SOLDIERS READ!

The following letter from a soldier, in reference to the efficacy and powerful restorative qualities of DR. McBRIDE'S KING OF PAIN, speaks for itself:

NEWVILLE, CUMBERLAND COUNTY, Sept. 14, 1864.

Messrs. S. A. Kunkel & Bro., druggists, Harrisburg, Pa.:

GENTS:—I would inform you that I received the bottles of McBride's Great Pain Killer, and enclosed please find five dollars more, for which send me five bottles additional to-morrow. I leave for camp to-morrow. Let me know whether you can supply me with it in the army. I am in Company H, 202d regiment P. V. I have been in very bad health for upwards of four years, and two of the one-dollar bottles have cured me completely, and have made me feel like a man. Besides, I have cured a number of my comrades of various diseases incident to campaign, and can recommend it to be the best medicine the soldier can provide for himself.

Yours respectfully, JOS. E. WHITE.

A HOME CERTIFICATE.

The following certificate is from a well-known citizen of Harrisburg:

HARRISBURG, Aug. 30, 1864.

TO THE PUBLIC:—It gives me great pleasure to recommend to the public the medicine prepared by DR. J. J. McBRIDE, which he calls the "KING OF PAIN." I was induced to use it as an external remedy for a bruise, which it relieved immediately, and subsequently cured entirely. Its success induced me to use it internally for Diarrhœa, with which I was afflicted in a chronic form for nearly eighteen months, and to such an extent that my kidneys were seriously deranged. The medicine has cured me, and certainly that is saying a great deal in its favor, when I reflect how many other remedies I tried without experiencing anything but temporary relief. For my part, I shall always keep a supply of it in my house, believing as I do that it is a most invaluable family medicine.

DANIEL E. WILT.

The unexampled sale of this medicine proves it to be the most wonderful discovery of the age in the medical art.

DYSPEPSIA, DYSPEPSIA, DYSPEPSIA.

I, ELIZABETH BRANSON, of Brandywine, Del., formerly of Old Chester, Del., do certify that, for one year and a half I suffered everything but death from that awful disease called Dyspepsia. My whole system was prostrated with weakness and nervous debility; I could not digest my food; if I ate even a cracker or the smallest amount of food, it would return just as I swallowed it; I became so costive in my bowels that I would not have a passage in less than from four and often eight days; under this immense suffering, my mind seemed entirely to give way. I had a dreadful horror and evil forebodings. I thought everybody hated me, and I hated everybody; I could not bear my husband nor my own children, everything appeared to be horror-stricken to me; I had no ambition to do anything; I lost all my love of family and home; I would ramble and wander from place to place, but could not be contented; I felt that I was doomed to hell, and that there was no heaven for me, and was often tempted to commit suicide, so near was my whole nervous system destroyed, and also my mind from that awful complaint, Dyspepsia, that my friends thought best to have me placed in Dr. Kirkbride's hospital, West Philadelphia; I remained there nine weeks, and thought I was a little better, but in a few days my dreadful complaint was raging as bad as ever. Hearing of the wonderful cures performed by Dr. Wishart's Great American Dyspepsia Pills and his treatment for Dyspepsia, my husband called on Dr. Wishart and stated my case to him. He said he had no doubt he could cure me. So in three days after I called and placed myself under the Doctor's treatment, and in two weeks I began to digest my food, and felt that my disease was fast giving way, and I continued to recover for about three months, and at the present time I enjoy perfect health of body and mind, and I most sincerely return my thanks to a merciful God and Dr. Wishart, and to his great American Dyspepsia Pills and Pine Tree Tar Cordial that saved me from an Insane Asylum and premature grave. All persons suffering with Dyspepsia are at liberty to call on me or write, as I am willing to do all the good I can for suffering humanity. ELIZABETH BRANSON.

DYSPEPSIA! DYSPEPSIA!

