government, and of secret organizations which have for their object the maintenance of pro-slavery measures, the embarrassment of the govern ment in this great national crisis, and perhaps its overthrow, and warn our people against all sympathy and alliance with them.

That we also direct our ministers

HAVE THE SOLDIERS ASSESSED.—The friends of the soldiers in the field should see that they are assessed at home, immediately, so that none of them may be deprived of the right to vote on election day.

The office of Capt. Opdyke, Provost Marshal, is indeed a place of business. During the month of August 682 men were received there. Of these 232 were deserters and 338 were stragglers; and of these two latter classes 522 were forwarded to their regiments. Fortyeight rebel deserters were received and forwarded to their respective destinations.

LIBERAL.—Ex-Sheriff Fisher, of Lebanon, Pa., has given five hundred dollars to the Theological Library at Mercersburg, Pa., in commemoration of his only son and child, Theodore D. Fisher. A. OUR FIRE DEPARTMENT.—We are informed that owing to the enlistment of a large number of our firemen, some of the companies are left without sufficient active material to run their apparatus. Would it not be well for our property holders and others to connect themselves with the different organizations during the absence of the old members, and thus render the services of the fire department available in time of fire? The season of conflagrations is approaching, and every one should prepare for them.

TRUNK FOUND IN A CORN FIELD .-- Bernard Campbell, Chief of Police, found a trunk in a corn field near this city. It had been broken open, but still contains a quantity of clothing. etc., that may be of value to the owner. the trunk were a number of cards marked "Andrew C. Montgomery, New Vernon, Mercer county, Pa." The owner can obtain his property by applying to Mr. Campbell, describing the missing articles, and paying charges. No doubt the trunk was placed in the corn field by thieves, who had taken all the valuables out of it.

IRELAND AS IT WAS-Lend me Five Shillings The thrilling drama just named will form the opening piece at the theatre to-night, on which occasion the celebrated comedian, Mr. Frank Drew, will take his farewell benefit. He will appear as RAGGED PAT, in song and dance with Miss Fanny Denham. The whole Combination Company will take part in this play, which will be followed by a laughable comedy entitled Lead me live Sh llings, with Frank Drew as Mr. Golightly. As the Hall will be filled at an early hour, we would advise our readers to secure their seats during the afternoon, at Bannvart's Drug Store.
To-morrow night Mr. Drew will appear for the last time.

dog to death with butter is said not to be the only way in which he may be killed; but those who desire to escape such a death may follow the plan of the editor of the Kinder-hook Rough Notes, who says:

Our butter and milk, since we have reduced the thing to a system, only costs us 28 cents a week! We use a pint of milk a day, for which we pay four cents. The milk is skimmed twice a day—the cream thus obtained is sufficient to give two churnings a week. The butcient to give two churnings a week. The but-ter properly molded, is put on a plate, and every meal time a little pantomime is gone through with, representing the act of taking butter and spreading it. What butter is left over at the end of the week is taken to the tore and sold at 45 cents a pound.

At Home and Abroad

Jacob Hoover, an old and wealthy citizen of Hellam township, York county, was killed, last Saturday, by being thrown from his buggy.

Definquent sub-districts should fill their quotas at once. Better "get out of the dratt" while an opportunity is afforded. Look out for tickets next week.
