LOCK HOSPITAL. HAS discovered the most certain, speedy and effectual remedies in the world for

DISEASES OF IMPRUDENCE. RELIEF IN SIX TO TWELVE HOURS.

NO MERCURY OR NOXIOUS DRUGS. A Cure Warranted, or No Charge, in from One

to Two Days.

Weakness of the Back, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirita, Confusion of Ideas, Palpitation of the Heart, Timidity Tremblings, Dimness of Sight or Giddiness, Discase of the Head, Throat, Nose or Skin, Affections of the Liver Lungs, Stomach or Bowels—those torrible disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible. YOUNG MEN

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to ectasy the living lyre, may call with full confidence.

MARRIAGE. MARKIACHE.

Married persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

He who places himself under the care of Dr. J. may re ligiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS
mmediately carred, and full vigor restored.
This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgence. Young persons are too apt to commit excesses from not being aware of the dreadfu consequences that may casue. Now, who that under stands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived the pleasures of healthy offspring, the most zerious and de structive symptoms to both body and mind arise. The system becomes deranged, the physical and mentafanctions weakened, loss of procreative power, nervour intribability, dyspepsia, palpitation of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consamption, docay and death.