DR. WISHART—I have been a constant sufferer with Dyspepsia for the last eighteen years, during which time I cannot say I ever enjoyed a perfectly well day. There were times when the symptoms were more aggravated than at others, and then it seemed it would be a great relief to die. I had at all times an unpleasant feeling in my head, but latterly my sufferings so much increased that I became almost unfit for business of any kind; my mind was continually filled with gloomy thoughts and forebodings, and if I attempted to change their current by reading, at once a sensation of icy coldness in connection with a dead weight, as it were, rested upon my brain; also, a feeling of sickness would occur at the stomach, and great pain to my eyes, accompanied with which was the continual fear of losing my reason. I also experienced great lassitude, debility and nervousness, which made it difficult to walk by day or sleep at night. I became averse to society, and disposed only to seclusion, and having tried the skill of a number of eminent physicians of various schools, finally came to the conclusion that, for this disease at my present age (45 years) there was no cure in existence. But, through the interference of Divine Providence, to whom I devoutly offer my thanks, I at last found a sovereign remedy in your Dyspepsia Pills and Tar Cordial, which seem to have effectually removed almost the last trace of my long list of ailments and bad feelings, and in their place health, pleasure and contentment are my everyday companions.

A POSITIVE CURE FOR DYSPEPSIA.

HEAR WHAT MR. JOHN H. BABCOCK SAYS.

No. 1023 OLIVE STREET,
Philadelphia, January 22d, 1863.

DR. WISHART—Sir:—It is with much pleasure that I am now able to inform you that, by the use of your great American Dyspepsia Pills, I have been entirely cured of that most distressing complaint, Dyspepsia. I had been grievously afflicted for the last twenty-eight years, and for ten years of that time have not been free from its path one week at a time. I have had it in its worst form and have dragged on a most miserable existence—in pain day and night. Every kind of food that I ate filled me with wind and pain, it mattered not how light, or how small the quantity. A continued belching was sure to follow. I had no appetite for any kinds of meats whatever and my distress was so great for several months before I heard of your Pills, that I frequently wished for death. I had taken everything that I had heard of for Dyspepsia, without receiving any benefit; but on your Pills being recommended to me by one who had been cured by them, I concluded to give them a trial, although I had no faith in them. To my astonishment, I found myself getting better before I had taken one-fourth of a box, and after taking half a box, I *am a well man, and can eat anything I wish*, and enjoy a hearty meal three times a day, without inconvenience from anything I eat or drink. If you think proper, you are at liberty to make this public and refer to me. I will cheerfully give all desirable information to any one who may call on me

Yours, respectfully, JOHN H. BABCOCK.

DYSPEPSIA! DYSPEPSIA!

I, Samuel D. Haven, have been a great sufferer with Chronic Dyspepsia and Inflammation of the Kidneys for three years. I employed three or four of the most eminent physicians of Philadelphia, also of Burlington county N. J. They did all for me they could, but all to no purpose. I was constantly filled with awful pain and distress, and with constant belching of wind and sour acid. My tongue was covered with a white coating of mucus until it cracked in large furrows, and was dreadfully sore! Oft! I oftimes wished for death to relieve me of my sufferings, for I had lost all hope of ever being well again. I made it a subject of prayer to God that he would direct me to some physician or medicine that would cure me. I was told to read an advertisement of

MEDICAL.

Dr. Wishar's in the Philadelphia *Ledger*, of a great cure made upon Mr. John Babcock, of 1023 Olive street, Philadelphia, by the great American Dyspepsia Pills. I went to the Doctor's Office, and placed myself under a treatment, and told him if he failed to cure me, it would be the last effort I would make. It has been six weeks since I commenced the use of his medicine, and I am now a well man, free from all pain and distress, and can eat three hearty meals a day with comfort, and feel perfectly well. Dr. Wishart, I want you to publish my case, as I want every poor dyspeptic suffering as I was, to call on me, and I will tell them of the great cure I have received from your invaluable medicine. NEW ADVERTISEMENTS.

U. S. 7-30 LOAN.

THE Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from August 15th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent. per annum—principal and interest both to be paid in lawful money.

These notes will be convertible at the option of the holder at maturity into six per cent. gold bearing bonds, payable not less than five nor more than twenty years from their date, as the Government may elect. They will be issued in denominations of $50, $100, $500, $1,000 and $5,000, and all subscriptions must be for fifty dollars or some multiple of fifty dollars.

The notes will be transmitted to the owners free of transportation charges as soon after the receipt of the original Certificates of Deposit as they can be prepared.

As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit.

Parties depositing twenty-five thousand dollars and upwards for these notes at any one time will be allowed a commission of one quarter of one per cent., which will be paid by the Treasury Department upon the receipt of a bill for the amount, certified to by the officer with whom the deposit was made. No deductions for commissions must be made from the deposits.

