DR. JOHNSON, BALTIMORE

LOCK HOSPITAL,

HAS discovered the most certain, speedy

DISEASES OF IMPRUDENCE. RELIEF IN SIX TO TWELVE HOURS.

NO MERCURY OR NOXIOUS DRUGS. A Cure Warranted, or No Charge, in from One

to Tree Days.

Weakness of the Back, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity Tremblings, Dimness of Sight or Giddiness, Discase of the Head, Throat, Nose or Skin, Affections of the Liver Lungs, Stomach or Bowels—those terrible disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible. YOUNG MEN

Rspecially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to ectasy the living lyre, may call with full confidence.

MARRIAGE. MARKHAUEL.

Married persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician. ORGANIC WEAKNESS

ORGANIC WEAKNESS
mmediately cured, and full vigor restored.
This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgence. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous furtisability, dyspepsia, palpitation of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consumption, decay and death.

DR. JOHNSON, DR. JOHNSON,

Member of the Royal College of Surgeons, London, graduate from one of the most eminent colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsowhere, has effected some of the most astonishing cures that were over known; many troubled with ringing in the head and ears when saleep, great nervoxaness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind were cured immediately.

vere cured immediately.

TAKE PARTICULAR NOTICE. TAKE PARTICULIAR NOTICE.

These are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nor yous irritability, symptoms of consumption, &c.

Mentally.—The fearful effects on the mind are much to be dreaded—loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self distrust, love of solitude, timidity, &c., are some of the evils produced.

YOUNG MEN Who have injured themselves by a certain practice induged in when alone, a babit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asteep, and if not cured renders marriage mpossible, and destroys both mind and body, shouldapply immediately. Whata met that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

MALKIAGE,
Reflect that a sound mind and body are the most necessary requisites to promote consubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own. DISEASE OF IMPRUDENCE.

DISEASE OF IMPHUDENCE.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, too often happens that an illtimed somes of shame or the dread of discovery deters him from applying to those who from education and respectability, can alone befriend him. He falls into the hands of ignorant and designing pretenders, who, incapable of curing, filch his pecuniary substance, keep him trifiting month after month, or as long as the smallest fee can be obtained, and in despair leave him with rained health to sigh over his galling disappointment, or by the use of the deadly poison. Mercury, hasten the what rained hearth to sign over his gailing disappointment, or, by the use of the deadly poison, Mercury, hasten the constitutional symptoms of this terrible disease, such as affections of the Head, 'hrost, Nose, Skin, etc., progressing with frightful rapidity till death puts a period to his dreadful sufferings by sending him to that undiscovere country from whence no traveler returns.

INDORSEMENT OF THE PRESS. The many thousands cured at this institution year after year, and the numerous important surgical eperations performed by Dr. Johnson, witnessed by the reporters of the Sun, Ctipper, and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.
