MEDICAL. DYSPEPSIA. A Cure Warranted.

Dyspepsia has the following symptoms: 1st. A constant pain or uneasiness at the pit of the stomach. 2d. Flatulence and Acidity. 3d. Costiveness and Loss of Appetite. 4th. Gloom and Depression of Spirits. 5th. Diarrhoea, with griping. 6th. Pain in all parts of the System. 7th. Consumptive Symptoms and Palpitation of the Heart.

Out of the thousands of cases of Dyspepsia that have been cured by Dr. Wislitz's Great American Dyspepsia Pills, not one of them has failed of a perfect cure. We warrant a cure in every case, no matter if of twenty years' standing.

DISPEPSIA, DYSPEPSIA, DYSPEPSIA. I, ELIZABETH BRANSON, of Brandywine, Del., formerly of Old Chester, Del., do hereby certify that, for one year and a half I suffered every day, but less from that awful disease called Dyspepsia.

As the notes are now on hand, I have the honor to inform you that the interest on the same will be paid in full on the 15th of the month of August next.

U. S. 7-30 LOAN. The Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from August 15th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent. per annum—principal and interest both to be paid in lawful money.

Special Advantages of this Loan. It is a NATIONAL SAVINGS BANK, offering a higher rate of interest than any other, and the best security. Any savings bank which pays its depositors U. S. Notes, considers that it is paying in the best circulating medium of the country, and it cannot pay in anything better, for its own assets are either in government securities or in notes or bonds payable in government currency.

Its Exemption from State or Municipal Taxation. But aside from all the advantages we have enumerated, a special act of Congress exempts all bonds and Treasury notes from local taxation. On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country.

Dr. Wislitz's Office, No. 10 North Second street, Philadelphia.

DYSPEPSIA! DYSPEPSIA! Dr. Wislitz—I have been a constant sufferer with Dyspepsia for the last eighteen years, during which time I have tried every remedy known to man, but without any permanent relief.

A POSITIVE CURE FOR DYSPEPSIA. HEAR WHAT MR. JOHN H. BARBOUR SAYS. Philadelphia, January 22d, 1865.