Special Advantages of this Loan.

IT IS A NATIONAL SAVINGS BANK, offering a higher rate than any other, and *best security*. Any savings bank which pays its depositors in U. S. Notes, considers that it is paying in the best circulating medium of the country, and it *cannot* pay in anything better, for its own assets are either in government securities or in notes or bonds payable in government paper.

It is equally convenient as a temporary or permanent investment. The notes can always be sold for within a fraction of their face and accumulated interest, and are the best security with banks as collaterals for discounts.

Convertible into a 6 per Cent. 5-20 Gold Bond.

In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the current rate for 5-20 Bonds is not less than *nine per cent. premium*, and before the war the premium on six per cent. U. S. stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent. per annum.

Its Exemption from State or Municipal Taxation.

But aside from all the advantages we have enumerated, a special act of Congress *exempts all bonds and Treasury notes from local taxation.* On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country.

It is believed that no securities offer so great inducements to lenders as those issued by the Government. In all other forms of indebtedness, the faith or ability of private parties, or stock companies, or separate communities, only, is pledged for payment, while the whole property of the country is held to secure the discharge of all the obligations of the United States.

While the Government offers the most liberal terms for its loans, it believes that the very strongest appeal will be to the loyalty and patriotism of the people.

SUBSCRIPTIONS WILL BE RECEIVED by the Treasurer of the United States, at Washington, the several Assistant Treasurers and designated Depositaries, and by all the National banks which are depositaries of public money, and all respectable banks and bankers throughout the country will give further information and afford every facility to subscribers. EVENING EDITION.

Communicated.

Five Cents Only.

Editor of the Daily Telegraph:

SIR:—Permit me, through the medium of your valuable journal, to suggest to each loyal voter in our beloved Union, as he deposits his ballot at the coming Presidential election, on the first day of November, to contribute *five cents*, the proceeds arising therefrom to be equally divided between the United States Christian Commission and the United States Sanitary Commission, both having thus far discharged their labors with punctuality, energy and fidelity, alike creditable to themselves and useful to the recipients, whether those recipients were loyal or disloyal.

MODE OF COLLECTION.—The officers of the election to receive the sums thus contributed, and pay the same to the city, county and district treasurer, who will forward the same to the Hon. James Pollock, Treasurer of the United States Mint at Philadelphia, to be by him delivered and paid to the above named commissions.

PROBABLE RESULT.—We polled at the Presidential election of 1860, in the Free States, 3,402,317 votes, which number, at five cents each, amounts to $170,115 55. Taking the vote of 1860 as a basis, and admitting that there will be no increase in November next, and should each loyalist, as he deposits his ballot, comply with the above suggestion, these manly, noble and holy commissions will realize what they richly deserve—the aid of every loyalist in the land. It is a common cause, a common toil, and, please God, a common victory; and so long as the war lasts, the work of the Christian and Sanitary Commissions are unending. Its means of succor for the sick and wounded—its vast supplies for hospital, and camp, and field—its agents, transports and depots, must be constantly maintained, replenished and renewed. They are not institutions which, when once started, go of themselves. When the kind hands of the country stop giving, and the kind hearts of the country lose the desire to give, then the great work stops, and the son, and the husband and father languishes on the field uncared for. As he, the soldier, cannot and must not rest, but is always ready for the summons, armed and equipped, so must all the rest of us be ready at all our posts, with the supports which they have a right to expect. They have done their work nobly, and added lustre to the Union arms. Their "voice is still for war," and will be until the stars and bars give way to that glorious ensign of the free world, the American Flag. How sublime a thing it would be, in this crisis of our country, for the loyal people of the United States, recollecting the hallowed memories of the past, cherishing the fondest hopes of the present and future, to rise to the height of a stern and holy duty in the exercise of the priceless boon conferred upon the citizen by our beloved Constitutions, State and National, and supremacy of the laws under them, as he deposits his ballot, to contribute the small sum of five cents.

THE SOLDIERS' FRIEND.

HARRISBURG, PA., Sept. 19, 1864.

The loyal papers in the Union, who approve of the above suggestion, are earnestly requested to insert the above communication, and the loyal clergymen are requested to read the same from their pulpits on the Sabbath prior to the election.
